# WELCOME

We would like to extend a very warm welcome to everyone in attendance at the UTS Stadium this afternoon for this PITCHING-IN Northern Premier League East Division game.

Our opponents today are CLEETHORPES TOWN FC who arrive at the UTS Stadium after their long journey from North Lincolnshire. "The Owls" are enjoying a very successful season in the PITCHING-IN Northern Premier League East Division and are currently sitting in third place in the Table. They look as if they will definitely be competing in the end-of-season play-offs for promotion to the PITCHING-IN NPL Premier Division.

Cleethorpes Town have made remarkable progress since the formation of their Senior Team in 2003. They started in the local Lincolnshire Leagues and quickly gained promotion to the North Counties East League, making rapid steps until a momentous season in 2016-2017. After some superb displays in the FA Vase, they reached Wembley to face the outstanding South Shields FC and put in a creditable performance before losing in a memorable Final. Their ultimate disappointment was tempered by their NCEL success as they impressively clinched the League Title and gained promotion to the Northern Premier League for the first time.

Team Manager Dave Smith has continued to improve his squad since his appointment in 2018, bringing in some experienced players and also ensuring that he takes advantage of the Club's excellent Junior set-up by promoting some of the outstanding products of Youth Academy.

We also extend a warm welcome to our Match Officials this afternoon. Referee Sam Packer travels from Middlesbrough and he is joined by his Assistant Referees Chris Steadman from the Cleveland area and Dean Whitwell from Saltburn-by-the-Sea.

Today's Match day sponsors are TMP Mobile Motor Parts, of whom we would like to thank for their continued support over the years.

Today's Match day mascot is Dan Scott and we hope he enjoys the experience of leading the teams out today.

If you require any help or information about the Club or our facilities, please do not hesitate to contact any Management Committee Member.

Details of Club sponsorship packages can be found at: <http://www.dunstonutsfc.co.uk/Sponsorship>

Club Merchandise can be purchased or ordered from The Club Shop within the ground.

Let's look forward to a competitive match. Enjoy the game.

# DUNSTON FC

## Club history

The club first saw the light of day in 1975 as a humble works outfit when former Chairman, John Thompson, with some of his colleagues at HMSO on the Team Valley Trading Estate, decided to form a football team. The club joined the Newcastle City Amateur League playing at the Civil Service Sports Ground, Longbenton.

Early success inspired the club to progress and a piece of land was leased from Gateshead M.B.C. and the committee began to develop what is now the UTS Stadium. Hello The club were now gaining much success in the Northern Combination and with aspirations to progress further they approached the Federation Brewery to become the club's main sponsor.

With the Federation Brewery as their main sponsor the club joined the Wearside League in 1987 and after another period of success the club felt a need to seek new opportunities and an application was made to join the prestigious Northern League. The club had now realised one of its main ambitions and entered the National Pyramid of Non-League Football.

In its second season in the Northern League the club won the Second Division and was promoted to the First Division.

Since joining the Northern League the club has won the Second Division, been First Division Champions twice, League Cup winners on five occasions and JR Cleator Cup winners on five occasions. Included in these successes were back to back Northern League doubles in 2003/2004 and 2004/2005. A magnificent achievement.

Season 2007/2008 had seen the club lose the word Brewery from its name as sadly it lost the main sponsor. After a period of 18 years of continuous sponsorship the Federation Brewery was taken over by Scottish and Newcastle Breweries who continued to sponsor the club for a further two seasons and after a period of twenty years the club had lost its main sponsor and had no association with a brewery. In our hour of need two new companies became involved with the club to partially compensate for the loss of our main sponsor.

Dunston Van and Truck Centre became our home shirt sponsor and continue to be some to this day.

At the start of the 2008/2009 season UTS Engineering (Utility Technology Services), became involved by sponsoring the player's travel and training kit and during the close season of 2009/2010 they kindly agreed to become the club's principal sponsor.

The club name was changed from Dunston Federation F.C. to Dunston UTS F.C, the name of the ground was changed to the UTS Stadium and company owner, Mr. Shaun Sadler became Club President.

Arguably one of Dunston UTS FC's greatest achievements came in The FA Vase Final of 2012. In front of a crowd of 5,126 at Wembley Stadium, under the guidance of then Manager Billy Irwin, an Andrew Bulford brace ensured a 2-0 victory over Northern League rivals West Auckland Town.

