WELCOME

We would like to extend a very warm welcome to everyone in attendance at the UTS Stadium this evening for this PITCHING-IN Northern Premier League East Division game.

Our opponents for this rare mid-week home game are PICKERING TOWN FC who arrive at the UTS Stadium after their tricky journey from North Yorkshire. The actual mileage between our two grounds isn't that high, but the route includes the notorious Sutton Bank and a very awkward section across the North Yorkshire Moors.

Dunston FC will be keen to continue their recent improved form but will have to be at their best to overcome a spirited Pickering Town FC side who can be at their most dangerous when underestimated. Their Team Management of Steve Roberts and the very experienced Tony Hackworth have assembled a versatile and competitive playing squad that includes several loanees from the likes of Scarborough, Middlesbrough and Leeds United.

Dunston were on the end of a shock result when we visited Pickering in mid-December. "The Pikes" came out with all guns blazing to grab a stunning four-goal lead by half-time as they used their knowledge of the sloping pitch to good advantage. A shell-shocked Dunston side attempted to get back into the game in the second-half but despite a Terry Galbraith penalty and a Scott Heslop goal, a determined home side hung on for a deserved victory. A solid defence and some fine goal-keeping by Leigh Overton ensured that Dunston made a very unhappy trip back to Tyneside.

We also extend a warm welcome to our Match Officials this evening. Referee Graeme Hopper travels from Gateshead and he is joined by his Assistant Referees Matthew Davidson from South Shields and David Carr from West Allotment, North Tyneside.

We would also like to thank EWS (Elite Work Surface Specialists) Ltd who are today's match day sponsors. We hope you enjoy the occasion.

Let's all remember the Covid-19 Guidance. Keep a safe distance from each other so that we can ensure the safety of everyone.

Supporters old and new are very well appreciated and we hope you enjoy your visit to the UTS Stadium this evening. If you require any help or information about the Club and facilities, please do not hesitate to contact any Management Committee Member. Details of Part-Season Tickets, Executive Package, Club Merchandise, Concessions and Sponsorship Opportunities can be obtained from any Club Official or at the Club Office.

Let's look forward to a competitive match. Enjoy the game.

DUNSTON FC

Club history

The club first saw the light of day in 1975 as a humble works outfit when former Chairman, John Thompson, with some of his colleagues at HMSO on the Team Valley Trading Estate, decided to form a football team. The club joined the Newcastle City Amateur League playing at the Civil Service Sports Ground, Longbenton.

Early success inspired the club to progress and a piece of land was leased from Gateshead M.B.C. and the committee began to develop what is now the UTS Stadium. Hello The club were now gaining much success in the Northern Combination and with aspirations to progress further they approached the Federation Brewery to become the club's main sponsor.

With the Federation Brewery as their main sponsor the club joined the Wearside League in 1987 and after another period of success the club felt a need to seek new opportunities and an application was made to join the prestigious Northern League. The club had now realised one of its main ambitions and entered the National Pyramid of Non-League Football.

In its second season in the Northern League the club won the Second Division and was promoted to the First Division.

Since joining the Northern League the club has won the Second Division, been First Division Champions twice, League Cup winners on five occasions and JR Cleator Cup winners on five occasions. Included in these successes were back to back Northern League doubles in 2003/2004 and 2004/2005. A magnificent achievement.

Season 2007/2008 had seen the club lose the word Brewery from its name as sadly it lost the main sponsor. After a period of 18 years of continuous sponsorship the Federation Brewery was taken over by Scottish and Newcastle Breweries who continued to sponsor the club for a further two seasons and after a period of twenty years the club had lost its main sponsor and had no association with a brewery. In our hour of need two new companies became involved with the club to partially compensate for the loss of our main sponsor.

Dunston Van and Truck Centre became our home shirt sponsor and continue to be some to this day.

