WELCOME!

We would like to extend a very warm welcome to everyone in attendance at Belle View Stadium this evening for this re-arranged PITCHING IN NPL East Division game.

Our opponents tonight are STOCKSBRIDGE PARK STEELS FC who arrive at the home of Consett AFC after their long journey from the northern outskirts of Sheffield. Since their formation in 1986, our visitors have forged an outstanding reputation in South Yorkshire as a leading non-league Club that runs several age-group teams and has excellent facilities. From the very beginning they were set-up with a solid base which enabled them to make rapid progress at first-team level and they have spent most of their time competing very successfully at Unibond and NPL levels.

Their experienced team-management duo of Ian Richards and his Assistant Andy Ring have assembled a very strong playing squad bolstered by several very strong playing squad bolstered by several excellent pre-season additions who have integrated well with the existing group who were very unfortunate to lose out on penalties away to Stockton Town in last season's Play-Off Semi-Final.

The games between the Clubs in the last campaign ended with our visitors achieving the upper hand when they ran out 3-2 winners in the first game of last season at the UTS Stadium and grabbed a very late equaliser in a 2-2 draw in the return at the Bracken Moor Stadium. That point proved vital to Stocksbridge in their fight to retain their position in the end-of-season Play-Offs.

We also extend a warm welcome to our Match Officials this evening. Referee Chris Ellis makes the short journey from Newton Aycliffe, and he is joined by his Assistant Referees Harvey Websdale from Richmond and Barry Brooks who comes from Colburn, North Yorkshire.

Let's look forward to a competitive match. Enjoy the game!

BILLY MONTAGUE – CLUB SECRETARY

DUNSTON FC – CLUB HISTORY

The Club first saw light of day in 1975 as the Football Section of a Print Works Sports & Social Club. Long-serving Club stalwart John Thompson, along with some of his fellow workmates at Her Majesty's Stationery Office Gateshead, formed the team and joined the Newcastle City Amateur League playing at the Civil Service Sports Ground, Longbenton, Newcastle.

Early success inspired John to develop the Club and it moved to a new base, The Bay Horse public house in Whickham. The Club name was changed to Whickham Sports FC. Playing on a public parks pitch in Dunston, the Club entered the Northern Amateur League. Numerous successes were achieved at this level including League Championships and League Cup wins.

In 1980 the Club joined the Northern Combination League. Further League and Cup triumphs followed and a move to a base nearer the home ground seemed logical. The Club moved to a new base at the Dunston Mechanics Social Club and became known as Dunston Mechanics FC. As the club progressed, land in the locality was leased from Gateshead MBC and the management committee began to develop the present ground.

At this stage an approach was made to the Federation Brewery for sponsorship to assist in the progress of the Club. When they kindly agreed to become the Club's main sponsors, the name was changed to Dunston Federation Brewery F.C. After finishing as League Champions and League Cup Winners in 1987, the Club left the Northern Combination League and joined the Wearside League. Following a period of four seasons in the Wearside League – being League Champions twice and League Cup Winners once – the club felt a

DUNSTON FC – CLUB HISTORY

need to seek new opportunities and an application was made to join the prestigious Northern Football League.

During their time in the Wearside League, the club had made considerable improvements to Federation Park with progress to a higher status of football in mind, and their application to join the Northern League was successful. The Club had now realised one of its main ambitions and so entered the National Pyramid of Non-League Football.

In its second season in the Northern League, the Club won the Second Division Title and was promoted to the First Division. That season also saw the Club reach the last eight of the national FA Vase competition.

The Club was now an established Northern League Club having won the League Challenge Cup three years in succession from 1998 to 2000. Dunston also won the J. R. Cleator Cup in 1999/2000 and 2000/2001. Season 2003/2004 was one to remember when the club won the Northern League Championship for the first time and also lifted the League Challenge Cup. They also reached the final qualifying round of the F.A. Cup – the furthest they have ever reached in that competition.

