# WELCOME

We would like to extend a very warm welcome to everyone in attendance at the UTS Stadium this afternoon for this PITCHING-IN Northern Premier League East Division game.

Our opponents today are LIVERSEDGE FC who arrive at the UTS Stadium after their long journey from West Yorkshire. "The Sedge" are enjoying a remarkable first season in the PITCHING-IN Northern Premier League East Division after their promotion from the North Counties East League at the end of last season.

They are deservedly sitting in second position in the League Table, only three points behind current leaders Marske United FC with a superior goal-difference and a game in hand. Both of these Clubs have been outstanding in the East Division all-season, Liversedge losing only once (a shock 2-0 result away to Yorkshire Amateurs) and Marske United being beaten on only three occasions. The crunch game between these two is due to be played at Marske on Saturday 16th April when the League Title is almost sure to be decided. At the moment, the battle for the League Title appears to be a two-horse race with the nearest Club to them, Cleethorpes Town, trailing by a massive fifteen points.

"Sedge" Team-Manager Jonathan Rimmington has brought together an extremely formidable playing squad over the past few seasons. They have proved to be very resilient and competitive in all areas of the pitch. They also possess some outstanding strikers including Nicholas Walker, Ben Atkinson and Oliver Fearon who all figure in the Division's Top Scorers list, as well as the impressive Gav Allott and Paul Walker who both chip in with goals on a regular basis.

We also extend a warm welcome to our Match Officials this afternoon. Referee Lewis Reynolds travels from Chester-le-Street and he is joined by his Assistant Referees Matthew Webster from Gateshead and Paul Mosley from Wallsend.

We also welcome Leam Rangers Under 15's Girls to The UTS Stadium this afternoon, the players will be looking to raise funds through a bucket collection on the gates for a planned football tournament in Barcelona. All contributions will be greatly appreciated.

Let's all remember the Covid-19 Guidance. Keep a safe distance from each other so that we can ensure the safety of everyone.

Supporters old and new are very well appreciated and we hope you enjoy your visit to the UTS Stadium this afternoon.

If you require any help or information about the Club or our facilities, please do not hesitate to contact any Management Committee Member.

Details of Club sponsorship packages can be found at: <http://www.dunstonutsfc.co.uk/Sponsorship>

Club Merchandise can be purchased or ordered from The Club Shop within the ground.

Let's look forward to a competitive match. Enjoy the game.

## Club history

The club first saw the light of day in 1975 as a humble works outfit when former Chairman, John Thompson, with some of his colleagues at HMSO on the Team Valley Trading Estate, decided to form a football team. The club joined the Newcastle City Amateur League playing at the Civil Service Sports Ground, Longbenton.

Early success inspired the club to progress and a piece of land was leased from Gateshead M.B.C. and the committee began to develop what is now the UTS Stadium. Hello The club were now gaining much success in the Northern Combination and with aspirations to progress further they approached the Federation Brewery to become the club's main sponsor.

With the Federation Brewery as their main sponsor the club joined the Wearside League in 1987 and after another period of success the club felt a need to seek new opportunities and an application was made to join the prestigious Northern League. The club had now realised one of its main ambitions and entered the National Pyramid of Non-League Football.

In its second season in the Northern League the club won the Second Division and was promoted to the First Division.

Since joining the Northern League the club has won the Second Division, been First Division Champions twice, League Cup winners on five occasions and JR Cleator Cup winners on five occasions. Included in these successes were back to back Northern League doubles in 2003/2004 and 2004/2005. A magnificent achievement.

Season 2007/2008 had seen the club lose the word Brewery from its name as sadly it lost the main sponsor. After a period of 18 years of continuous sponsorship the Federation Brewery was taken over by Scottish and Newcastle Breweries who continued to sponsor the club for a further two seasons and after a period of twenty years the club had lost its main sponsor and had no association with a brewery. In our hour of need two new companies became involved with the club to partially compensate for the loss of our main sponsor.

Dunston Van and Truck Centre became our home shirt sponsor and continue to be some to this day.

At the start of the 2008/2009 season UTS Engineering (Utility Technology Services), became involved by sponsoring the player's travel and training kit and during the close season of 2009/2010 they kindly agreed to become the club's principal sponsor.

The club name was changed from Dunston Federation F.C. to Dunston UTS F.C, the name of the ground was changed to the UTS Stadium and company owner, Mr. Shaun Sadler became Club President.