At the start of the 2008/2009 season UTS Engineering (Utility Technology Services), became involved by sponsoring the player's travel and training kit and during the close season of 2009/2010 they kindly agreed to become the club's principal sponsor.

The club name was changed from Dunston Federation F.C. to Dunston UTS F.C, the name of the ground was changed to the UTS Stadium and company owner, Mr. Shaun Sadler became Club President.

Arguably one of Dunston UTS FC's greatest achievements came in The FA Vase Final of 2012. In front of a crowd of 5,126 at Wembley Stadium, under the guidance of then Manager Billy Irwin, an Andrew Bulford brace ensured a 2-0 victory over Northern League rivals West Auckland Town.

On the 2nd April 2016 Dunston UTS celebrated their 1000th Northern League game. Prior to kick off on behalf of the club Malcolm James received an engraved plate from Northern League President George Courtney.

Building on the new-found momentum, Dunston continued in the same vein in the following season with a great run in the FA Cup, going out in the final Qualifying Round to National League neighbours Gateshead in front of a record crowd of 2,525 at the UTS Stadium.

The Club finished the 2018/2019 season as convincing Champions of the Northern League First Division, seventeen points ahead of their nearest rivals. Promotion ensued to the Northern Premier N/West Division but FA Regulations dictated that the Club Playing Name must not include any reference to a sponsor so the "UTS" was reluctantly dropped from the Club title before the new season.

Over the years the club has always recognised that success on the field must be coupled with success and hard work off the field and the efforts of the people behind the scenes at the UTS Stadium has ensured that the stadium is a credit to the club. Many of the committee of the club have been involved since it was founded in 1975, some as former players and some as management on

It is a tribute to their commitment and hard work that the club has become one of the most successful in the North East

Dunston UTS FC's Assistant Manager Jon McDonald provides his thoughts on last weekend's result and looks ahead to the remainder of the season

Our performance was good but we are obviously really disappointed with the result on Saturday, in a game where we really thought we did enough to win. We scored 2 well worked goals and got into the final third more than enough times to win comfortably in my opinion. We lacked a cutting edge on the day, and our decision making in key moments let us down.

However, we also must take responsibility for the goals that we conceded. We can't expect to win any game of football, when we concede sloppy goals like that, Lincoln didn't have to earn their goals, we gifted them.

What makes it more frustrating is that we had only conceded 1 goal in 4 games against sides who are near the top end of the division. We know we are a match for any team in this league, but we must be able to concentrate, consistently, every week for the full game.

We have 12 games to play, and as a group we will be doing everything to win every single game, and let's see where that takes us. I'm certain there will be more twists and turns before the end of the season.

Jake Stafford hits a Century as the popular midfielder marks his 100th appearance for Dunston UTS FC.

Jake Stafford marked his 100th appearance for Dunston UTS FC in last Saturday's game away to Lincoln United.

Since signing for Dunston from Consett back in August 2017, Jake has gone on to lift the Northern League Cup in 2017/18 and The Northern League title in the 2018/19 season.

Returning briefly to Consett, as Dunston moved up to The Northern Premier League, supporters were delighted when he re-joined in 2019. A solid, hardworking and dependable player, Jake has rightly earned the respect of fans, his teammates and the Club Committee alike.

Dunston UTS FC Manager Chris Swailes remarked

"Jake has been great for the Club, he's scored some important goals for us, he has great energy and more importantly he is a great lad"

Speaking to the midfielder following his century of appearances

"It's been an honour to make 100 appearances for Dunston, I have had my best football playing years here, winning both The Northern League Cup and The Northern League title".

"I hope I can win more trophies with the club and make even more appearances".

Dunston UTS FC Chairman Malcolm James

"Jake joined Dunston for the 2017/18 season and played a major role in our title winning side of 2018/19. Jake left for the 2019/20 season as he could not commit to the travelling in the NPL League. However we were able to welcome him back when his work commitments were resolved".

"His service and commitment to the club have been exemplary and his award for 100 games is fully deserved".