After such a magnificent season in 2003/2004, the club went one better the following season when they repeated the Northern League Championship and Challenge Cup Double and also lifted the J. R. Cleator Cup once more.

In 2009, having been without a main sponsor for the previous three seasons, Mr. Shaun Sadler of UTS Engineering kindly agreed to provide a generous sponsorship package and it was agreed that the

DUNSTON FC – CLUB HISTORY

Club be known as Dunston UTS Football Club. The name of the ground was changed from Federation Park to The UTS Stadium.

The Club enjoyed a momentous season in 2011-2012 when, under the Management duo of Billy Irwin and Tony Harrison, they finished third in the Northern League and achieved the greatest success in their history. After a memorable run in the FA Vase, the side reached the Final at Wembley Stadium and went on to lift the trophy with a superb 2-0 victory over West Auckland Town.

After a few barren years, the Club sprang back to life again at the end of the 2017-2018 season when finishing as Runners-Up in the Durham Challenge Cup Final and going one better with victory in the Brooks Mileson Memorial League Cup Final. Building on the new-found momentum, Dunston continued in the same vein in the following season with a great run in the FA Cup, going out in the final Qualifying Round to National League neighbours Gateshead in front of a record crowd of 2,525 at the UTS Stadium.

The Club finished the 2018-2019 season as convincing Champions of the Northern League First Division, seventeen points ahead of their nearest rivals. Promotion ensued to the BetVictor Northern Premier North West Division but FA Regulations dictated that the “Club Playing Name” must not include any reference to a sponsor so the “UTS” was reluctantly dropped from the Club Title before the new season commenced. Shaun Sadler showed remarkable understanding of the situation and agreed to continue his wonderful sponsorship of the Club. With the aid of a generous grant from the FSIF, improvements were completed to bring the ground up to NPL standards.

DUNSTON FC – CLUB HISTORY

The step up proved more difficult than expected in the NPL North West Division and it wasn't until the turn of the year that the team achieved any real consistency. The early cancellation of League proceedings due to Covid-19 in March 2020 saw the Club finish in mid-table.

After yet another early curtailment in 2020-21, Dunston started the 21-22 season in the newly formed NPL East Division much stronger and finished in sixth-place, just missing out on the end-of-season Play-Offs. Last Season saw yet another upgrade in playing strength and more stadium improvements but the same disappointing final finish of sixth from top.

In a very competitive Division, we will have to go that extra step in the 2023-24 season if we are to achieve our aim of promotion but under the guidance of our new Team Manager Jon McDonald and his Coaches we will do our best!

He saved a penalty inside the final five minutes to ensure his side the victory.

A particular highlight in the 2022/23 season was when Dan made two saves in the penalty shootout victory away at Ashton United in the FA Trophy. Dan also made penalty saves against Cleethorpes and Stocksbridge, making it a bit of a trait for the shot-stopper.

DUNSTON SQUAD – 2023/24

PHIL TURNBULL (Midfielder)

Central midfielder Phil Turnbull is described as fiercely competitive player and joined the club along with ex-teammate Craig Baxter in 2021. He then moved to Darlington in 2015 where he would gain promotion to The National League North in his first season.

A move to his hometown club South Shields 2018 saw Turnbull continue his good form. He has been key to the recent playing success at South Shields but with the club moving to full time Chris Swailes wasted no time in bringing the vastly experienced and talented midfielder to the UTS Stadium.

He scooped a number of awards at the end of the 2022/23 season following a superb season, including the Fred Foulis Committee Player of the Season award.

LIAM THEAR (Forward)

Liam Thear is one of the clubs longest serving players and has just shy of 200 appearances heading into the 2023/24 season. "Scrappy" is a very strong and tricky player who has matured and developed tremendously whilst at Dunston. After a superb start to last season, Liam suffered a serious ACL injury in The FA Cup fixture at home to local neighbours Gateshead FC last season. Since his recovery, he has proved to be a vital asset for Dunston, fighting for every ball and contributing with both goals and assists.

