DUNSTON FC – CLUB HISTORY

The Club first saw light of day in 1975 as the Football Section of a Print Works Sports & Social Club. Long-serving Club stalwart John Thompson, along with some of his fellow workmates at Her Majesty's Stationery Office Gateshead, formed the team and joined the Newcastle City Amateur League playing at the Civil Service Sports Ground, Longbenton, Newcastle.

Early success inspired John to develop the Club and it moved to a new base, The Bay Horse public house in Wickham. The Club name was changed to Wickham Sports FC. Playing on a public parks pitch in Dunston, the Club entered the Northern Amateur League. Numerous successes were achieved at this level including League Championships and League Cup wins.

In 1980 the Club joined the Northern Combination League. Further League and Cup triumphs followed and a move to a base nearer the home ground seemed logical. The Club moved to a new base at the Dunston Mechanics Social Club and became known as Dunston Mechanics FC. As the club progressed, land in the locality was leased from Gateshead MBC and the management committee began to develop the present ground.

At this stage an approach was made to the Federation Brewery for sponsorship to assist in the progress of the Club. When they kindly agreed to become the Club's main sponsors, the name was changed to Dunston Federation Brewery F.C. After finishing as League Champions and League Cup Winners in 1987, the Club left the Northern Combination League and joined the Wearside League. Following a period of four seasons in the Wearside League – being League Champions twice and League Cup Winners once – the club felt a

DUNSTON FC – CLUB HISTORY

need to seek new opportunities and an application was made to join the prestigious Northern Football League.

During their time in the Wearside League, the club had made considerable improvements to Federation Park with progress to a higher status of football in mind, and their application to join the Northern League was successful. The Club had now realised one of its main ambitions and so entered the National Pyramid of Non-League Football.

In its second season in the Northern League, the Club won the Second Division Title and was promoted to the First Division. That season also saw the Club reach the last eight of the national FA Vase competition.

The Club was now an established Northern League Club having won the League Challenge Cup three years in succession from 1998 to 2000. Dunston also won the J. R. Cleator Cup in 1999/2000 and 2000/2001. Season 2003/2004 was one to remember when the club won the Northern League Championship for the first time and also lifted the League Challenge Cup. They also reached the final qualifying round of the F.A. Cup – the furthest they have ever reached in that competition.

After such a magnificent season in 2003/2004, the club went one better the following season when they repeated the Northern League Championship and Challenge Cup Double and also lifted the J. R. Cleator Cup once more.

In 2009, having been without a main sponsor for the previous three seasons, Mr. Shaun Sadler of UTS Engineering kindly agreed to provide a generous sponsorship package and it was agreed that the

DUNSTON FC – CLUB HISTORY

Club be known as Dunston UTS Football Club. The name of the ground was changed from Federation Park to The UTS Stadium.

The Club enjoyed a momentous season in 2011-2012 when, under the Management duo of Billy Irwin and Tony Harrison, they finished third in the Northern League and achieved the greatest success in their history. After a memorable run in the FA Vase, the side reached the Final at Wembley Stadium and went on to lift the trophy with a superb 2-0 victory over West Auckland Town.

After a few barren years, the Club sprang back to life again at the end of the 2017-2018 season when finishing as Runners-Up in the Durham Challenge Cup Final and going one better with victory in the Brooks Mileson Memorial League Cup Final. Building on the new-found momentum, Dunston continued in the same vein in the following season with a great run in the FA Cup, going out in the final Qualifying Round to National League neighbours Gateshead in front of a record crowd of 2,525 at the UTS Stadium.

The Club finished the 2018-2019 season as convincing Champions of the Northern League First Division, seventeen points ahead of their nearest rivals. Promotion ensued to the BetVictor Northern Premier North West Division but FA Regulations dictated that the “Club Playing Name” must not include any reference to a sponsor so the “UTS” was reluctantly dropped from the Club Title before the new season commenced. Shaun Sadler showed remarkable understanding of the situation and agreed to continue his wonderful sponsorship of the Club. With the aid of a generous grant from the FSIF, improvements were completed to bring the ground up to NPL standards.

DUNSTON FC – CLUB HISTORY

The step up proved more difficult than expected in the NPL North West Division and it wasn't until the turn of the year that the team achieved any real consistency. The early cancellation of League proceedings due to Covid-19 in March 2020 saw the Club finish in mid-table.

After yet another early curtailment in 2020-21, Dunston started the 21-22 season in the newly formed NPL East Division much stronger and finished in sixth-place, just missing out on the end-of-season Play-Offs. Last Season saw yet another upgrade in playing strength and more stadium improvements but the same disappointing final finish of sixth from top.

In a very competitive Division, we will have to go that extra step in the 2023-24 season if we are to achieve our aim of promotion but under the guidance of our new Team Manager Jon McDonald and his Coaches we will do our best!

REPORT | Stockton Town (H)

Dunston FC 0-0 Stockton Town (27/01/24)

In a tight contest at The UTS Stadium, with 451 in attendance, Dunston and Stockton played out to a goalless draw. The stalemate sees Dunston extend their unbeaten run to nine games.