Jake will be presented with a trophy to mark his 100th appearance for the club ahead of our game at home to Stockton Town on Saturday the 19th of February.

We would like encourage as many supporters as possible to join us as mark what is a superb achievement

Everyone involved with Dunston UTS FC would like to congratulate Jake for his outstanding contribution to the club over recent seasons.

Dunston UTS FC Legend Andrew Bulford announces his retirement from the game.

After an outstanding career in North East non-league football, Andrew “Bully” Bulford has decided to hang up his boots.

Bully will be best remembered for his time at Dunston UTS FC, where he established himself as one of the most feared strikers in The Northern League.

Having joined the club in June 2008 from Ryton and Crawcrook Albion, the forward would go on to amass a staggering 221 goals in all competitions for the club across an 8 season spell. He finished as the clubs leading scorer 5 seasons running and won Player’s Player of the Season in the 2010/11 season.

To this day he remains as the clubs all-time highest goal-scorer and will best remembered for his FA Vase goal-scoring heroics during the 2011/12 season.

During Dunston’s FA Vase winning season he scored in every game of every round, the highlight of which came at Wembley Stadium, with Bully scoring both goals in a man of the match performance, as Dunston overcame Northern League rivals West Auckland Town in a famous and unforgettable 2-0 win.

Bully would eventually leave The UTS Stadium to join South Shields in September 2015, from there he would go on to join Ashington, before eventually moving to Whickham FC where his goal-scoring prowess was key to “The Lang Jacks” promotion to The Northern League 1st Division in the 2017/18 season.

He would later enjoy spells at Newcastle Blue Star and Burradon and New Fordley in The Northern Alliance.

Everyone at Dunston UTS FC would like to wish Bully a happy retirement, as he draws a halt to his playing days knowing that he will forever be regarded as a genuine Dunston UTS FC Legend.

The Daniel Wilkinson Foundation is a charity set up in memory of Daniel Wilkinson who died in 2016 aged 24, while playing the game he loved, from an underlying heart condition called Arrhythmogenic Right Ventricular Cardiomyopathy (ARVC).

Dan played football from an early age and joined Hull City AFC when he was 10, earning a professional contract aged 18. Loughborough University followed where he completed a degree in Accounting and Financial Management while playing non-league football. He was an athlete who enjoyed the gym and took his health and nutrition very seriously. He lived life to the full and had so much ahead of him.

Other than feeling light-headed on a few occasions in the month before he died, he had no symptoms!

SUDDEN CARDIAC DEATH IN THE YOUNG (SCD)

- SCD is the leading cause of death in young athletes during sport and the majority of deaths occur with NO SYMPTOMS or family history.
- ARVC can be found in one in every 1,000 to 5,000 young adults - IF IT IS LOOKED FOR.
- Warning signs may include light-headedness, fainting, palpitations, swollen legs, breathlessness.
- Every week in the UK, 12 apparently fit and healthy young people (aged 35 and under) die from previously undiagnosed heart conditions.
- In Italy, where screening is mandatory for all young people engaged in organised sport, they have reduced the incidence of young sudden cardiac death by 89%.

OUR MISSION

The Daniel Wilkinson Foundation has been set up to raise awareness of SCD and to provide funding towards heart screening, defibrillators and CPR/defibrillator training primarily for grass-roots sporting teams.

Tragedies can be prevented through cardiac screening. It is vital that young people are identified and treated.

DUNSTON UTS FC

Pickering Town CFC – Club History

Pickering Town Football Club were first established in 1888, for many years the club competed in the local football leagues. One of the local leagues they competed in was the York Football League which they joined Division Two, in 1953–54. They were promoted to the league's top division after only one season.

In the early 1950s, the York League was heavily contended between York Railway Institute, Market Weighton and Pickering Town. Indeed, these were the teams in the top three when Pickering Town first won the York League in 1955–56.