On the 2nd April 2016 Dunston UTS celebrated their 1000th Northern League game. Prior to kick off on behalf of the club Malcolm James received an engraved plate from Northern League President George Courtney.

Building on the new-found momentum, Dunston continued in the same vein in the following season with a great run in the FA Cup, going out in the final Qualifying Round to National League neighbours Gateshead in front of a record crowd of 2,525 at the UTS Stadium.

The Club finished the 2018/2019 season as convincing Champions of the Northern League First Division, seventeen points ahead of their nearest rivals. Promotion ensued to the Northern Premier N/West Division but FA Regulations dictated that the Club Playing Name must not include any reference to a sponsor so the "UTS" was reluctantly dropped from the Club title before the new season.

Over the years the club has always recognised that success on the field must be coupled with success and hard work off the field and the efforts of the people behind the scenes at the UTS Stadium has ensured that the stadium is a credit to the club. Many of the committee of the club have been involved since it was founded in 1975, some as former players and some as management on

It is a tribute to their commitment and hard work that the club has become one of the most successful in the North East

# PLAYER INTERVIEW

**This week's interview is courtesy of recently returning forward Sado Djalo.**

Sado grabbed nine goals in his first spell for the club earlier in the season, before securing a move to National League North side Blyth Spartans. However, with his starts limited under new Spartans boss Terry Mitchell, Chris Swailes has acted to bring Sado back to the UTS Stadium for the end of season run in.

Sado is a real livewire in the box, and a superb poacher who has been seen on the end of numerous crosses to put in the finishing touches. Very much a team player, he has a superb work rate and can forge chances himself to add another level to his game.

We sat down to discuss his loan move back to the UTS Stadium, as well as the all-important run in between now and May.

***Back from Blyth on an initial one month loan, how much have you enjoyed being back in the Dunston camp?***

I mean 100%, It has been great seeing them all again. They are all amazing people with clean hearts ready to help. The people involved in this club make you feel so good, it's so easy to work with them. They make you feel confident in your ability and are so positive.

***Your return was marked with a 4-0 loss to Liversedge, despite the result it must have been nice to get back into the action?***

As I came off from the bench, I was excited to get on and going again. I can't lie, it was a big loss but if we keep our heads down they will take advantage of that, which I think they did on the day. We know our objectives which has not changed, I've come back to help my team mates and together we will be stronger.

*We have seven games left this season and with nine goals to your name already from earlier in the season you must be looking to add more to your tally?*

Scoring goals is always good but now what we need most is to stick together as a team and work at the same sinfonia. My team mates know how I like to play and where I like to be on the pitch, so any goals I can grab will be a big help to our overall goal.

*The team currently sit ten points outside of the playoffs, what is the mind-set like in the dressing room right now with the opportunity of qualifying for them still possible?*

It's very good, like I said before our responsibility and objectives remain the same. I think everything we are doing and what we have been doing so far deserves some reward at the end of the season, and I think we will fight until the last game to get as many points as we can.

*There's plenty of new faces in the squad since your return, including Michael Fowler, Jude Swailes and Jake Turnbull – do you feel the squad is even stronger now than when you left?*

The squad looks more competitive now, Dunston always have had great players and I think the competition will only improve our performances. It is pushing us to be the best we can which will hopefully lead to better performances as a collective on the pitch.

*What would your message be to the fans with seven games to go and still all to play for?*

Our fans are amazing, they know that and we are so glad to have them with us home and away. We've seven games to go until the end and your support is more than welcome. Together we will work to provide results on the pitch to reward you all. **VAMOS DUNSTON UTS FC!**

## ***Leading Dunston out at The UTS Stadium against Cleethorpes Town today as Mascot will be Dan Scott...***

Dan has been on a miraculous personal journey. Through his own determination and effort, along with the encouragement and support from a close knit group of mates, he has transformed his life.

Suffering from depression during the first lockdown and weighing 37 stone at the time, he has managed to reduce his weight significantly to just shy of 24 stone, which is a remarkable achievement in such a short space of time.

### ***You'll be mascot for the Cleethorpes Town game, what are your thoughts ahead of the game.***

I'm excited! We've lost 2 games in a row obviously and hopefully the lads can bounce back and put on a performance like they did against Stockton. Either way it should be a good game.