Jon McDonald named an unchanged starting line-up from Wednesday's convincing 3-1 win at Cleethorpes Town. The only change in the squad saw Luke Carr return to the bench in place of Jack Camarda.

The first chance of the game fell to The Anchors on 15 minutes when former Dunston forward Michael Fowler went beyond the Dunston backline, rounded Dan Staples and pulled the ball back to Glen Butterworth, but Jack Walker managed to come away with the ball to prevent any danger.

The first real attack from Dunston came minutes later when Richard Coulson played the ball through to David Robinson however, the latter took a heavy touch and Harker was quick off his line to smother the ball.

The Anchors came back at Dunston and had two good opportunities with half an hour played. First, left back Josh Baggs took aim from just outside the area, but his effort was just wide of the target. Lewis King then came close as he attempted a lob, but his effort dropped just past the post.

Stockton continued to press with Kevin Hayes also coming close as he beat McDonald down the right before curling an effort high and wide of the target.

Dunston ended the first forty-five looking the more dangerous of the two sides and almost took the lead on 40 minutes. Jack Maskell laid the ball off to Dale Pearson on the edge of the box, but the effort on goal from Pearson was straight at Harker, making it a comfortable save for the Stockton shot-stopper.

Maskell then had an effort of his own as he placed a weak effort wide of the target just before the break.

Dunston began the second half once again looking threatening. Maskell was again played through on goal, but the forward couldn't connect properly and forced a Harker into a routine stop.

Maskell kept getting himself into good positions and was superbly picked out by Michael Pearson but again, Harker was able to make a routine save to keep the score deadlocked. A minute later, Maskell connected with a header from a Phil Turnbull corner, but he couldn't get the effort on target.

The game then swung again as Stockton began to carve out some chance of their own. On the hour-mark, Stephen Thompson drilled a low effort from outside the area straight into the gloves of Staples. Hayes then had an opportunity minutes later as he sliced an effort off target.

The biggest moment of the game came midway through the half as the ball cannoned off the Stockton crossbar. Following a cross, Maskell flicked the ball back towards the danger area where Stocker skipper Adam Nicholson headed the ball off his own woodwork.

After nearly turning the ball into his own net, Nicholson then nearly did the same thing down the other end. A dangerous free kick was played into the box toward the unmarked Nicholson who guided his headed effort wide of the near post. With the clock running down, Phil Turnbull then delivered a pinpoint free kick of his own where Jack Maskell came inches away from turning the ball home at the back post.

Into stoppage time, and the score still deadlocked, both side continued to search for the winning goal. Ultimately, the final chance of the game, and maybe the biggest chance of the game, fell to visitors in the dying seconds. Josh Baggs unleashed a thunderous effort towards goal, but Dan Staples stayed alert and tipped the ball over the crossbar.

**2022-23 LEAGUE
POSITION:** 16th out of 20
(NPL East Division)

GRANTHAM HISTORY

The club was founded in 1874 and early competition was in the Midland Amateur league which was won in 1910/11. The Central alliance was won in 1924/25 and the club finished runners up to Shrewsbury Town in the Midland counties League in 1938. After the war local legend Jack McCartney scored 416 goals in just 456 appearances until his retirement in 1955. In 1964 under player manager Jim Rayner the Midland League was won with the club scoring 152 goals in the season. Rayner moved to Notts County to be replaced in 1965 by Terry Bly as player manager and the next 14 years are still remembered as the golden years for the club.

The Midland League was won in 1971 and in 1972 and regular cup runs brought large crowds to the London Road ground with the most memorable being in 1973 when Jack Charlton brought his Middleborough side to London Road where a record crowd of 6578 saw Middleborough win 2-0. The club moved into the Southern League winning Division 1 North in 1978 and the following year finishing runners up in the Premier Division. Following relegation, the club bounced back the following year to win Division 1 North again. Following the reorganization of non-league football, the club were moved to the Northern Premier League and finished 4th in 1984 but the following year they failed to gain re-election and returned to the Southern League.

Financial problems meant the club had little success until in 1987 The board appointed Martin O'Neil as manager and along with assistant John Robertson Promotion was missed by a single point his first season and 5th spot gained the year after. Martin moved on to climb the managerial ladder at the end of that season. John Robertson returned as manager in 1990 and at this time the club left its London Road home and after a year ground sharing at Spalding returned to the town into the new South Kesteven Sports Stadium.

Little success was achieved until the arrival of Gary Mills as manager in 1996. Under Gary 4th place was achieved in the Southern League Midland Division in 1997 and the following year the championship was won also the club reached the quarter final of the FA trophy going out after a replay to Conference side Southport. The first game at Grantham attracted a stadium record attendance of 3695.

The following year the club was taken over by Reg Brearley through his company Antrac. Mills was replaced as manager and the club went full time, but huge financial losses saw the club's future threatened when Antrac walked away. The club was forced to enter a CVA, and a difficult period followed as the club struggled to get back onto its feet. This was reflected on the pitch and when John Wilkinson arrived as manager at Christmas 2000 the club had just 9 points but following a tremendous run were finally relegated on goal difference on 47 points. Promotion back to the Premier division was achieved in 2002 as runners up.