He scooped the Goal of the Season award at the end of the 2022/23 season following an audacious lob away at Stocksbridge Park Steels.

North Ferriby 0-1 Dunston FC (02/03/24)

A first half header from Jack Maskell saw Jon McDonald's men record back-to-back wins and further boost the promotion hopes.

There was one change to the starting line-up as the captain, Michael Pearson, returned to action. JJ Chrisp moved to the bench.

It was a blistering opening half an hour from Dunston as the away side started the game brightly. David Robinson whipped a dangerous cross into the box which narrowly evaded the head of the oncoming Dale Pearson.

Pearson then had an even better chance ten minutes later as Djalo played the ball across the box to him however, his effort was directed straight into the arms of Tom Jackson.

A first half header from Jack Maskell saw Jon McDonald's men record back-to-back wins and further boost the promotion hopes.

There was one change to the starting line-up as the captain, Michael Pearson, returned to action. JJ Chrisp moved to the bench.

It was a blistering opening half an hour from Dunston as the away side started the game brightly. David Robinson whipped a dangerous cross into the box which narrowly evaded the head of the oncoming Dale Pearson.

Pearson then had an even better chance ten minutes later as Djalo played the ball across the box to him however, his effort was directed straight into the arms of Tom Jackson.

The deadlock was then broken a couple of minutes later as Dunston took the lead at the midway point of the half. A pinpoint corner delivery from Phil Turnbull was met by the head of the leaping Jack Maskell, who powered the effort into the back of the net.

Dunston continued to press in search of another goal. Dale Pearson went close again on the half-hour mark as he skinned Wallis down the right, opened his body, and curled an effort into the gloves of Jackson.

Djalo was looking lively on the other wing, and he chanced his luck taking aim from the edge of the box, but his effort was marginally wide of the post.

In the closing stages of the half, the hosts began to grow into the game and Jack Johnson came close with a header however, it was blocked by his own teammate.

Into the second half, and Maskell almost doubled his tally for the afternoon. The ball landed at the forwards' feet on the edge of the box, but his dinked effort landed wide of the target.

The hosts then began to get on top and enjoyed a dangerous spell of their own. Man of the Match Dan Staples was called into action as he denied a Josh Whitely free kick from sailing into the top corner.

Moments later, Staples was forced to produce another save denying what looked to be an equaliser. The Dunston shot stopped then denied Whiteley from levelling the game in a superb five-minute spell.

With ten minutes to go, The Villagers continued to search for the equaliser as Dom Roma came close with a header, but it was only good enough to hit the side netting.

With five minutes of stoppage time indicated by the referee, Dunston began to manage the game to preserve the lead. The lead was almost doubled as two second half substitutes combined.

JJ Chrisp danced his way through the North Ferriby defence and pulled the ball back for Wayne Phillips however, the latter's effort was smothered by Jackson between the sticks.

Dunston were able to see out the game and record back-to-back wins and clean sheets. Next up, we host Stocksbridge Park Steels at Consett's Belle View Stadium.

CHAIRMAN: Graham
Furness

MANAGER: Ian Richards

**2022-23 LEAGUE
POSITION:** 5th out of 20
(NPL East Division)

STOCKSBRIDGE HISTORY

Stocksbridge Park Steels was created in 1986 with the merger of Stocksbridge Works FC and another Stocksbridge Club, Oxley Park Sports FC. Stocksbridge Works had the ground and only one team and Oxley Park had three teams and no ground. In the early years 1986 to 1991 the new Club ploughed all its resources into the Bracken Moor Stadium to meet ground grading criteria and enable the Club to rise through the non-league pyramid system.