The club dropped in form for the rest of the decade in comparison (although they did always finish in the top eight). During the 1959–60 season, they finished as league runners-up to Dringhouses.

Yorkshire and Northern Counties Leagues

Pickering eventually joining the Yorkshire Football League Division Three in 1972. They started well in the league, and during their second season were promoted to Division Two as champions. Pickering Town finished as runners-up to Bridlington Town in the 1974–75 season and thus were promoted to the top division of the Yorkshire League.

They dropped in form a couple of seasons later, getting relegated in two successive seasons. For the rest of the decade Pickering lingered around the mid parts of the Yorkshire League Division Three. In 1982 they became founding members of the Northern Counties East Football League and were in the NCEL Premier Division from 1992. It was around this time that the club first entered the FA Challenge Cup, they knocked out Penrith before losing to North Yorkshire rivals, Northallerton Town in the next round.

A few seasons later in 1996–97, they knocked out Pontefract Collieries 2–1 in the competition, but lost to Bishop Auckland in the next round. In terms of the draw, the club has had very bad luck in the competition, as every time they reached the 1st Qualifying Round, they were forced to play away from home. In 1999 Pickering were relegated to the NCEL First Division. This was to last only two seasons and promotion back to the Premier Division came in 2001.

Jimmy Reid transformation

The club underwent a great transformation with manager Jimmy Reid and his assistant Steve Brown in charge. Reid was a former player with St Johnstone and York City and Brown a former "Pikes" player and coach at the Leeds United Academy. At the end of 2001–02 season Jimmy Reid left the club and Steve Brown took control.

At the start of the 2002–03 season 5 first team regulars were lost for a variety of reasons which left the club struggling for much of the season. The hard work and dedication of Brown, his management team and the players was rewarded towards the end of the season as it all started to come together and with only 4 defeats in the last 15 league games the club finished the season in 13th position.

2003–04 season was an exciting one for the club as they were in the top half of the league table all season and for much of it, with games in hand, looked possible championship contenders. However, with a glut of fixtures, and possibly with the knowledge that promotion to the re-structured Northern Premier League was not an option due to ground grading, at the season's end the club were not able to capitalise and finished in a creditable 5th position.

Early into the season 2004–05 owing to ever increasing business commitments Steve Brown stepped down as Manager to be replaced by ex-Ipswich Town and United striker Alex Mathie, veteran of over 200 league games and 20 years as a professional. After much ground improvement work in recent years, including the erection of floodlights, a new 120 seater stand, covered standing accommodation and more recently an additional 100-seater stand behind the "scoreboard end" goal, the club now possess one of the best grounds in the league.

Recent events

In the 2005–06 season the club reached the quarter finals of the FA Vase the furthest in the club's history. The team eventually lost out to Nantwich Town.

After an encouraging start in the 2006–07 season, results took a turn for the worse over the winter period, and a run of one win in eleven games led to the resignation of Mathie as manager on 6 January 2007. Within a week, the board announced they had appointed ex-Pickering player and Mathie's assistant Mark Wood as the new manager.

The 2007–08 season saw the club finish in third in the NCEL Premier Division, their highest league position in over a decade. Off the pitch the club saw significant change and Pickering applied for promotion to the Northern Premier League. The club erected a removable fence for the cricket pitch side and improved the existing exterior toilet facilities. Ground development has continued with the club resurfacing and floodlighting the car parking facilities, adding new goals, corner flags and dugouts and improving the drainage of the pitch.

Mark Wood stepped down as manager early in the 2010–11 season and he was replaced by Scarborough FC legend Mitch Cook. Cook oversaw a change in philosophy mainly focussed on youth and passing football. This approach had mixed success, but the club eventually finished in a very respectable 7th. Cook resigned just before the end of the season to take up the vacant managerial role at rivals Bridlington Town taking with him much of the playing squad.

Following Cook's resignation the club invited applications and eventually offered the job to former York City player and coach Peter Vasey.