### ***How did you end up as mascot?***

We have a close knit Fantasy Premier League WhatsApp group and the guys at the bottom had to perform a forfeit. Each season it's been different and this year mine was to be a mascot at a football game. So here we are!

### ***You've achieved a remarkable personal weight loss plan, what inspired you to go on that journey?***

I mean first and foremost was the lads. In May 2020 we were about 6 weeks into lockdown. My mental health was probably the worst it's ever been and I reached out to the group chat. The response I got, especially from my friend Sam, was 'You're extremely fat, sort it out'.

Honestly felt a bit rude... but after some constructive talks and motivation, I actually started walking and even photographing all my meals to send to the chat. I think with no football and everyone locked at home people got completely behind me and wouldn't give me a day to even fall back on myself. And yeah, the mental health really did follow with that.

### ***How has it transformed your life and what are you now able to achieve as a result of your weight loss?***

My life couldn't be more different.

The first walk I went on was around the block. It took me about 40 mins to walk half a km. I was sitting on the pavement every 50m maybe my back hurt so much. It's hard to describe how bad it was.

Now it's just not even fathomable how different life is. I'm still quite big but the difference in my happiness, and just day to day existence is crazy. I actually feel like I have a life worth living. And have started to achieve things I never really thought I would. The biggest one had been getting my driving licence a couple weeks ago. 2 years ago I couldn't even fit behind the wheel to try and learn.

Just wanted to say a massive thankyou to the lads. I know I'm being the butt of a joke tomorrow but without the fantasy football group and the close friends I have from it. I maybe would've have made it through lockdowns and I 100% wouldn't be the size I am today.

So, thank you Archie, Ben, David, Brennan, Falcus, James, Samj, Colin, Jeff, Lee, Huzz, Simmy, Sean, Chris and Irish.

Top guys and better friends.

The Daniel Wilkinson Foundation is a charity set up in memory of Daniel Wilkinson who died in 2016 aged 24, while playing the game he loved, from an underlying heart condition called Arrhythmogenic Right Ventricular Cardiomyopathy (ARVC).

Dan played football from an early age and joined Hull City AFC when he was 10, earning a professional contract aged 18. Loughborough University followed where he completed a degree in Accounting and Financial Management while playing non-league football. He was an athlete who enjoyed the gym and took his health and nutrition very seriously. He lived life to the full and had so much ahead of him.

Other than feeling light-headed on a few occasions in the month before he died, he had no symptoms!

## SUDDEN CARDIAC DEATH IN THE YOUNG (SCD)

- SCD is the leading cause of death in young athletes during sport and the majority of deaths occur with NO SYMPTOMS or family history.
- ARVC can be found in one in every 1,000 to 5,000 young adults - IF IT IS LOOKED FOR.
- Warning signs may include light-headedness, fainting, palpitations, swollen legs, breathlessness.
- Every week in the UK, 12 apparently fit and healthy young people (aged 35 and under) die from previously undiagnosed heart conditions.
- In Italy, where screening is mandatory for all young people engaged in organised sport, they have reduced the incidence of young sudden cardiac death by 89%.

## OUR MISSION

The Daniel Wilkinson Foundation has been set up to raise awareness of SCD and to provide funding towards heart screening, defibrillators and CPR/defibrillator training primarily for grass-roots sporting teams.

Tragedies can be prevented through cardiac screening. It is vital that young people are identified and treated.

In this interview we speak to Dunston UTS FC's long serving and well respected Club Chairman **Mr Malcolm James**, as he gives his thoughts on the season, how he became involved with the club all those decades ago and how the club is progressing both on and off the pitch.

### **How did you first become involved with the club?**

I had moved away with my work and when I returned back to Whickham a club called Whickham Sports had been founded and was based at the Bay Horse in Whickham. I knew a few of the lads who had founded the club and a few of the players. I was asked if I would like to join the committee and I had no hesitation. The whole club was built around a great set of lads and the place to be on a Sunday night was the Bay Horse.

### **How did you become Chairman?**

As the club progressed there was a lot of graft to be done and John Thompson, who was Chairman at the time, was heavily involved. All his time was being taken up improving the pitch and the stadium facilities. He asked me if I would take on the Chairman's role. I sought advice from Club President Norman Rippon and experienced committee member Terry Wood and decided to give it a go.

