# WELCOME!

We would like to extend a very warm welcome to everyone in attendance at the UTS Stadium this afternoon for this August Bank Holiday Monday fixture in the PITCHING-IN Northern Premier League East Division.

Our opponents today are our good friends HEBBURN TOWN FC who arrive at the UTS Stadium after their very short journey from South Tyneside. Over many seasons, the two Clubs have shared a very cordial relationship even though we are local rivals. Let's continue that friendship today!

Much like ourselves, Hebburn Town have made a promising start to the 2023-2024 season.

The South Tynesiders began with an impressive away win at Grantham Town by four clear goals, returning home to the Green Energy Sports Ground for a tight midweek stoppage-time triumph over Stockton Town. They then suffered a shock 0-2 defeat at home in the FA Cup to Heaton Stannington from the Northern League. They bounced straight back with another fine 90th minute victory at the daunting home of Pontefract Collieries by 3-2 after the home side had two players red carded.

Under the very progressive and relatively new Hebburn Town Club Management set-up at the Green Energy Sports Ground and the guidance of long-serving Chairman Vin Pearson, they have made astounding progress in recent years and their facilities at South Drive have continued to go from strength to strength. They possess one of the best Stadiums in the North East.

# WELCOME!

Everyone connected to Dunston FC would like to take this opportunity to offer our sincere gratitude to all of our Sponsors, Friends and Supporters for their continued loyalty throughout the past year. We would especially like to express our heart-felt thanks to Mr. Shaun Sadler of our Main Sponsors UTS Engineering, without whom the Club would not exist!

We also extend a warm welcome to our Match Officials this afternoon. Referee Glen Hart travels from Darlington and he is joined by his Assistant Referees Ryan Moore from Washington and Victoria Davison from Houghton-le-Spring.

Supporters old and new are very well appreciated and we hope you enjoy your visit to the UTS Stadium this afternoon. If you require any help or information about the Club and facilities, please do not hesitate to contact any Management Committee Member. Details of Season Tickets, Executive Package, Club Merchandise, Concessions and Sponsorship Opportunities are available from any Club Official or at the Club Office.

Let's look forward to a competitive match. Enjoy the game.

# DUNSTON FC – CLUB HISTORY

The Club first saw light of day in 1975 as the Football Section of a Print Works Sports & Social Club. Long-serving Club stalwart John Thompson, along with some of his fellow workmates at Her Majesty's Stationery Office Gateshead, formed the team and joined the Newcastle City Amateur League playing at the Civil Service Sports Ground, Longbenton, Newcastle.

Early success inspired John to develop the Club and it moved to a new base, The Bay Horse public house in Wickham. The Club name was changed to Wickham Sports FC. Playing on a public parks pitch in Dunston, the Club entered the Northern Amateur League. Numerous successes were achieved at this level including League Championships and League Cup wins.

In 1980 the Club joined the Northern Combination League. Further League and Cup triumphs followed and a move to a base nearer the home ground seemed logical. The Club moved to a new base at the Dunston Mechanics Social Club and became known as Dunston Mechanics FC. As the club progressed, land in the locality was leased from Gateshead MBC and the management committee began to develop the present ground.

At this stage an approach was made to the Federation Brewery for sponsorship to assist in the progress of the Club. When they kindly agreed to become the Club's main sponsors, the name was changed to Dunston Federation Brewery F.C. After finishing as League Champions and League Cup Winners in 1987, the Club left the Northern Combination League and joined the Wearside League. Following a period of four seasons in the Wearside League – being League Champions twice and League Cup Winners once – the club felt a

# DUNSTON FC – CLUB HISTORY

need to seek new opportunities and an application was made to join the prestigious Northern Football League.

During their time in the Wearside League, the club had made considerable improvements to Federation Park with progress to a higher status of football in mind, and their application to join the Northern League was successful. The Club had now realised one of its main ambitions and so entered the National Pyramid of Non-League Football.

In its second season in the Northern League, the Club won the Second Division Title and was promoted to the First Division. That season also saw the Club reach the last eight of the national FA Vase competition.