Arguably one of Dunston UTS FC's greatest achievements came in The FA Vase Final of 2012. In front of a crowd of 5,126 at Wembley Stadium, under the guidance of then Manager Billy Irwin, an Andrew Bulford brace ensured a 2-0 victory over Northern League rivals West Auckland Town.

On the 2nd April 2016 Dunston UTS celebrated their 1000th Northern League game. Prior to kick off on behalf of the club Malcolm James received an engraved plate from Northern League President George Courtney.

Building on the new-found momentum, Dunston continued in the same vein in the following season with a great run in the FA Cup, going out in the final Qualifying Round to National League neighbours Gateshead in front of a record crowd of 2,525 at the UTS Stadium.

The Club finished the 2018/2019 season as convincing Champions of the Northern League First Division, seventeen points ahead of their nearest rivals. Promotion ensued to the Northern Premier N/West Division but FA Regulations dictated that the Club Playing Name must not include any reference to a sponsor so the "UTS" was reluctantly dropped from the Club title before the new season.

Over the years the club has always recognised that success on the field must be coupled with success and hard work off the field and the efforts of the people behind the scenes at the UTS Stadium has ensured that the stadium is a credit to the club. Many of the committee of the club have been involved since it was founded in 1975, some as former players and some as management on

It is a tribute to their commitment and hard work that the club has become one of the most successful in the North East

## Jude Swailes signs on a contract basis at The UTS Stadium.

Dunston UTS FC are delighted to announce that Jude Swailes has signed on a contract basis.

The highly rated, former Newcastle United youngster, has been on superb form since arriving at The UTS Stadium in January on a non-contract basis with Jude having returned back to The UK, following a period playing out in The USA for Charleston College in South Carolina.

In a recent interview given to Mark Carruthers for the Non-League Paper, Dunston UTS FC Assistant Manager Jon McDonald said:

“Jude can be the future of the club because he has come in and really made an impact.

“He’s only 20 years old, but he has been exceptional for us in terms of ability and attitude.

Dunston UTS FC are delighted to welcome Sado Djalo back to The UTS Stadium.

## Forward Sado Djaló returns to The UTS Stadium.

The 29 year old forward joins on an initial 1 month loan from Vanarama National League North side Blyth Spartans.

Having joined Dunston from Bedlington Terriers in September of this season, Sado would go on to make 12 appearances for the club, scoring 9 goals during his brief spell on Tyneside.

His goal-scoring prowess understandably attracted the attention Clubs further up the pyramid, and with the player looking to test himself at a higher level, he moved on to join Blyth Spartans in November.

With starting opportunities limited at Croft Park, Dunston UTS FC Manager Chris Swailes has acted quickly to bolster his squad, as his side push on to try and break into The Pitching-In Northern Premier League East Division play-off places come the end of the season.

Speaking to Swaz on the arrival of Sado, he commented;

*"It's a big boost to the squad for the final push to get into the play-offs"*

*"When we had him here earlier in the season he brought goals, for me he's a proven goal-scorer at this level, he grafts hard and he can give us the option of playing two up top with him and Michael Fowler, who has been outstanding since joining us".*

*"We're hoping that sides above us drop points, but we're doing everything we can to make sure we're as strong as possible heading into the final stages of this season, to put pressure the teams above us and be in there at the end of the season".*

With Club Secretary Billy Montague having worked tirelessly to get the deal completed, Sado will be available for selection ahead of Dunston's important home fixture at home to high flying Liversedge FC.

# In this interview we speak to Jude Swailes

Jude Swailes joined the club in January 2022 and has immediately made a massive impact in the Dunston side. The youngster, who has had experience with Newcastle United through the clubs academy system, decided against the offer of a two year contract at St James' Park last season, to instead pursue a move to the USA. The centre half is strong, calm on the ball and has cemented his place as a potential week in week out starter since his introduction.

We sat down with him to discuss his time at the club so far, his best qualities on the pitch and the affect that his dad and manager Chris Swailes has had on his game.

So Jude, how have you settled in so far at Dunston since your arrival in January?

Very well, the lads are all spot on. It's a club I know well due to my dad being involved in it for so many years, so it's been great to come in and get to know the lads.

Could you give us a flavour of your footballing experience to date and why you thought Dunston was the right move for you at this stage of your career?

I had been at Newcastle United for ten years, and then moved to the US but didn't really fancy it. To be honest I feel out of love with football a bit out there, and so my move to Dunston is in the hope that I can revive it.

