WELCOME!

We would like to extend a very warm welcome to everyone in attendance at the UTS Stadium this afternoon for this much anticipated PITCHING-IN NPL East Division game at home since we played North Ferriby FC on 14 th October! WELCOME BACK!!

Our opponents today are OSSETT UNITED FC who arrive at the UTS Stadium after their tough journey from West Yorkshire. It's always a pleasure to welcome "The Ramicorns" as they are affectionately known, with our two Clubs getting on very well! This doesn't mean that the games between our Clubs are gentle affairs – they are always hotly contested!

Since the birth of Ossett United FC in June 2018 when the two original Ossett Clubs, Town and Albion, merged there has been much steady progress achieved. Last season began in fine style but a disappointing run of results saw manager Jas Colliver replaced by Grant Black who took over and several new players were

brought in to produce some fine performances and results. The Club continued to strengthen their squad during the summer break and have continued to do so. Recently they have added some first-class players to the squad and posted some very encouraging results.

When the two Clubs met in mid-August earleir this season in the PITCHING-IN NPL East Division, Dunston won the game at the Ingfield Stadium by four goals to two with Dale Pearson notching a hat-trick and Sado Djalo grabbing the other goal. Ossett United will be determined to get some revenge today!

We also extend a warm welcome to our Match Officials this afternoon. Referee Givi Todua from Sunderland is joined by his Assistant Referees Evan Culling from Bedlington and Charlie Ford from Cramlington. Our FA Match Observer is Brian Reilly from Consett.

Supporters old and new are very well appreciated and we hope you enjoy your visit to the UTS Stadium this afternoon. If you require any help or information about the Club and facilities, please do not hesitate to contact any Management Committee Member. Details of Season Tickets, Executive Package, Club Merchandise, Concessions and Sponsorship Opportunities can be obtained from any Club Official or at the Club Office. Let's look forward to a competitive match. Enjoy the game!

DUNSTON FC – CLUB HISTORY

The Club first saw light of day in 1975 as the Football Section of a Print Works Sports Social Club. Long-serving Club stalwart John Thompson, along with some of his fellow workmates at Her Majesty's Stationery Office Gateshead, formed the team and joined the Newcastle City Amateur League playing at the Civil Service Sports Ground, Longbenton, Newcastle.

Early success inspired John to develop the Club and it moved to a new base, The Bay Horse public house in Whickham. The Club name was changed to Whickham Sports FC. Playing on a public parks pitch in Dunston, the Club entered the Northern Amateur League. Numerous successes were achieved at this level including League Championships and League Cup wins.

In 1980 the Club joined the Northern Combination League. Further League and Cup triumphs followed and a move to a base nearer the home ground seemed logical. The Club moved to a new base at the Dunston Mechanics Social Club and became known as Dunston Mechanics FC. As the club progressed, land in the locality was leased from Gateshead MBC and the management committee began to develop the present ground.

At this stage an approach was made to the Federation Brewery for sponsorship to assist in the progress of the Club. When they kindly agreed to become the Club's main sponsors, the name was changed to Dunston Federation Brewery F.C. After finishing as League Champions and League Cup Winners in 1987, the Club left the Northern Combination League and joined the Wearside League. Following a period of four seasons in the Wearside League – being League Champions twice and League Cup Winners once – the club felt a

DUNSTON FC – CLUB HISTORY

need to seek new opportunities and an application was made to join the prestigious Northern Football League.

During their time in the Wearside League, the club had made considerable improvements to Federation Park with progress to a higher status of football in mind, and their application to join the Northern League was successful. The Club had now realised one of its main ambitions and so entered the National Pyramid of Non-League Football.

In its second season in the Northern League, the Club won the Second Division Title and was promoted to the First Division. That season also saw the Club reach the last eight of the national FA Vase competition.

The Club was now an established Northern League Club having won the League Challenge Cup three years in succession from 1998 to 2000. Dunston also won the J. R. Cleator Cup in 1999/2000 and 2000/2001. Season 2003/2004 was one to remember when the club won the Northern League Championship for the first time and also lifted the League Challenge Cup. They also reached the final qualifying round of the F.A. Cup – the furthest they have ever reached in that competition.

After such a magnificent season in 2003/2004, the club went one better the following season when they repeated the Northern League Championship and Challenge Cup Double and also lifted the J. R. Cleator Cup once more.

In 2009, having been without a main sponsor for the previous three seasons, Mr. Shaun Sadler of UTS Engineering kindly agreed to provide a generous sponsorship package and it was agreed that the

DUNSTON FC – CLUB HISTORY

Club be known as Dunston UTS Football Club. The name of the ground was changed from Federation Park to The UTS Stadium.

The Club enjoyed a momentous season in 2011-2012 when, under the Management duo of Billy Irwin and Tony Harrison, they finished third in the Northern League and achieved the greatest success in their history. After a memorable run in the FA Vase, the side reached the Final at Wembley Stadium and went on to lift the trophy with a superb 2-0 victory over West Auckland Town.