The Club was now an established Northern League Club having won the League Challenge Cup three years in succession from 1998 to 2000. Dunston also won the J. R. Cleator Cup in 1999/2000 and 2000/2001. Season 2003/2004 was one to remember when the club won the Northern League Championship for the first time and also lifted the League Challenge Cup. They also reached the final qualifying round of the F.A. Cup – the furthest they have ever reached in that competition.

After such a magnificent season in 2003/2004, the club went one better the following season when they repeated the Northern League Championship and Challenge Cup Double and also lifted the J. R. Cleator Cup once more.

In 2009, having been without a main sponsor for the previous three seasons, Mr. Shaun Sadler of UTS Engineering kindly agreed to provide a generous sponsorship package and it was agreed that the

# DUNSTON FC – CLUB HISTORY

Club be known as Dunston UTS Football Club. The name of the ground was changed from Federation Park to The UTS Stadium.

The Club enjoyed a momentous season in 2011-2012 when, under the Management duo of Billy Irwin and Tony Harrison, they finished third in the Northern League and achieved the greatest success in their history. After a memorable run in the FA Vase, the side reached the Final at Wembley Stadium and went on to lift the trophy with a superb 2-0 victory over West Auckland Town.

After a few barren years, the Club sprang back to life again at the end of the 2017-2018 season when finishing as Runners-Up in the Durham Challenge Cup Final and going one better with victory in the Brooks Mileson Memorial League Cup Final. Building on the new-found momentum, Dunston continued in the same vein in the following season with a great run in the FA Cup, going out in the final Qualifying Round to National League neighbours Gateshead in front of a record crowd of 2,525 at the UTS Stadium.

The Club finished the 2018-2019 season as convincing Champions of the Northern League First Division, seventeen points ahead of their nearest rivals. Promotion ensued to the BetVictor Northern Premier North West Division but FA Regulations dictated that the “Club Playing Name” must not include any reference to a sponsor so the “UTS” was reluctantly dropped from the Club Title before the new season commenced. Shaun Sadler showed remarkable understanding of the situation and agreed to continue his wonderful sponsorship of the Club. With the aid of a generous grant from the FSIF, improvements were completed to bring the ground up to NPL standards.

# DUNSTON FC – CLUB HISTORY

The step up proved more difficult than expected in the NPL North West Division and it wasn't until the turn of the year that the team achieved any real consistency. The early cancellation of League proceedings due to Covid-19 in March 2020 saw the Club finish in mid-table.

After yet another early curtailment in 2020-21, Dunston started the 21-22 season in the newly formed NPL East Division much stronger and finished in sixth-place, just missing out on the end-of-season Play-Offs. Last Season saw yet another upgrade in playing strength and more stadium improvements but the same disappointing final finish of sixth from top.

In a very competitive Division, we will have to go that extra step in the 2023-24 season if we are to achieve our aim of promotion but under the guidance of our new Team Manager Jon McDonald and his Coaches we will do our best!

Described as rock solid at the back and strong going forward, Baxter's signing was a major coup for Dunston UTS FC, and Craig's addition was obvious, with the full back picking up the 2021/22 managers player of the season, players player of the season and committee's player of the season.

The highly regarded youngster was offered a two-year contract at St James' Park at the end of last season. Jude decided against the offer, in favour of a move to the USA, where he joined Charleston College in South Carolina.

Jude is a strong thorn in the Dunston back line, and can be described as a no-nonsense centre half, willing to put his body on the line for the club. He continues his development at the club in the 2023/24 season, and has come on leaps and bounds since his arrival.

## LIAM THEAR (Forward)

Liam Thear is one of the clubs longest serving players and has just shy of 200 appearances heading into the 2023/24 season. He moved to the club after completing a successful stint at Gateshead FC Academy, where he was highly rated. Following his release, he was snapped up by then Dunston manager Billy Irwin.

"Scrappy" is a very strong and tricky player who has matured and developed tremendously whilst at Dunston. After a superb start to last season, Liam suffered a serious ACL injury in The FA Cup fixture at home to local neighbours Gateshead FC last season. Since his recovery, he has proved to be a vital asset for Dunston, fighting for every ball and contributing with both goals and assists.