The appointment of Mick Horne and Trevor Gough as Team Manager and Assistant in February 1991 heralded a period of success to rival the works in the 1950 to 1964 period. Under Mick and Trevor, Steels started their run to the Northern Premier League (NPL). The 1993/94 season saw Steels win the Premier Division of the NCEL, but the celebrations were cut short when the required ground improvements were not at an advanced enough state to allow the Steels to take their place in the NPL. The following season, Steels finished in third place and in 1995/96 they were runners-up to Hatfield Main and gained promotion to the Unibond NPL First Division. Steels made steady progress in the first five seasons in the league, with the highest placed position of fourth achieved in 2000/01.

In 2002 Wayne Biggins was appointed Player/Manager after a short spell as Assistant Manager, with Graham Furness as his assistant. In the 2002/03 season, Paul Jackson, equalled an FA Cup record of ten goals in one game, during the Steels 17-1 thrashing of Oldham Town. Steels had their best FA Cup run in the 2003/04 season reaching the Fourth Qualifying Round eventually losing away at Shildon in November 2003. Peter Rinkcavage was appointed as Manager from Gainsborough Trinity with Paul Bradshaw as Assistant with Jason Maybury, taking over from Bradshaw in 2004. A good season followed in 2005/06 with the Steels, just missing out on promotion after losing to Kendal Town in the Play-offs.

In the 2006/07 season, the Steels missed out on a Play-off position after being in the top three for 90% of the season. But, the team finished the season on a high note, beating local rivals Worksop Town in the Sheffield Senior Cup Final at Hillsborough. This was to be the last game with Peter Rinkcavage in charge. He along with assistant Jason Maybury, left to join Worksop Town in the summer of 2007. Gary Marrow, along with his assistant Mark Ogley was appointed manager before the start of the

STOCKSBRIDGE HISTORY

2007/08 season, with former player Gary Ingham taking over from Ogley midway through the season. In his first season at the club, Marrow steered them to a credible fifth place losing to local rivals Sheffield FC in the Play-off Semi-Final.

At the moment the club has 420 players either playing in a squad or being coached on a regular basis. Stocksbridge Park Steels is now acknowledged to be the top 'grassroots' Community Club in South Yorkshire. 2008/09 was a fabulous season for Gary Marrow's team, having finished third in Unibond NPL League Division 1 South, they won the Play-off final against Derbyshire rivals Belper Town 1-0 and were promoted to the Unibond NPL Premier League for the first time in the club's history.

Steels supporters were in for a rollercoaster debut season in the Premier Division. Ten games into the season, while his team were top of the league, manager Gary Marrow resigned. Former Steels player Simon Collins took over but unfortunately his tenure didn't last long. Reserve manager Steve Shutt took over and guided Steels to an excellent eleventh place. The 2010/11 season started with the return of Gary Marrow as manager but resigned just before Christmas during the 2011/12 season and was replaced with Chris Willcock and assisted by Darren Schofield. Willcock guided the Steels to safety that season with a little help from Mickleover Sports who were docked points for playing an ineligible player.

Willcock's second season in charge didn't start well and he was replaced by his assistant Darren Schofield who brought in the experienced defender Brett Lovell as his number two. Once again Stocksbridge managed to avoid relegation but again it went down to the wire. The 2013/14 season started on a high with an exciting victory over Droylsden but from then on the Steels struggled and spent most of the season in the relegation zone. The club and long serving Player/Manager Darren Schofield parted company at the end of the season. Former Worsbrough Bridge manager Chris Hilton was appointed the new boss for the 2014/15 season. Chris immediately brought in the former Emley midfielder Mark 'Willy' Wilson as his assistant and experienced former Barnsley defender Ryan Laight as player coach. 2015/16 was a successful season for Stocksbridge having their best ever run in the FA Trophy eventually losing out to National League side Gateshead, after they had beaten the holders North Ferriby in the previous round. Steels finished the league in sixth place just a couple of points behind the Play-off positions and manager Chris Hilton was rewarded with a contract for the next two years.