After a few barren years, the Club sprang back to life again at the end of the 2017-2018 season when finishing as Runners-Up in the Durham Challenge Cup Final and going one better with victory in the Brooks Mileson Memorial League Cup Final. Building on the new-found momentum, Dunston continued in the same vein in the following season with a great run in the FA Cup, going out in the final Qualifying Round to National League neighbours Gateshead in front of a record crowd of 2,525 at the UTS Stadium.

The Club finished the 2018-2019 season as convincing Champions of the Northern League First Division, seventeen points ahead of their nearest rivals. Promotion ensued to the BetVictor Northern Premier North West Division but FA Regulations dictated that the “Club Playing Name” must not include any reference to a sponsor so the “UTS” was reluctantly dropped from the Club Title before the new season commenced. Shaun Sadler showed remarkable understanding of the situation and agreed to continue his wonderful sponsorship of the Club. With the aid of a generous grant from the FSIF, improvements were completed to bring the ground up to NPL standards.

DUNSTON FC – CLUB HISTORY

The step up proved more difficult than expected in the NPL North West Division and it wasn't until the turn of the year that the team achieved any real consistency. The early cancellation of League proceedings due to Covid-19 in March 2020 saw the Club finish in mid-table.

After yet another early curtailment in 2020-21, Dunston started the 21-22 season in the newly formed NPL East Division much stronger and finished in sixth-place, just missing out on the end-of-season Play-Offs. Last Season saw yet another upgrade in playing strength and more stadium improvements but the same disappointing final finish of sixth from top.

In a very competitive Division, we will have to go that extra step in the 2023-24 season if we are to achieve our aim of promotion but under the guidance of our new Team Manager Jon McDonald and his Coaches we will do our best!

The Forward left for Blyth Spartans in November 2021, having scored 9 goals in 12 appearances for Dunston UTS. With his game time at Croft Park limited, he re-joined Dunston in March on an initial 1-month loan deal.

His previous clubs include Bedlington Terriers, Northern Alliance side Newcastle Chemfca and former Combined Counties side AC London. His footballing career had started in Portugal, playing for Regional League sides CDR Quarteirense and Moimenta da Beira.

Most recently, he was at Consett and made a huge impact in his first appearances in cup-competition against North Shields in the 2021/22 season. He saved a penalty inside the final five minutes to ensure his side the victory.

A particular highlight in the 2022/23 season was when Dan made two saves in the penalty shootout victory away at Ashton United in the FA Trophy. Dan also made penalty saves against Cleethorpes and Stocksbridge, making it a bit of a trait for the shot-stopper.

DUNSTON SQUAD – 2023/24

JUDE SWAILES (Defender)

Having been with Newcastle United since he was a youngster, Jude emerged through the club's Academy system, before moving up into the ranks of The Premier League side's Under 23's squad. Making over 30 appearances in a black and white shirt, across both the Premier League Under-18's and Under 23's in Premier League 2.

The highly regarded youngster was offered a two-year contract at St James' Park at the end of last season. Jude decided against the offer, in favour of a move to the USA, where he joined Charleston College in South Carolina.

Jude is a strong thorn in the Dunston back line, and can be described as a no-nonsense centre half, willing to put his body on the line for the club. He continues his development at the club in the 2023/24 season, and has come on leaps and bounds since his arrival.

LIAM THEAR (Forward)

Liam Thear is one of the clubs longest serving players and has just shy of 200 appearances heading into the 2023/24 season. He moved to the club after completing a successful stint at Gateshead FC Academy, where he was highly rated. Following his release, he was snapped up by then Dunston manager Billy Irwin.

"Scrappy" is a very strong and tricky player who has matured and developed tremendously whilst at Dunston. After a superb start to last season, Liam suffered a serious ACL injury in The FA Cup fixture at home to local neighbours Gateshead FC last season. Since his recovery, he has proved to be a vital asset for Dunston, fighting for every ball and contributing with both goals and assists.

He scooped the Goal of the Season award at the end of the 2022/23 season following an audacious lob away at Stocksbridge Park Steels.

A move to his hometown club South Shields 2018 saw Turnbull continue his good form. He has been key to the recent playing success at South Shields but with the club moving to full time Chris Swales wasted no time in bringing the vastly experienced and talented midfielder to the UTS Stadium.

OSSETT UNITED SPOTLIGHT

FOUNDED: 2018

NICKNAME: The Ramicorns

GROUND: Ingfield

CAPACITY: 1,950

CHAIRMAN: James Rodgers

MANAGER: Grant Black

**2022-23 LEAGUE
POSITION:** 15th out of 20
(NPL East Division)

OSSETT HISTORY

Ossett United was created on 1 June 2018 following the merger of Ossett Town AFC (est. 1936) and Ossett Albion AFC (est. 1944). Both Ossett Town and Ossett Albion had managed to gain Northern Premier League status and maintain that level of football for a remarkable period of time.