For those that haven't seen you play yet, could you give them an understanding of the type of player you are and the qualities you feel you can bring to the team?

I feel I am a strong and aggressive player who likes to win headers and tackle aggressively. I've a real passion for clean sheets and if you can do your job as a defender and not let the other team score then you won't lose the game.

What kind of aspirations do you have for your footballing career?

At the moment I am just trying to enjoy my football and understand the league which we are playing in currently. Dunston is definitely the place where I can do this and hopefully we can progress as I club and I can keep learning and enjoying myself.

Having your Dad as gaffer must have its positives and negative. How much knowledge has he passed down to you following his career and time at Dunston?

My Dad has been a crucial part in my footballing development. Ever since I have been able to walk, he would be playing football with me. His characteristics on the pitch are very admirable and because of this, he is someone I really look up to.

The teams played well and because of this Swaz has given the team a £5 bonus – the only catch is that it has to be spent in Greggs! What are you spending that fiver on?

How many sausage rolls can you get with a fiver these days?! That's where my money is going.

The Daniel Wilkinson Foundation is a charity set up in memory of Daniel Wilkinson who died in 2016 aged 24, while playing the game he loved, from an underlying heart condition called Arrhythmogenic Right Ventricular Cardiomyopathy (ARVC).

Dan played football from an early age and joined Hull City AFC when he was 10, earning a professional contract aged 18. Loughborough University followed where he completed a degree in Accounting and Financial Management while playing non-league football. He was an athlete who enjoyed the gym and took his health and nutrition very seriously. He lived life to the full and had so much ahead of him.

Other than feeling light-headed on a few occasions in the month before he died, he had no symptoms!

## SUDDEN CARDIAC DEATH IN THE YOUNG (SCD)

- SCD is the leading cause of death in young athletes during sport and the majority of deaths occur with NO SYMPTOMS or family history.
- ARVC can be found in one in every 1,000 to 5,000 young adults - IF IT IS LOOKED FOR.
- Warning signs may include light-headedness, fainting, palpitations, swollen legs, breathlessness.
- Every week in the UK, 12 apparently fit and healthy young people (aged 35 and under) die from previously undiagnosed heart conditions.
- In Italy, where screening is mandatory for all young people engaged in organised sport, they have reduced the incidence of young sudden cardiac death by 89%.

## OUR MISSION

The Daniel Wilkinson Foundation has been set up to raise awareness of SCD and to provide funding towards heart screening, defibrillators and CPR/defibrillator training primarily for grass-roots sporting teams.

Tragedies can be prevented through cardiac screening. It is vital that young people are identified and treated.

## Jack Elliott reaches his 100<sup>th</sup> appearance in a Dunston shirt.

Dunston UTS FC would like to congratulate Jack Elliott on reaching his 100<sup>th</sup> appearance for The club.

The tricky winger reached his milestone during Dunston's impressive 2-1 away victory at Frickley Athletic.

With 29 appearances and 7 goals so far this campaign, Jack has been one of the first names of Chris Swales team sheet.

Having joined Dunston from near neighbours Whickham FC back in March 2018, the former Newcastle United Academy player has become a firm favourite at The UTS Stadium, due to his ability to excite a crowd with his neat footwork and lightning pace. Stepping up to play at a higher level, he has proved his value to the side on numerous occasions.

He was a key player during Dunston's Northern League title winning season, before briefly joining Hebburn Town but returned to Dunston much to the delight of his manager Chris Swales and Club Supporters.

## Liversedge FC – Club History

**Liversedge Football Club** was founded in 1910 following the demise of the old Liversedge Rugby Club. Liversedge FC started in the Bradford League for three years and won it in the 1920/21 season.

The club was a founder member of the West Riding County Amateur League in season 1922-23 and went on to be the most successful club in the league's infancy, taking the league title three times in the first five seasons (1923/24, 1925/26, 1926/27) and again in (1964/65, 1965/66).

The long association with the County Amateur League was maintained until the early 1970s by which time the club had kept up their position as a top local side and winning it in 1968/69. The decision was taken to apply for membership of the Yorkshire League and the club's acceptance for season 1972/73 was followed by immediate promotion from Division Three.

