WELCOME!

We would like to extend a very warm welcome to everyone in attendance at the UTS Stadium this afternoon for our opening Pitching- In NPL East Division game of the 2023-24 season.

Our opponents today are BRIDLINGTON TOWN AFC who arrive at the UTS Stadium after their long journey from the East Riding of Yorkshire. The two Clubs enjoy a very friendly relationship but the points on offer today will be fought for by both sets of players as if their lives depended upon the result. Both Clubs realise that it's so important to get off to a good start in what will prove to be a very competitive Division.

By all accounts, the “Brid” Team Manager Adrian Costello and his Assistant-Manager Andrew Norfolk have assembled a very strong squad comprising the very best of last season's players in addition to several outstanding signings to strengthen their selection options.

The two Clubs met on three occasions last season and all of the games were highly competitive contests played out in a very good spirit. Dunston visited the excellent Queensgate Stadium for an Emirates FA Cup Preliminary Round Tie at the end of August. Dunston ran out winners by a rather flattering 3-0 scoreline. When Bridlington came to the UTS Stadium in December they were

WELCOME!

determined to get revenge and forced a very even 1-1 draw.

At the end of March Dunston again made the trip to Queensgate and in a tough game we scraped home by 2-1. The atmosphere between the Clubs was extremely friendly on all three occasions both before, during and after the match. Let's continue the same behaviour today!

We also extend a warm welcome to our Match Officials this afternoon. Referee Scott Henry makes the long journey from Carlisle and he is joined by his Assistant Referees Barry Brooks from Catterick Garrison and Dael Forbes who also comes from Carlisle.

Supporters old and new are very well appreciated and we hope you enjoy your visit to the UTS Stadium this afternoon. If you require any help or information about the Club and facilities, please do not hesitate to contact any Management Committee Member.

Details of Season Tickets, Executive Package, Club Merchandise, Concessions and Sponsorship Opportunities can be obtained from any Club Official or at the Club Office.

Let's look forward to a competitive match. Enjoy the game.

BILLY MONTAGUE – CLUB SECRETARY

DUNSTON FC – CLUB HISTORY

The Club first saw light of day in 1975 as the Football Section of a Print Works Sports & Social Club. Long-serving Club stalwart John Thompson, along with some of his fellow workmates at Her Majesty's Stationery Office Gateshead, formed the team and joined the Newcastle City Amateur League playing at the Civil Service Sports Ground, Longbenton, Newcastle.

Early success inspired John to develop the Club and it moved to a new base, The Bay Horse public house in Wickham. The Club name was changed to Wickham Sports FC. Playing on a public parks pitch in Dunston, the Club entered the Northern Amateur League. Numerous successes were achieved at this level including League Championships and League Cup wins.

In 1980 the Club joined the Northern Combination League. Further League and Cup triumphs followed and a move to a base nearer the home ground seemed logical. The Club moved to a new base at the Dunston Mechanics Social Club and became known as Dunston Mechanics FC. As the club progressed, land in the locality was leased from Gateshead MBC and the management committee began to develop the present ground.

At this stage an approach was made to the Federation Brewery for sponsorship to assist in the progress of the Club. When they kindly agreed to become the Club's main sponsors, the name was changed to Dunston Federation Brewery F.C. After finishing as League Champions and League Cup Winners in 1987, the Club left the Northern Combination League and joined the Wearside League. Following a period of four seasons in the Wearside League – being League Champions twice and League Cup Winners once – the club felt a

DUNSTON FC – CLUB HISTORY

need to seek new opportunities and an application was made to join the prestigious Northern Football League.

During their time in the Wearside League, the club had made considerable improvements to Federation Park with progress to a higher status of football in mind, and their application to join the Northern League was successful. The Club had now realised one of its main ambitions and so entered the National Pyramid of Non-League Football.

In its second season in the Northern League, the Club won the Second Division Title and was promoted to the First Division. That season also saw the Club reach the last eight of the national FA Vase competition.

The Club was now an established Northern League Club having won the League Challenge Cup three years in succession from 1998 to 2000. Dunston also won the J. R. Cleator Cup in 1999/2000 and 2000/2001. Season 2003/2004 was one to remember when the club won the Northern League Championship for the first time and also lifted the League Challenge Cup. They also reached the final qualifying round of the F.A. Cup – the furthest they have ever reached in that competition.

After such a magnificent season in 2003/2004, the club went one better the following season when they repeated the Northern League Championship and Challenge Cup Double and also lifted the J. R. Cleator Cup once more.

In 2009, having been without a main sponsor for the previous three seasons, Mr. Shaun Sadler of UTS Engineering kindly agreed to provide a generous sponsorship package and it was agreed that the

DUNSTON FC – CLUB HISTORY

Club be known as Dunston UTS Football Club. The name of the ground was changed from Federation Park to The UTS Stadium.