**That was way back in 1995, 27 years of outstanding service later and you're still at it.**

**What's it like to be the Chairman of such a well-respected non-league football club?**

It is an honour to have held the position for so long. I have had many proud moments and feel enormous pride, as I am sure the rest of our officials do when the club which they have built is often spoken about in glowing terms. However I and a few others are almost reaching the end of our stint. It would be a massive boost on the non-playing side if we could attract a few younger volunteers to maintain the momentum of the club.

**As you touch on, a lot of the Committee involved at Dunston have been involved with the club since the very start of its inception.**

**Looking back to when you first joined the club, did you ever envisage the club would be where it is today?**

It was always the ambition of the Club to get into the prestigious Northern League. When we acquired the sponsorship from the Federation Brewery we were in the Northern Combination. The vision was built from then to get into the Northern League.

Money was spent improving facilities to gain entry through the ground grading. It is fair to say that the players who brought us through that era appreciated our dreams and went along with it. Money was secondary. We had players who could have quite easily have played in the Northern League and that includes some lads who are still with us now on the committee.

**The Club is now in its 3rd season as a Step 4 club. However 2 of the 3 seasons have been curtailed or deemed null and void.**

**The running costs obviously increase the higher up the leagues clubs go. With the negative financial impact resulting from Covid, how difficult has it been to keep the club in a position where it can be challenging and continuing to progress?**

We knew the step up would be a big move in terms of finance. Travelling to the North West was obviously far more costly than in the Northern League and sometimes players were away 8 or 9 hours, so obviously playing expenses increased. Then along came Covid and certain fund raising activities were curtailed. However we still received tremendous support from our loyal sponsors. We had two seasons affected by Covid but they retained their support. None more so than our main club sponsor Mr Shaun Sadler of UTS Engineering. Shaun came to our aid in 2009/10 season after the Federation Brewery had been taken over by S&N and it is through his ongoing support we are where we are today.

Shaun still affectionately refers to us as "The Fed". Thanks to his support and the support of other great sponsors and friends, we can still afford to look forward to progress on the field and enjoy the stadium improvements we have made in recent times.

**It could be fair to say that this season has been one of peaks and troughs on the playing side, but there has been a lot of positives, certainly the teams form after the turn of the year. What are your own thoughts on how the season has gone?**

When you looked at some of our performances it was difficult to understand some games that we lost. I know in this league you can say anyone can beat anyone. That's probably true in the vast majority of cases but that does ring true in many games we have lost with the players we have in the squad.

We have lost to teams who are firmly entrenched at the bottom of the league and in my mind they are games we should have won. The positives of the season are that we are going to complete a full season in a league where most teams were foreign to us and we will finish in a relatively high position. However I must say that I am disappointed that it is highly likely that we will not have made the play-offs.

**If you consider how the club are progressing off the pitch, ground improvements, increases in attendances, greater exposure etc, there's a lot to be optimistic about in the coming seasons. What would you like to see to help push the club further forward?**

Recent years have seen some new personnel join the club who have done a great job in areas which we could say had been neglected, i.e. media exposure, ground improvements, merchandising. They have worked tremendously hard to upgrade the image of the Club and that is what we need. New young vibrant people who want to be part of a go ahead club.

Attendances have improved but we need more people through the gate. It's difficult with Newcastle United being vibrant and with Gateshead FC deservedly doing so well.

**This season will end with us celebrating the 10<sup>th</sup> year anniversary of Dunston UTS FC's famous FA Vase Final victory. Like everyone involved with the club, you must be looking forward to the day.**

Our last game of the 2021/22 season will take place on Saturday 21st May and what an occasion it should be. To celebrate the 10th anniversary of our F.A. Vase success at Wembley we will be entertaining our friends from Whitley Bay who achieved fantastic success in the same competition winning no fewer than four times including a hat trick of wins 2008/2009, 2009/2010, 2010/2011. A fantastic achievement.

It will certainly be a memorable day for both but speaking for Dunston it will be a weekend never to be forgotten. The team bus left on the Friday, we trained at Arsenal training ground on the Saturday won at Wembley on the Sunday and returned home on Monday. It was an experience never to be forgotten with a fantastic bunch of people including our supporters. Run for Home by Lindisfarne was belted out on the terraces and on the streets of Boreham Wood. Please come along and support the day which not only includes the match but after match entertainment. Also not forgetting that all proceeds from the gate will be donated to St Oswald's Charity.