STOCKSBRIDGE HISTORY

2016/17 saw The Steels finish fourth in the league, along with another good run in the FA Trophy. Unfortunately Stocksbridge were beaten in the Play-off Semi-Final losing to Spalding United. The 2018/19 season started with manager Chris Hilton signing a contract to stay with the club, but big changes were just about to happen. Allen Bethell, who had been the chairman since the club's formation in 1986, announced he was going to retire due to health reasons. Graham Furness, who had been at the club for over 20 years in different roles, including assistant manager, stepped up to the chairman's job with Roger Gissing becoming the vice-chairman. Steels were in Play-off contention till COVID put brakes on the season.

However Hilton and assistant Lee Thompson did a great job keeping the team together throughout the entire lockdown. Unfortunately, when the football started again for the 2021/22 season, it wasn't to be and after another early FA Cup exit Chris Hilton brought an end to his eight years at the club as he resigned as manager. Lee Thompson steadied the ship as caretaker for three games securing back to back wins.

The club then in September 2021 announced the appointment of former player Ian Richards as their new manager. He had been in charge for 12 years at local rivals Penistone Church taking them from local football to the NCEL in a period of massive success for the club. Ian brought back club legend Andy Ring as his assistant and finished mid table in their first season in charge. The 2022/23 season was successful with Stocksbridge finishing in the playoffs and reaching the 3rd Qualifying round in the FA Cup. Stocksbridge would be in and around the top 5 places all season but lost out on penalties to Stockton Town in the playoff semi-final. The Steels will be looking to improve on this for the 2023/24 season.

The
Daniel Wilkinson
Foundation

*Providing Screening and Defibrillators to
prevent Sudden Cardiac Death in the young*

The Daniel Wilkinson Foundation is a charity set up in memory of Daniel Wilkinson who died in 2016 aged 24, while playing the game he loved, from an underlying heart condition called Arrhythmogenic Right Ventricular Cardiomyopathy (ARVC).

Dan played football from an early age and joined Hull City AFC when he was 10, earning a professional contract aged 18. Loughborough University followed where he completed a degree in Accounting and Financial Management while playing non-league football. He was an athlete who enjoyed the gym and took his health and nutrition very seriously. He lived life to the full and had so much ahead of him.

Other than feeling light-headed on a few occasions in the month before he died, he had no symptoms!

SUDDEN CARDIAC DEATH IN THE YOUNG (SCD)

- SCD is the leading cause of death in young athletes during sport and the majority of deaths occur with NO SYMPTOMS or family history.
- ARVC can be found in one in every 1,000 to 5,000 young adults - IF IT IS LOOKED FOR.
- Warning signs may include light-headedness, fainting, palpitations, swollen legs, breathlessness.
- Every week in the UK, 12 apparently fit and healthy young people (aged 35 and under) die from previously undiagnosed heart conditions.
- In Italy, where screening is mandatory for all young people engaged in organised sport, they have reduced the incidence of young sudden cardiac death by 89%.

OUR MISSION

The Daniel Wilkinson Foundation has been set up to raise awareness of SCD and to provide funding towards heart screening, defibrillators and CPR/defibrillator training primarily for grass-roots sporting teams.

Tragedies can be prevented through cardiac screening. It is vital that young people are identified and treated.

LAST TIME OUT VS STOCKSBRIDGE

WOOD (87', 90')

2-2

FULL-TIME

ATT:103

21/03/23

THEAR (45', 61')

In a huge six pointer in the race for the play-offs, Dunston travelled to Stocksbridge Park Steels on a Tuesday night towards the end of last season.

On a wet and windy night, Dunston looked the better side and were awarded a penalty midway through the half as Michael Pearson was fouled inside the area. Dale Pearson stepped up, but his penalty was saved.

Liam Thear produced two world class goals to have Dunston 2-0 up just after the hour mark.

Dan Staples also produced heroics as he saved a penalty from Stocksbridge in the second half.

However, in the latter stages of the game, Charlie Wood scored in the 87th and 90th minute to rescue a point for the home side against all odds.