The Club enjoyed a momentous season in 2011-2012 when, under the Management duo of Billy Irwin and Tony Harrison, they finished third in the Northern League and achieved the greatest success in their history. After a memorable run in the FA Vase, the side reached the Final at Wembley Stadium and went on to lift the trophy with a superb 2-0 victory over West Auckland Town.

After a few barren years, the Club sprang back to life again at the end of the 2017-2018 season when finishing as Runners-Up in the Durham Challenge Cup Final and going one better with victory in the Brooks Mileson Memorial League Cup Final. Building on the new-found momentum, Dunston continued in the same vein in the following season with a great run in the FA Cup, going out in the final Qualifying Round to National League neighbours Gateshead in front of a record crowd of 2,525 at the UTS Stadium.

The Club finished the 2018-2019 season as convincing Champions of the Northern League First Division, seventeen points ahead of their nearest rivals. Promotion ensued to the BetVictor Northern Premier North West Division but FA Regulations dictated that the “Club Playing Name” must not include any reference to a sponsor so the “UTS” was reluctantly dropped from the Club Title before the new season commenced. Shaun Sadler showed remarkable understanding of the situation and agreed to continue his wonderful sponsorship of the Club. With the aid of a generous grant from the FSIF, improvements were completed to bring the ground up to NPL standards.

DUNSTON FC – CLUB HISTORY

The step up proved more difficult than expected in the NPL North West Division and it wasn't until the turn of the year that the team achieved any real consistency. The early cancellation of League proceedings due to Covid-19 in March 2020 saw the Club finish in mid-table.

After yet another early curtailment in 2020-21, Dunston started the 21-22 season in the newly formed NPL East Division much stronger and finished in sixth-place, just missing out on the end-of-season Play-Offs. Last Season saw yet another upgrade in playing strength and more stadium improvements but the same disappointing final finish of sixth from top.

In a very competitive Division we will have to go that extra step in the 2023-24 season if we are to achieve our aim of promotion but under the guidance of our new Team Manager Jon McDonald and his Coaches we will do our best!

Described as rock solid at the back and strong going forward, Baxter's signing was a major coup for Dunston UTS FC, and Craig's addition was obvious, with the full back picking up the 2021/22 managers player of the season, players player of the season and committee's player of the season.

DUNSTON FC 0 WORKINGTON 5 (05/08/23)

Dunston suffered a big defeat at the hands of Workington in their final outing of pre-season.

The floodgates opened just before the half-hour mark as Kofi Moore put the visitors ahead. Matty Bell and Conor Tinnion added goals two and three in the final five minutes before the half-time break.

If the game wasn't already sealed, David Symington added a fourth for Workington with 12 minutes to go, before Keelan Leslie added the final blow on 84 minutes to seal a 5-0 defeat for Dunston.

Workington, who play in the division above, began to settle into the encounter after an opening ten minutes where Dunston looked comfortable. The first warning sign came on 13 minutes when Dan Wordsworth put the ball in the net for the visitors, only for it to be flagged for offside.

The Reds began to push for the opener with David Symington dictating the play, as the midfielder came close to breaking the deadlock on two occasions midway through the first half.

The best chance of the half for Dunston fell on 28 minutes for Dale Pearson as the striker broke forwards down the right, but his effort hit the side netting. Despite the glimmer of hope from that opportunity, Workington took the lead just seconds later as Kofi Moore scored on the counterattack, slotting the ball past Dan Staples.

The second goal for Workington came on 41 minutes. Dan Staples produced a miraculous diving save however, the follow-up on the rebound was not dealt with and the lead was doubled.

Two became three in quick succession as the ball fell to an unmarked Conor Tinnion on the edge of the box, and he was able to guide the ball into the bottom corner on the stroke of half-time.

A change at half-time for Dunston saw Jordan Lamb introduced to the action in place of Chris McDonald. The half-time break looked to have done Dunston the world of good as they came out with intent at the beginning of the second half.

REPORT | Workington (H)

Continued...

Skipper Michael Pearson sent an effort over the bar after a corner routine, before Dale Pearson was played through on goal only to be stopped by a brilliant diving save from Jim Atkinson.

Jon McDonald made further changes as Jack Elliott and Jack Walker were brought on in place of Terry Galbraith and Sado Djalo. Again, Dunston looked to change the complexion of the game and claw a goal back as the ball fell to Lamb at the back-post, but his effort was well wide of the target.

David Robinson was next to test his luck as the ball fell to midfield man after a cross from Elliott, but the effort was volleyed wide.

With the game reaching it's climax, Symington added a fourth for the visitors in spectacular fashion. A free-kick was struck perfectly into the top left corner, leaving Staples with no chance. Just seven minutes later, and only with five minutes to go, Leslie added the fifth for the visitors. Another goal from outside the box.