# CLEETHORPES TOWN FC - CLUB HISTORY

2020/21 was another frustrating season for the non-league game!

However, despite the curtailment, improvements have been put in place both on and off the field. As well as the summer signings, there is now additional seating, enhanced covered area for wheelchair users, a tea bar and a new merchandise cabin at the Myenergi Stadium.

Looking back to the “null & void” 2019/20 season, the Owls swooped to a memorable triumph in the Lincolnshire Senior Cup, beating Boston United 1-0 at Lincoln City FC. This secured back-to-back wins in the competition, a significant achievement for a step 4 side.

Cleethorpes Town has certainly come a long way in its relatively short history.

Initially formed in 1998 as Lincolnshire Soccer School, it was the brainchild of former Grimsby Town player Tommy Watson. The team was an immediate success, with both boys and girls across every age group ensuring that the club began to grow quickly.

Less than two decades ago (in 2003), a flagship senior team was established. In the Owls’ first season in the Lincolnshire League, a creditable fourth place finish was secured.

After being rebranded as Cleethorpes Town, the club has developed into an important community asset. Over 35 teams, competing at every level of local and regional football, represent Clee, making the Owls one of the largest providers of sport in the area.

The excellent array of teams and high-quality coaching saw the club awarded the Football Association Charter Standard Community Club status, which underlines the commitment to provide an exceptional product, alongside all-important exercise & enjoyment for youngsters.

This development and evolution have, of course, been spearheaded by the first team. With the arrival of a new manager, the club finished third in Lincolnshire League in 2011. Silverware was secured as well, by defeating Heckington United in the Supplementary Cup final at Sincil Bank.

New heights were scaled the following year, with Clee securing a “double”, becoming Champions of the Lincolnshire League and holding aloft the Challenge Cup. This success saw the club accepted into the Northern Counties East League (NCEL).

Our first season in the NCEL saw us finish fourth in Division One table, with some impressive victories along the way, and was generally a period of consolidation

2013/14 began with a change of management and Marcus Newell appointed. This proved to be the catalyst for a great period in our history.

A long unbeaten streak meant the Owls were top of the league at Christmas. However, a slow start to the New Year left a difficult task. Nevertheless, with the pressure at its highest, Clee surged through the pack to clinch the title with a game to spare

Life in the NCEL Premier Division saw a significant rise in the level of opposition teams. However, after a fine run in FA Cup (defeating Gresley and Carlton Town), Clee adapted well to their elevation – finishing 4th and reaching the final of the League Cup.

The campaign concluded with a trophy in July 2015! Representing the Northern Counties East League in the Toolstation Cup in Bristol, where the team encountered Willand Rovers. A nine-goal thriller ensued, with the Owls edging it 5-4.

After a slow start, season 2015/16 then prompted a tremendous vein of form. The Owls finished third, reached the last 16 of the FA Vase and won an exhilarating League Cup final at Garforth Town FC – defeating rivals Tadcaster Albion 3-2.

Hopes were high amongst the faithful in August 2016, not many though could have predicted the scale of success that unfolded!

The field in the NCEL Premier Division was left trailing in Clee's wake. A brand of exciting, attacking football was served up week after week. The title was secured at Athersley Recreation and the Owls smashed records – 108 points, +99 goal difference and a staggering 144 goals. As well as this, Deeping Rangers were beaten 1-0 in the final of the Lincolnshire Senior Trophy at Sincil Bank to snaffle another trophy.

Perhaps the real story of 2016/17 (and certainly the icing on the cake!) was a trip to Wembley! Trailing 1-0 at Emley in the opening tie with less than 10 minutes remaining, the "arch" seemed a remote prospect. However, in a typical never-say-die performance, two strikes turned it round in Clee's favour.

Bootle, Billingham Town and Atherton Collieries were all beaten, and a quarter-final in the capital awaited. A carnival atmosphere amongst the travelling Owls ensured the team rose to the occasion, an emphatic 5-2 win over Southall followed – the dream was very much alive!

A two-legged semi-final against Bromsgrove Sporting came out the hat. The first-leg in Worcestershire was watched by over 3,300 spectators. Cheered on by a partisan support, Sporting opened the scoring and the Owls had to dig deep in the second period to grab a priceless equaliser.