## PHIL TURNBULL (Midfielder)

Central midfielder Phil Turnbull is described as fiercely competitive player and joined the club along with ex-teammate Craig Baxter in 2021. A permanent move to Gateshead in 2008 saw him play over 300 games for the Tynesiders and he played a vital role in the National League season which saw the Heed reach Wembley.

He then moved to Darlington in 2015 where he would gain promotion to The National League North in his first season.

A move to his hometown club South Shields 2018 saw Turnbull continue his good form. He has been key to the recent playing success at South Shields but with the club moving to full time Chris Swales wasted no time in bringing the vastly experienced and talented midfielder to the UTS Stadium.

He scooped a number of awards at the end of the 2022/23 season following a superb season, including the Fred Foulis Committee Player of the Season award.

## DUNSTON 0-0 CONSETT (22/08/23)

**Dunston managed to keep their first clean sheet of the season against Consett despite being down to ten men for over 60 minutes.**

Both sides exchanged spells of possession in an even start to the game. The first chance of the game fell to Luke Carr in the ninth minute when his attempt was cleared off the line after being picked out by Sado Djalo who beat the offside trap. Summer signing Jordan Lamb was impressive in the first half, and he saw an attempt go over the bar from a cross in the 13th minute.

Seconds later Djalo was played in behind and cut it back to David Robinson whose strike hit a Consett player for a corner. In the 15th minute it was Lamb trying his luck once again but his strike from distance was well wide. Three minutes later Jude Swailes denied Consett a golden opportunity with a last-ditch tackle conceding a corner in the process.

The biggest moment of the game came halfway through the first half when Chris McDonald was shown a straight red card for a challenge on Wil Shaw in the 21st minute. After the red card Consett understandably dominated possession and carved out a great opportunity when Shaw pulled the ball back to Kaleb Young inside the box, but his effort was wide of [Dan Staples](#) post. Following the red card UTS top scorer [Dale Pearson](#) was being used as a makeshift left back. He was booked in the 45th minute after halting a Consett counterattack.

At the beginning of the second half Manager Jon McDonald took off Carr for [Jack Camarda](#). Dunston started the second half the better of the two sides despite being a man down and came close when Robinson put the ball across the face of goal, but a Consett boot took it away from Djalo. After the half-time reshuffle Pearson

went up top and was causing all sorts of problems for the Consett defence.

Dunston continued to press for the opener and won a free kick after Djalo was dragged down on the edge of the box with Ryan McKinnon receiving a booking. Turnbull took the free kick, but the keeper was equal to it.

Pearson got in behind again in the 74th minute but the ball was taken away from him just as he was about to pull the trigger. Lamb found space down the left two minutes later but was caught in two minds as his cross-shot was easy for the keeper at the near post.

Neither team were ready to settle for a point as Dan Staples was forced into a save at his near post in the 81st minute. Benjamin Ramsey took a tumble inside the box in the 85th minute to try and win Consett a penalty but the referee waved away his claims and then booked the attacker. Substitute Jack Elliott was causing problems for Consett down the right side and fired the ball across with the Consett keeper just about managing to keep a hold of it.

Neither side managed to find the all-important goal with the spoils being shared after an eventful game. The result sees the home side remain third in the league on seven points from three games. Dunston will be hoping to keep their unbeaten start to the season intact when they travel to Belper Town on Saturday.

# HEBBURN HISTORY

Hebburn was very different back in 1912. The collieries that had changed it from a small agricultural hamlet to a cosmopolitan but pretty grimy industrial town were nearing peak employment of 1,864 men. The shipyards launched by Andrew Leslie were in full vigour. The town 11 years earlier had welcomed a diminutive Frenchman called Alphonse Reyrolle. Reyrolle opened an engineering works, initially employing just 50 men, in the former dye factory next to St Aloysius's church. At its peak, Reyrolles would employ 12,000 men from a wide range of backgrounds, religions and cultures, becoming familiar worldwide due to exporting to 70 countries.