Dunston conjured up one final opportunity as Dale Pearson was once again denied by Atkinson from close-range before the full-time whistle.

BRIDLINGTON

RECENT HISTORY

2008/09 - Chairman Peter Smurthwaite appoints Tim Hotte and Gary Allanson as joint Managers and the club finishes a respectable 4th position in the league and lost to UniBond Premier Side North Ferriby in the East Riding senior cup final at the KC Stadium. Within days, the Management team had resigned from the club due to personal reasons. Within days, and to the delight of the Town supporters, Gary Allanson had a change of heart and was back in the hot seat appointing club Captain Phil Harrison as his assistant. The pair proved to be an instant success as the club went on to win the league by 11 points and scoring 123 league goals along the way.

2010/11 - Another good season and Town were in the race to retain their title, but just fell short losing out to Farsley with Parkgate being runners up. Town fans were left shocked when Manager Gary Allanson had decided to leave the club at the end of the season and was involved in helping select his successor and that was to be Mitch Cook the former Scarborough Town and Pickering Town Manager who will take charge for the 2011/12 season. In Cook's first season, Town finished runners up to Retford missing out on the title by one point but were successful in the East riding cup beating Hall Road reserves 9-2 in the cup final at the KC Stadium in Hull.

2012/13 - Town had another good season under Mitch Cook finishing in third place with a massive 95 points and scoring 137 league goals along the way. This was to be Cook's last season in charge as he announced he would have to stand down due to work commitments.

2013/14 - Seasiders fans were delighted to see former Manager Gary Allanson return despite a big rebuilding programme due to players leaving. It wasn't a great season with the club finishing 12th in the NCEL and losing 5-2 to North Ferriby in the senior cup final.

BRIDLINGTON

RECENT HISTORY

2014/15 - Another season under Gary Allanson would see an improvement on the previous season with an 8th place finish in the league but some silverware in the East Riding Senior cup after a 4-2 win against Hull United where Craig Hogg scored a hat-trick.

2015/16 - The ever-improving Seasiders managed a 5th place finish in the NCEL and got to the League cup semi-final losing 1-0 to eventual winners Cleethorpes Town. The club went on to retain the East Riding Senior cup after an impressive 1-0 win over North Ferriby United.

2016/17 - The Seasiders didn't have the best of starts to the league campaign, but did have their best run in the National cup competitions for a number of years reaching the FA Cup 2nd qualifier and taking Harrogate Town to a replay. It was a goal from former Seaside Chib Chilaka in the 89th minute that won the replay 3-2 for Harrogate. The club also went on to the first round of the FA Vase.

It was after a 3-1 away win at Harrogate Railway that the club was shocked by news that Gary Allanson announced he would be leaving due to personal reasons. Chairman Peter Smurthwaite acted swiftly and appointed former professional footballer and British boxing champion Curtis Woodhouse, along with former Hull City Legend Ian Ashbee as his assistant.

The Seasiders went on an amazing 14 match winning run that saw the club close in on the title race, but we just fell short in the end with a third place finish, but the club did have success in the East Riding Senior cup final beating Hull City 4-2 in the final. The club also made it to the League cup final, losing 4-1 to Penistone Church FC at Bramall Lane.

BRIDLINGTON

RECENT HISTORY

2017/18 – It wasn't the best of seasons to what we would usually expect at Bridlington Town. Due to work commitments, inspirational assistant manager Ian Ashbee left the club and was replaced by former Seasiders player Mally Parker. We also suffered injuries to key players like Nicky McNamara on the opening day of the season that ruled him out for the season, also Jamie Forrester and Brett Agnew.

The club also lost key players to North Ferriby United. So, Curtis had to rebuild his squad halfway through the season. One of the highlights from the season was the success of local lad Jake Day who scored 48 goals and finished the top scorer in the NCEL Premier Division. We finished a disappointing ninth in the league. We also lost in the league cup semi-final to AFC Mansfield and we reached the East Riding Senior cup final where we lost 2-1 to Hull City at the East Riding FA Headquarters.

2018/19 – Several regular players left the club as Curtis Woodhouse was building a new team that he believed would be good enough to challenge for promotion and with wins in the league and the FA cup, it was looking quite promising. On Sunday 9th September Curtis Woodhouse announced he would be stepping down as Manager with immediate effect and Brett Agnew and Anthony Bowsley would step in as caretaker managers. After just three games in a caretaker roll, Brett and Anthony were given the roll as the full time Management team and it turned out to be a successful one finishing third in the NCEL and also winning the East Riding Senior Cup beating Hull City u23s in the final.

2019/2020 – A season where three promotion places were available the gaffer Brett Agnew and assistant Anthony Bowsley put a good side together and were well in the race for promotion when the season was ended due to the Covid-19 outbreak meaning no teams were promoted.