Whilst not winning trophies this time, success did come the club's way as promotion to Yorkshire League Division One was achieved prior to the amalgamation of the Midland and Yorkshire League to form the Northern Counties East League in 1982. The early years in the new set-up saw Liversedge struggle both on and off the pitch but good strides were made in the late 1980s.

After finishing as runners up in NCEL Division 2 in 1988-89, they were promoted to NCEL Division One but a lack of floodlights the following season saw them miss out on promotion to the Premier Division, after again finishing runners up in Division 1.

A great club effort the following season by players, officials and supporters alike saw them promoted to the Premier Division after finishing third. The disappointment of missing out the previous season had been tempered by the winning of the West Riding County Cup for the first time in the club's history.

Life in the top flight has brought fluctuating fortunes and relegation has been flirted with on a couple of occasions but Liversedge are still proud of their record of never ever being relegated. Sedge started to find stability and achieved sixth placed finishes in 1999-2000 and 2004-05.

The high point of the 2004/05 season was undoubtedly a fine FA Cup run to the Fourth Qualifying Round, beating three higher-ranked opponents along the way, losing out to Coalville in the replay. The 2005-06 season saw a new look to Sedge's ground, as the famous Clayborn slope was removed. The club's epic FA Cup run had enabled the club to finance, with the help of the FA, the levelling of the playing area, a fitting reminder of their FA Cup exploits. On the field also brought success in 2005/06 by way of winning the NCEL League Cup for the first time and Sedge's highest ever placing of runners-up in the Premier Division behind Buxton. Unfortunately Sedge were not granted promotion as the changing rooms were not to satisfactory size for the next step. After two highly successful seasons, 2006/07 was one of instability with an indifferent start leading to manager changes as the club continued to push towards the Unibond League. In June 2007, Steve Newton was appointed to spearhead that push and with help of a new committee, strengthened by our junior club colleagues, now putting together plans and resources for a new clubhouse which was to be built in phases, and a high team spirit all around Clayborn, 2007/08 saw Liversedge win the NCEL Presidents Cup.

Liversedge returned to stable, and sometimes struggling, in the NCEL over the following few years with managers coming and going after some flirting with relegation. At the end of the 2014/15 season Jonathan Rimmington stepped up to the hot seat from the U19s and successfully kept the club in the NCEL Premier Division. At the end of the 2017/18 season, Liversedge reached the League Cup Final against AFC Mansfield but due to unforeseen circumstances the game was not played. 2018/19 saw a new chairman in former Ossett Town/Wakefield/Nostell/Ossett Albion's Simon Turfrey join the club. At the end of the season Liversedge again reached the League Cup Final, losing out 3-1 to Worksop Town.

Preseason 2019/20 saw lots of off field progression with new changing rooms and extensions to club and tea bar and new faces football wise. These developments showed an ambitious new vision for the club's future. On the field Liversedge were well on course for possible promotion to the Northern Premier League with 2 games in hand and in 2nd position. Covid-19 struck and the rest of the season's games were cancelled with the season decided void by the FA.

The 2020/21 season was again curtailed early due to an escalating Covid situation. Sedge were well on course again for promotion and achieved their best ever FA Vase run in reaching the 4th round. This time the FA came to the solution to make sure the good work of ambitious clubs did not go to waste and award promotion on a point's per game basis based on the previous two curtailed seasons. Sedge's start to life in the Northern Premier League has been great with the club looking well on course to be part of a promotion battle. They also reached the Second Round Proper in their first ever FA Trophy season beating two higher league opponents along the way. The future is bright at Liversedge FC.

## Match report - Frickley Athletic vs Dunston UTS FC

**MATCH REPORT**  
**FRICKLEY ATHLETIC**  
**VS**  
**DUNSTON UTS FC**

Dunston earned a hard fought 3 points with 2-1 win away to relegation threatened Frickley Athletic. In what was an industrious and hardworking performance, on a difficult pitch, which didn't lend itself well to free flowing football, a brace from free scoring Michael Fowler ensured a deserved win for Chris Swailes' side.

**DUNSTON UTS FC**

The result now sees Dunston move further in reach of the play-offs, making up ground in terms of points on the sides immediately above them. With both Worksop Town and Stockton Town dropping points, Dunston now see themselves a mere six points outside of the final play-off place, with 8 league games remaining.

Michael Fowler opened the scoring for Dunston after 9 minutes, a Connell free kick played deep saw Coulson collect to square to Fowler, the forward getting the better of his marker to finish from close range.