The two clubs merged under the leadership of a new board brought together from the two previous clubs. The Club made its new home Ingfield, the previous home of Ossett Town, and used Dimple Wells, the previous home of Ossett Albion, as its Ladies and Academy Team base.

Despite a successful first season on the pitch, off field things were not as successful with a number of board resignations and some challenging financial issues to deal with following the merger. By the end of the 2018/19 season, Phil Smith had taken on the mantle of club chairman with Stuart Garside, Steve Hanks, Paul Billing, Neil Spofforth and Joe Hanks joining the board.

There were more troubles for Ossett United in November 2019 as a significant and unprecedented court case, dating back to a tackle in 2015 when Ossett Town were playing Radcliffe Borough, was lost with United facing legal and damages costs amounting to £135,000. Fortunately, the club received a generous loan from two of its closest supporters to avoid the club going into liquidation (at worst) or selling the Ingfield ground (at best).

James Rogers and Phil Smith swapped roles due to Smith's work commitments with Rogers taking on the role as Chairman, a role he had previously held at Ossett Town. 2020 also saw the club declare Dimple Wells as surplus to requirements and made arrangements to surrender the lease making Ingfield the single home of the united club.

With the off-field rollercoaster settling down the Board progressed numerous ground improvements at Ingfield with the replacement of the pitch side barrier and installation of LED floodlights being completed in 2021 before attention turned to improving the changing room facilities which took shape in the summer of 2023 thanks to further grants from the Football Foundation.

OSSETT HISTORY

The extension includes an additional match official room, two offices and a medical room as well as a larger, modern changing room that will become fully operational by the summer of 2024. The Boardroom has also been strengthened in the summer of 2023 with Dawn Rogers and Kate Hennighan taking their place alongside the eight members already in place.

On the pitch, the first year (2018/19) was a remarkable success with attendances significantly increased from what either club had experienced previously, coupled with success on the pitch reaching the play-off semi-final and winning the County Cup, under the guidance of manager Andy Welsh.

Following the departure of Andy Welsh a couple of months in to the 2019/20 season Wayne Benn, assisted by Chick Hayward, oversaw two covid hit seasons. Hopes were high after a positive pre-season in 2021/22 with Benn reshaping the squad. The season started well with Ossett United in the top half of the table but a run of only one win in three months saw a change in the dugout at Christmas with Jas Collvier and Mark Ward taking a joint managerial role.

The season ended well with the pair unbeaten at Ingfield with seven wins and two draws but away from home inconsistent performances and results saw a ninth placed finish in only the clubs second completed season. Colliver and Ward strengthened the squad throughout pre-season, and despite on paper the squad looking as strong as it ever had, results did not match expectations.

Mark Ward resigned in September with Colliver taking sole charge before leaving the club by mutual consent the following month. Grant Black became the clubs fourth permanent manager in October 2022, winning his first game in charge, 2-0 at the eventual play-off champions Long Eaton United and only tasting defeat twice in his first 16 games. Results tailed off as the season ended with the club finishing in 15 th place but the management team had a clear plan in place for the type of player they wanted to bring in ahead of the 2023/24 season with their and the club's ambition being a much higher finish than recently experienced.

The
Daniel Wilkinson
Foundation

*Providing Screening and Defibrillators to
prevent Sudden Cardiac Death in the young*

The Daniel Wilkinson Foundation is a charity set up in memory of Daniel Wilkinson who died in 2016 aged 24, while playing the game he loved, from an underlying heart condition called Arrhythmogenic Right Ventricular Cardiomyopathy (ARVC).

Dan played football from an early age and joined Hull City AFC when he was 10, earning a professional contract aged 18. Loughborough University followed where he completed a degree in Accounting and Financial Management while playing non-league football. He was an athlete who enjoyed the gym and took his health and nutrition very seriously. He lived life to the full and had so much ahead of him.

Other than feeling light-headed on a few occasions in the month before he died, he had no symptoms!

SUDDEN CARDIAC DEATH IN THE YOUNG (SCD)

- SCD is the leading cause of death in young athletes during sport and the majority of deaths occur with NO SYMPTOMS or family history.
- ARVC can be found in one in every 1,000 to 5,000 young adults - IF IT IS LOOKED FOR.
- Warning signs may include light-headedness, fainting, palpitations, swollen legs, breathlessness.
- Every week in the UK, 12 apparently fit and healthy young people (aged 35 and under) die from previously undiagnosed heart conditions.
- In Italy, where screening is mandatory for all young people engaged in organised sport, they have reduced the incidence of young sudden cardiac death by 89%.

OUR MISSION

The Daniel Wilkinson Foundation has been set up to raise awareness of SCD and to provide funding towards heart screening, defibrillators and CPR/defibrillator training primarily for grass-roots sporting teams.

Tragedies can be prevented through cardiac screening. It is vital that young people are identified and treated.