The return at Bradley Community Stadium had just under 1,200 people packed inside to see Clee gain a first minute lead. As time wore on, and with excitement at fever-pitch, the Owls defended resolutely to win 2-1 on aggregate. Wild scenes of celebration followed, as the enormity of reaching a national final sank in.

The showpiece at Wembley, with around 5,000 or so travelling from NE Lincolnshire, resulted in a 4-0 verdict for South Shields. That is the bare facts – however, everyone connected with the Owls still had a great time! A culmination of a lot of hard work had borne fruit.

The honeymoon from Wembley continued in the Northern Premier League. Seven straight wins seemed to make back-to-back promotions a distinct possibility. However, an administrative error meant a hefty points deduction and this, coupled with a dip in form, saw the Owls finish an honourable tenth in the 2017/18 campaign.

Despite a best ever run in the FA Cup, the Owls languished at the bottom of the table in October 2018. This led to a change in the hot-seat, and incoming Dave Smith oversaw an upsurge in fortunes. A consistent set of results almost secured a play-off, which was frustratingly denied in April

The last two seasons have both fallen foul to COVID restrictions. Clee sat third, and certain of a real tilt at promotion, when stumps were drawn by the authorities in March 2020. A delayed 2020/21 never really got into full flow, before the "second-wave" of Coronavirus swamped the Trident Leagues.

Now fully respected as a regular Northern Premier League outfit, Clee approach the future full of confidence and gunning for more glory. As well as this aim, the club will never lose sight of its foundations. The Board intends to continue to plot a course that benefits the whole community.

## CLEETHORPES TOWN - SQUAD

**Dave Smith (Manager)** A calm presence in the technical area, Dave is now approaching the third anniversary of his appointment. Highlights of his reign include back-to-back Lincolnshire Senior Cup wins and a sustained promotion push in the "null & void" 2019/20 season.

**Josh Batty (striker)** Universally popular amongst the fans, 'Batman' returns to the Owls after a spell in the Northern Counties East League with Barton Town. An all-action forward, Josh can be relied upon to contribute some important goals.

**Matt Bloomer (defender)** Currently in the veteran stage, Matt has enjoyed a terrific career, most notably at Grimsby Town and Harrogate Town. If called upon from the substitutes' bench, our assistant manager will put his experience to good use.

**Alfie Boswell (striker)** Still short of his 18th birthday, Alfie has earned a well-deserved elevation to the senior squad following some impressive displays in the junior ranks. The youngster will be hopeful of gaining some minutes in the Northern Premier League.

**Brandon Buckley (midfielder)** Brandon started his career with Grimsby Town. The silky-skilled midfield man is certain to make his presence felt. 2021/22 promises to be exciting season for Bucko, and his signing could be an important one.

**Jordon Cooke (defender)** Having completed a summer transfer from Stamford, Jordon can expect to continue his successful spell in the Northern Premier League. A commanding figure, the versatile central defender can also operate at full-back.

**Liam Dickens (midfielder)** Liam is a combative midfielder who has battled back superbly from serious injury to regain his place in the first-team squad. A fierce competitor, Dicko will be looking forward to being a key member of the "engine-room".

**Oli Donald (defender)** Oli has now fully established himself as a key player in the defensive unit and has also scored some memorable goals. An athletic player, who is dominant in the air, Oli will be looking to continue with his excellent progress.

**Alex Flett (midfielder)** Alex is rightly considered a club legend and has been a virtual ever-present during our rise through the pyramid. With his trademark tackling, 'Fletty', who commands respect from teammates and opponents alike, is certain to be seen leading with 100% commitment.

**Luke Lofts (midfielder)** The management group was delighted to capture Luke from Gainsborough Trinity, where he experienced a fruitful period. A real danger going forward, defences will certainly have their hands full to contain Luke's pace.

**Tim Lowe (defender)** Tim has contributed tremendously to the team's success in recent years and remains an influential figure. A fine reader of the game, Tim is very mobile and can provide superb overlapping when the opportunity arises.

**Harry Middleton (midfielder)** Harry has been a confident presence in the Owls' midfield. A quality player, both on and off the ball, 'H' will prove a menace for opponents with his excellent vision.

**Tom Nicholson (goalkeeper)** Tom heads to the coast, having most recently been at divisional rivals Frickley Athletic. Dominant in the penalty box, the keeper's early displays for the Owls have been impressive and Tom can look forward to a successful nine months.