Jack Elliott, on his 100th appearance for Dunston, showed great footwork, his pace utilised to glide past the home side's defence, to fire a venomous shot narrowly wide of the up-right.

The home side's best chance of the opening stages of the game came in the form of a free kick. In a dangerous position on the edge of the box, Michael Hollingsworth's free kick was bravely blocked by well organised Dunston wall.

The away side applied pressure mid-way through the second half, a series of corners testing the resilience of Frickley, who in fairness ensured they had as many back in the box as possible, Jude Swailes coming closest to adding a second with a header at the back post.

Frickley spurned a chance to level on 24 minutes with a header wide from a delivery to the back post.

Fowler was creating problems amongst the hosts defence, with Dunston turning defence into attack, his effort was well saved by Frickley keeper Jordan Pierrepont.

In the closing stages of the first half, with yet another solid defensive performance, Jude Swailes reacted swiftly to cut out a dangerous delivery, as Frickley were rarely afforded many opportunities to get in behind Dunston's back line.

Fowler was again causing problems, where just before the stroke of half time, he turned his marker well, having created space to fire on target, the resulting effort with his weaker foot went narrowly wide.

In a scrappy first half, the hosts had showed little in the way of any threat going forward, but came out with far greater purpose at the start of the second half.

Frickley's Bradley Wells spurned a good opportunity, electing to play the ball square, rather than getting a shot off on target. Moments later Rod Orlando-Young sent in a dangerous delivery, picking out Joshua Scott whose drilled effort on target was saved well by an alert Liam Connell.

Elliott's pace was causing issues down the line, a superb delivery into box falling to Craig Baxter who teed up Fowler, the forwards' effort palmed away by the outstretching keeper, only for Liam Thear to miscue from close range.

Swaz made changes to formation and personnel, the introduction of Terry Galbraith allowed Jake Turnbull to move into a more attacking position. With his pace and accurate deliveries, Frickley were to be tested on more than a few occasions, a pinpoint cross to the back post blasted over by Fowler.

Michael Hall, who put in a man of the match performance at the back where he rarely allowed Frickley a sight on goal, took an elbow to the face which required the attention of the physio.

Dunston sealed the game in injury time, a fantastic ball over the top from Turnbull causing panic amongst the two Frickley centre backs, with the keeper rushing out, Fowler rounded the defenders to calmly find a gap and slot the ball into an empty net.

The home side responded quickly to set up a nervy end to the game, Rod Orlando-Young striking a volley beyond Connell from a delivery out wide from the restart. Dunston held firm to ensure a win and make up valuable ground on the sides above them.

**We look back on the last time today's two sides met, as Dunston suffered defeat in Yorkshire back at the start of the season.**

Liversedge continued their impressive start to life in The Northern Premier League East, as they made it 8 wins from 8 in a comfortable win at home to Dunston.

“The Sedge” took the lead with only 2 minutes gone. A mistake at the back from Dunston defender Michael Hall allowed in Nicky Walker, the ball deflecting off the defender leaving Walker with the simple task of putting the ball beyond Connell.

The hosts put pressure on Dunston early doors and it wasn't until after 30 minutes that Dunston actually started to show, however their attacks fizzled out on too many occasions.

Liversedge further extended their lead 3 minutes before the break, Gavin Allott cutting inside his man to pull the ball a cross to Ollie Fearnon, the winger, who impressed throughout the game, made no mistake from close range.

Dunston changed formation at half time, however the change made little impact on the flow of the game. Liversedge were direct and looked a threat down the channels as Dunston struggled in transition.

Liam Connell pulled off a superb finger tipped save to deny Ollie Fearnon, the winger jinking inside and out of Dunston defenders, curling an effort towards the top corner only for Connell to tip over the bar.

The visitor's best spell of pressure came with the introduction of Liam Thear and Eddie Thomas. Thomas forcing a good save for Sedge keeper Jordan Porter. The resulting corner saw Thear connect well with a header as Porter tipped over. However on the 2nd corner Dunston midfielder Michael Pearson was shown a red card for a challenge on the keeper.

Liversedge were able to see the game out with ease and were full value for their win.

Dunston UTS FC Manager Chris Swailes post-match comments

*“I'm really disappointed. We got off to a poor start against a very well organised side in Liversedge, who concede very little”.*

*“I thought we had good spells of possession but we didn't create a lot of chances throughout the game if I'm being honest and it was a poor second goal to concede”.*