The company also started a football team, encouraged by industrialist and mine owner Sir Ralph Carr-Ellison, another famous name in Hebburn history who provided the sports ground on which the team still play on. Football has played a major part in the life of the town – a cornerstone of its history. It helped the population forget the harshness of day-to-day life. When the last pit closed in 1931, it claimed the lives of almost 200 men and boys.

Of course, there'd been plenty of teams before 1912, most notably Hebburn Argyle – kicked off in 1882 by Father Toner, the priest of St Aloysius's. The town had so many Scots, they became known as the Tyneside Highlanders. Pre-World War One, derbies with Jarrow would attract crowds of 8,000. The Geordie town also had Shinty and Curling Clubs, and even an annual Highland games, organised by the Hebburn Celtic Society.

Alphonse Reyrolle had actively encouraged his workers to take part in sport, including barefoot football, and formed the Employees' Benevolent Association. The team formed in 1912, elected to the second division of the Jarrow and District Junior League, was suitably booted however.

They progressed, flourished in the 1930s, had a wartime season in the North Eastern League, won the Durham Challenge Cup in 1943, and returned to the Northern Combination where they stayed until 1958. In 1959/60, Reyrolles had another season in the terminally ailing North Eastern League but finished bottom with just eight points.

The club then had 28 seasons in the Wearside League, before winning the

# HEBBURN HISTORY

league in 1966 and Monkwearmouth Cup in 1968. In 1988, following the demise of the iconic engineering company A. Reyrolle, the name was changed to Hebburn and an application was made to join the Northern League - though it was before the days of automatic promotion and relegation, and there wasn't a vacancy.

The ground was improved and other clubs canvassed. The break, however, came when North Shields created a vacancy by deciding to play elsewhere. The team played its first Northern League game on August 19 1989, winning 2-1 at Shotton Comrades. They won promotion and the Durham Challenge Cup in 1992 but were relegated continuously for failing to meet ground criteria. Hebburn won the Craven Cup in 2000.

In 2011/12, Hebburn reached the FA Cup fourth round qualifying - facing Gateshead away, who were 125 league places above the club - and secured promotion to Northern League Division One, having finished third. The following campaign, The Hornets met their target of avoiding relegation, however the management team and squad moved to Jarrow Roofing in the summer.

Two ex-Hebburn players, Scott Oliver and Davy Bell, started from scratch. Unfortunately, the youthful squad were unable to beat the drop, but glimpses of promise appeared.

In the 2017/18 season, a magnificent run from January to May that saw The Hornets lose just twice, claiming a second place position and promotion back to tier nine.

After financial struggles the year before promotion with an average attendance of around 50 and having to launch a campaign to save the club, it looked like the tides had changed. Scott Oliver's side finished as runners-up in their return to Division One, with Michael Richardson notching 25 goals.

The club enjoyed a run in the Buildbase FA Vase, beating City of Liverpool 4-0 in front of 1,302 people. The fifth round would see the attendance record broken again as 1,310 packed The Green Energy Sports Ground, though the day finished in favour of West Auckland Town.

In May 2019, manager Scott Oliver stepped down. Kevin Bolam, who had

# HEBBURN HISTORY

become the club's reserve manager a year beforehand and guided them to the Wearside League title, took the reigns.

Bolam and assistant Mick Mulhern enjoyed a strong debut campaign on South Tyneside, challenging near the top of the table before the COVID-19 outbreak meant the season was voided. They also reached the Buildbase FA Vase final, beating Corinthian in the semi-final on penalties, but would have to wait until May 3 2021 to grace the Wembley turf.

Again, the 2020/21 campaign was full of life prior to curtailment, but having applied for promotion at the end of the season, they joined tier eight – the highest level in the club's history. Kevin Bolam's outfit also reached the Buildbase FA Vase quarter-final for a second time, but lost 1-0 to eventual winners Warrington Rylands.

In the midst of all this, the 2020 Buildbase FA Vase final was still up for grabs. Consett were the opponents in a tense and historic battle behind-closed-doors. The Hornets went behind twice in a frantic, four-goal first half at Wembley. However Hebburn-born Olly Martin came off the bench to score the winner on 83 minutes, rounding off a special season in the North East.