BRIDLINGTON

RECENT HISTORY

2020/21 - Another disrupted season due to the Covid pandemic saw the season ended after just nine games. The Seaside finished with seven wins and two defeats. Due to a new league formation in the Northern Premier League. Bridlington were offered promotion to the new East Division which was accepted by the club.

2021/22 - A new season in a new league and hopefully no more disruptions, the gaffer Brett Agnew felt he had his strongest squad in his time at the club. Moving into the Northern Premier League East Division was a tough step up seeing the Seaside lose their first six league games, but picked up a first win of the season against Shildon FC.

With just a few months of the season to go, Manager Brett Agnew announced he would be leaving the club at the end of the season. Bridlington was in a relegation battle that went down to the last match of the season. Lewis Dennison's 90th minute penalty against Dunston FC was the crucial goal that gave town the three points needed to stay in the NPLE division for another season.

2022/23 - A new era for the club with former player and coach Mike Thompson was appointed the new manager of the club bringing with him experienced coach Adrian Costello as his assistant and Ron Milham as goalkeeper coach.

In January 2023, Mike Thompson decided to leave his position as Manager of the club and Assistant Manager Aidy Costello was promoted to first team manager with popular player Andrew Norfolk stepping up to the role of Assistant Manager.

The Daniel Wilkinson Foundation

Providing Screening and Defibrillators to prevent Sudden Cardiac Death in the young

The Daniel Wilkinson Foundation is a charity set up in memory of Daniel Wilkinson who died in 2016 aged 24, while playing the game he loved, from an underlying heart condition called Arrhythmogenic Right Ventricular Cardiomyopathy (ARVC).

Dan played football from an early age and joined Hull City AFC when he was 10, earning a professional contract aged 18. Loughborough University followed where he completed a degree in Accounting and Financial Management while playing non-league football. He was an athlete who enjoyed the gym and took his health and nutrition very seriously. He lived life to the full and had so much ahead of him.

Other than feeling light-headed on a few occasions in the month before he died, he had no symptoms!

SUDDEN CARDIAC DEATH IN THE YOUNG (SCD)

- SCD is the leading cause of death in young athletes during sport and the majority of deaths occur with NO SYMPTOMS or family history.
- ARVC can be found in one in every 1,000 to 5,000 young adults - IF IT IS LOOKED FOR.
- Warning signs may include light-headedness, fainting, palpitations, swollen legs, breathlessness.
- Every week in the UK, 12 apparently fit and healthy young people (aged 35 and under) die from previously undiagnosed heart conditions.
- In Italy, where screening is mandatory for all young people engaged in organised sport, they have reduced the incidence of young sudden cardiac death by 89%.

OUR MISSION

The Daniel Wilkinson Foundation has been set up to raise awareness of SCD and to provide funding towards heart screening, defibrillators and CPR/defibrillator training primarily for grass-roots sporting teams.

Tragedies can be prevented through cardiac screening. It is vital that young people are identified and treated.

Tom Algar netted an equaliser for the hosts early in the second half, but Dunston were able to battle hard and secure the three points.

JON MCDONALD ON THE NEW SIGNINGS

Jon, you've had your chance to put your stamp on things and bring in some new players. Firstly, we brought in Luke Carr who has won promotions and has appeared in FA Vase Finals at Wembley. How happy are you to get that one over the line?

"Delighted to be honest. We spoke to Luke last summer and he was really close to coming to the club, but he decided to go to Blue Star. He had a successful season there, but I think he's got to the stage in his career where he wants to challenge himself at the highest level he can."

"He's an intelligent player who can score and create goals and we've already seen what he can do in pre-season. He adds real quality, and I am really pleased to bring him in."

Jack Maskell is another one. He had a lot of club's chasing his signature so you must be looking forward to working with him.

"Jack is an up-and-coming player who did really well at Horden. We met up with him and had a good chat with him in person and we feel that we will be able to give him a good platform to kick-on with his career. He's only 19-years-old so he has a lot of learning to do, but I think he has all the tools and raw talent and hopefully we can nurture that and he becomes a fan's favourite here."

JON MCDONALD ON THE NEW SIGNINGS

We've also signed four top players from North Shields, you've worked with a couple of them, what was the thinking behind bringing them in?

"I've worked with Robbo {David Robinson} before. He was our captain at Blyth AFC. He's reliable, he will give everything and he's a good person. As is Jack Walker who I've also worked with before. He was the Player of the Season at North Shields last year.

"Chris McDonald is as good as anything in this division at left-back. He'll add real quality. Then there is young JJ {Chrisp} who is also only 19-years-old, and I think he is going to develop into a real top player. He's aggressive, he can play, and he's versatile.

"We're over the moon with all the lads we've brought into the club. They will add value to what is a really strong squad