**Jon Oglesby (winger)** Jon is a rapid winger who can terrorise opposing full-backs. His ability to beat a man and cross into the danger zone has resulted in many goals. Not just a provider, 'Jonboy' has also netted some very memorable strikes.

**Andy Pettinger (goalkeeper)** Andy joins us as coach but will also act as back-up stopper for the campaign. If called into the action, the Owls' faithful can be confident that we are in safe hands, with Andy's CV including Everton and Grimsby Town.

**Brody Robertson (striker)** Brody has been instrumental in the Owls' promotions in the last decade. A proven goal-scorer, the striker will be looking to rediscover his golden touch and establish himself as one of the NPL's leading marksman.

**Sam Topliss (defender)** Sam enjoyed fine campaigns in the last two seasons. Operating at either fullback position and a tough tackler, 'Topp'o looks comfortable on the ball and likes to get forward when possible.

**Josh Venney (midfielder)** Josh joined us from Grimsby Borough, having gained a strong reputation in the Northern Counties East League. His performances in the shortened 2020/21 season were full of promise and Josh is already a fans' favourite.

**Scott Vernon (striker)** Scott has an impressive pedigree, with spells in both the English League and Scottish top-flight at Aberdeen. His goal-scoring record has been superb in his three seasons with the Owls. One of the top strikers in the NPL, 'Verns' looks certain to be amongst the goals again!

**Paul Walker (defender)** Paul is an accomplished defender. The versatile player is quick and also a danger in the opposing box. Now into his fourth season with the Owls, 'Walks' will be looking to further enhance his established reputation in the Northern Premier League.

**Caine Winfarrah (midfielder)** Caine returned to the Owls shortly before the early curtailment of the 2019/20 season. A combative midfielder with an eye for goal, who never shirks a tackle or challenge, Caine is developing into an accomplished performer in the Northern Premier League.

We look back on the last time today's two sides both met, playing out a score draw at the Myenergi Stadium back in February

Dunston UTS FC travelled to Cleethorpes Town for a Pitching-In Northern Premier League East Division fixture.

The two sides had shown impressive form since the turn of the year, with the home side unbeaten in 2022, whilst Dunston's only loss of 2022 coming away to Lincoln United last weekend.

The visitors started the day in 7th place and a win against a 3rd placed Cleethorpes Town was a must, as well as hoping that sides above them dropped points, if Chris

Swailes' side were to catch ground on the teams above them and somehow force their way into the play-offs.

Although Dunston are currently 10 points off the final play-off place, they do have a game in hand, and as Assistant Manager Jon McDonald mentioned in last weekend's programme notes, there is likely to be more twists and turns before the season ends.

Cleethorpes named recent signing Curt Morrison as a substitute, the former Chesterfield forward having joined from Gainsborough Trinity.

Dunston were without Terry Galbraith and Phil Turnbull, Jude Swailes returned to the starting XI, with Jake Turnbull starting from the bench and Dan O'Reilly named as a sub, having recently joined the club.

In difficult conditions and with a strong wind to contend with, the opening 20 minutes saw little in the way of clear cut chances for either side.

On 20 minutes Cleethorpes Town's Luke Lofts linked up with Brody Robertson, the pair playing a quick one two, only for the move lack the incisive finish. Dunston could've taken the lead on 28, a well worked move ended as Richard Coulson fired his shot over the bar.

The lively looking Lofts headed narrowly wide for the home side following a slick passage of play for the hosts. In a competitive first half of few chances, the two sides went into the break level as the game remained goalless.

The Owls had the woodwork to thank on 53 minutes as Liam Thear crashed his effort off the bar.

10 minutes later, an in-form Richard Coulson put Dunston into the lead, finishing superbly from a Michael Fowler assist.

The final 10 minutes of play saw a flurry of cautions, both Jude Swailes and Cleethorpes' Tim Lowe finding themselves in the book whilst Jake Stafford was somehow cautioned, having received a blow to the face from an opponent.

Despite the home side's best efforts to try and find an equaliser, they had been unable to carve out any threats of note against an indomitable Dunston defence. Alas 3 minutes into injury time, in what was their first effort on target, the home side denied Dunston a much needed win, as substitute Snelgrove fired an unstoppable shot beyond Connell to rescue a point.