Hebburn's first season in the Pitching In Northern Premier League concluded in a 13th-placed finish. The South Tynesiders did enjoy an Emirates FA Cup run after upsetting Ashton United and facing York City away, but Kevin Bolam was dismissed in February 2022. Shildon boss Daniel Moore was appointed at the end of the campaign after reaching the play-offs with The Railwaymen.

Moore's first season at Hebburn was a memorable one. Hebburn finished 2022/23 in third place, the highest league finish in their history. The final week of the season saw Hebburn welcome Long Eaton United in the play-offs, which The Hornets lost on penalties. Days later, Hebburn won the Durham Challenge Cup for the first time in 31 years after a penalty shootout victory over Spennymoor Town at the Stadium of Light.

The  
**Daniel Wilkinson**  
Foundation

*Providing Screening and Defibrillators to  
prevent Sudden Cardiac Death in the young*

The Daniel Wilkinson Foundation is a charity set up in memory of Daniel Wilkinson who died in 2016 aged 24, while playing the game he loved, from an underlying heart condition called Arrhythmogenic Right Ventricular Cardiomyopathy (ARVC).

Dan played football from an early age and joined Hull City AFC when he was 10, earning a professional contract aged 18. Loughborough University followed where he completed a degree in Accounting and Financial Management while playing non-league football. He was an athlete who enjoyed the gym and took his health and nutrition very seriously. He lived life to the full and had so much ahead of him.

**Other than feeling light-headed on a few occasions in the month before he died, he had no symptoms!**

## SUDDEN CARDIAC DEATH IN THE YOUNG (SCD)

- SCD is the leading cause of death in young athletes during sport and the majority of deaths occur with NO SYMPTOMS or family history.
- ARVC can be found in one in every 1,000 to 5,000 young adults - IF IT IS LOOKED FOR.
- Warning signs may include light-headedness, fainting, palpitations, swollen legs, breathlessness.
- Every week in the UK, 12 apparently fit and healthy young people (aged 35 and under) die from previously undiagnosed heart conditions.
- In Italy, where screening is mandatory for all young people engaged in organised sport, they have reduced the incidence of young sudden cardiac death by 89%.

## OUR MISSION

The Daniel Wilkinson Foundation has been set up to raise awareness of SCD and to provide funding towards heart screening, defibrillators and CPR/defibrillator training primarily for grass-roots sporting teams.

**Tragedies can be prevented through cardiac screening. It is vital that young people are identified and treated.**

Ten-man Dunston battled to a hard-fought draw back in April to keep the play-off dream alive against fellow promotion chasers.

Jon Shaw was shown a straight red card for foul as he was the last man after half an hour.

Dale Pearson then netted the opener with a tidy finish to send Dunston 1-0 up heading into half-time.

The Hornets fought back in the second half and grabbed the all-important equaliser on 53 minutes through Liam Murray with the game finishing all-square.

# INTERVIEW | JON MCDONALD

Manager Jon McDonald gave his thoughts on Saturday's thrilling 4-3 win at Belper. A game which had everything and will go down in the history books.

"In my honest opinion, I thought that we started the game much the brighter team. I thought for 50 minutes that it was all us. They couldn't cope with us. We've broke through and their lad [Danny South] has been sent off for a handball on the goal-line and rightly so.

We obviously score the penalty and for the whole of the first half we dominated possession without really opening them up. The message in the second half was to just use that extra man, play with width.

We come out for the second half, and I know officials have a difficult task, but Michael [Pearson] has been sent off and I think he looking to even it up. I don't even think it's a booking and yet it's a straight red card and everybody other than the referee thought that.

So we're on the backfoot, it's 10 v 10, and their lad has scored a really good goal. He was a threat their number seven [Kevin Bastos] and he caused a few problems and then they've scored a third from a set-play.

I still felt like we were the better team. We were the aggressors throughout all of the second half. I'm just delighted with the spirit that the lads have showed. They really dug in and showed desire like they did on Tuesday against Consett when we were down to ten men and I thought, overall, we deserved the three points.