They reached the Second Round Qualifying of the FA Cup 3 times (1999–00, 2001–02 and 2003–04).

On 30 April 2013, the club won the North Riding Senior Cup for the first time in their history following a 3–0 win over Marske United. The goals were scored by Liam Shepherd, Liam Salt and Joe Danby in the second half. The game was played at the headquarters of the North Riding County FA in Stokesley in front of 439 spectators.

Paul Marshall era

In the summer of 2015, Paul Marshall left the manager's job at Tadcaster Albion and was swiftly appointed as manager of Pickering Town. Denny Ingram joined him as a player and assistant manager. Pickering finished sixth in the first season under Marshall and second in 2017, behind only champions Cleethorpes Town. They reached the final of the North Riding Senior Cup in 2017, losing 3–1 to Whitby Town in the final at Middlesbrough's Riverside Stadium.

The 2017/18 season saw Pikes again finish runners up, but this time promotion was secured and as a result entry to Step 4 football for the first time in our history. 96 points and 127 goals along the way, but it was a nervy last 5 days as 5 points were needed to automatically go up from the last 3 games, a 0-0 draw at Staveley on the Monday a 1-1 draw at Barton on the Thursday meant we had to win on the last day at Hall Road, Joe Dandy put Pikes ahead in the second half but the home side equalised with 15 mins to go, an agonising last ten minutes were facing us until Casey Stewart making only his second start headed us to victory with 9 mins left.

Marshall's reign at Pickering lasted until March 2019, when the club needed a change in fortune after the season hadn't gone to plan. Denny Ingram stepped into the role for the last 13 games and secured enough point to fend off relegation.

Season 2019/20 to present

Denny's second season started badly and by the turn of the year it was clear that relegation was looming. Having spent several seasons as Scarborough Assistant Manager Steve Roberts was looking for a new challenge and the Board were convinced to offer him that chance. Despite some significant progress we were still struggling and then the season was ended by Covid.

The Board showed faith in Steve, and he is now in the process of building his side to achieve some stability in season '21/22 after a non-event in '20/21

Pitching-In Northern Premier League East

5th February 2022

Lincoln United – 3 (Biggs (5'), Park (53'), Cotton (90'))

Dunston UTS FC - 2 (Coulson (9'), Elliott (26'))

Match report by: Dom Bingham

Dunston returned from Lincolnshire empty handed after Matthew Cotton scored in injury time for Lincoln United to give his side all three points.

The hosts led inside five minutes after a long throw could only cleared as far as Simon Biggs who lashed home from fifteen yards out. Despite the early setback, Dunston hit back quickly when Richard Coulson started and finished his own move down the right. He laid off Michael Fowler, received a low cross in and fired low past the Jack Steggles to even the proceedings. Dunston were buoyed by the goal and had the lead soon after. This time Coulson was the provider, and he crossed low to Jack Elliott who was on hand to place the ball neatly into the bottom corner. Dunston continued to control the first half, and nearly had a third just before half time when the ball fell to that man Coulson again, but his goal bound effort was somehow kept out by the legs of Steggles who was falling backwards himself.

The hosts rallied early in the second half and hit back when a speculative shot from Jake Park evaded Liam Connell to level proceedings at 2-2. Despite being pegged back, Dunston continued to push to get back into the lead and had a golden opportunity when they were awarded a penalty following a handball in the box. Michael Fowler stepped up but had his penalty brilliantly saved by Steggles, who was keeping Dunston out at all costs.

In the dying embers of the game, Phil Turnbull and Craig Baxter both saw goal bound shots well saved by Steggles, and his heroics were rewarded in injury time. A Michael Hall clearance was blocked by Jake Park, and Park managed to keep the ball in and play in a low cross which was stabbed home by Cotton to send the home supporters into raptures.

A tough result to take for Dunston, who arguably were the better side throughout. All focus now will be on Tuesday nights fixture at home to Pickering Town FC, as the lads look to get back to winning ways.