GRANTHAM HISTORY

Following Wilkinson's resignation Roger Ashby became manager and lead the club to the first-round proper of the FA cup in November 2003 where they played Leyton Orient at home in front of the Match of the Day cameras only losing 2 – 1 to an injury time goal.

In the summer of 2006, the club were moved from the Southern League back to the Northern Premier League. It took the club some time to adjust to the move and they were relegated to Division 1 South. John Wilkinson returned as manager and in 2008 lead the club to the Division 1 South play offs where they lost 2-1 to Nantwich

Following a brief spell with Phil Starbuck as manager Jim Albans and Wayne Hallcro came in as joint managers. In 2011/12 the club reached the Division 1 South playoff final losing 2-0 to Rushall Olympic but the following year they won the division by a 10-point margin the club found life in the Premier division difficult and following the resignation of chairman Steve Boam Albans and Hallcro also resigned. After a period under former players Gary Sucharewycz and Ian Robinson they returned and led the club to 15 th spot in the Premier division.

During season 2014/15 the club had to make the difficult decision to cut its playing budget when predicted income was not achieved. This resulted in several players leaving the club. Also departing was Jim Albans but his partner Wayne Hallcro stayed and recruited former Coalville manager Adam Stevens to replace Albans as joint manager and the pair set about rebuilding the side. Hallcro departed in late January to team up again with Albans at Belper Town to leave Adam Stevens in sole charge of team matters. Under Stevens the club finished 12 th in the Premier Division and the following year 18th . 2016/2017 saw the club had its best season for many years and had a chance of reaching the playoffs right up to the final week of the season finally finishing in 8 th spot. In addition, they reached the league cup final going down 2-1 to Bamber Bridge.

2017/2018 saw the club finished in 4th spot in the premier division and went on to reach the playoff final going down 2-0 at Ashton United. Manager Adam Stevens stood down after the game replaced by Ian Culverhouse for the 2018/2019 season. Culverhouse resigned in October and was replaced by former Notts County Assistant manager Richard Thomas.

GRANTHAM HISTORY

Richard Thomas left the club in February to be replaced by former Harrowby United managers Paul Rawden and Russ Cousins. Rawden and Cousins left the club in late February and after a game under the control of caretaker manager Danny Racchi Martin McIntosh was appointed as manager. Martin managed just two games in charge before Covid brought the season to a close. He has spent the summer rebuilding the side for the new season.

With the season halted due to the Covid pandemic McIntosh left the club. Former England International Carlton Palmer was appointed as team manager and along with his assistants Jas Colliver and Matt Chatfield totally rebuilt the side for the 2021/2022 season. Carlton Palmer stood down as manager in early November with assistants James Colliver and Matt Chatfield taking charge of team affairs. The club moved quickly to appoint Dennis Greene as manager with Matt Chatfield becoming assistant.

The club parted company with Greene in March with Chatfield stepping up to take charge until the end of the season. The club were relegated to step 4 at the end of the 2021/22 season after 10 years at step 3. Chatfield took the manager's job permanently at the start of last season. The club struggled last season but did win the Lincolnshire Senior cup beating Spalding United 1-0 at Lincoln City's LNER stadium. After avoiding relegation on the final day of the season the club have undergone a complete rebuild in the summer. Matt Chatfield was replaced by Paul Rawden who returns to the club and along with his Assistant Steve Kirkham has had to re-build a complete playing squad on a much-reduced budget.

The
Daniel Wilkinson
Foundation

*Providing Screening and Defibrillators to
prevent Sudden Cardiac Death in the young*

The Daniel Wilkinson Foundation is a charity set up in memory of Daniel Wilkinson who died in 2016 aged 24, while playing the game he loved, from an underlying heart condition called Arrhythmogenic Right Ventricular Cardiomyopathy (ARVC).

Dan played football from an early age and joined Hull City AFC when he was 10, earning a professional contract aged 18. Loughborough University followed where he completed a degree in Accounting and Financial Management while playing non-league football. He was an athlete who enjoyed the gym and took his health and nutrition very seriously. He lived life to the full and had so much ahead of him.

Other than feeling light-headed on a few occasions in the month before he died, he had no symptoms!

SUDDEN CARDIAC DEATH IN THE YOUNG (SCD)

- SCD is the leading cause of death in young athletes during sport and the majority of deaths occur with NO SYMPTOMS or family history.
- ARVC can be found in one in every 1,000 to 5,000 young adults - IF IT IS LOOKED FOR.
- Warning signs may include light-headedness, fainting, palpitations, swollen legs, breathlessness.
- Every week in the UK, 12 apparently fit and healthy young people (aged 35 and under) die from previously undiagnosed heart conditions.
- In Italy, where screening is mandatory for all young people engaged in organised sport, they have reduced the incidence of young sudden cardiac death by 89%.

OUR MISSION

The Daniel Wilkinson Foundation has been set up to raise awareness of SCD and to provide funding towards heart screening, defibrillators and CPR/defibrillator training primarily for grass-roots sporting teams.

Tragedies can be prevented through cardiac screening. It is vital that young people are identified and treated.
