WELCOME

We would like to extend a very warm welcome to everyone in attendance at the UTS Stadium this afternoon for this PITCHING-IN Northern Premier League East Division game.

Our opponents today are our good friends TADCASTER ALBION AFC who arrive at the UTS Stadium after their relatively straight forward journey from East Yorkshire. Over the last couple of seasons, the two Clubs have shared a very cordial relationship. Let's continue that friendship today!

Much like ourselves, "The Brewers" are enduring a rather inconsistent season, turning in some really good performances and also some very disappointing ones! Last Saturday's "Taddy" victory over the much fancied Stockton Town was one of their best when they came from behind to earn three valuable points with a three goals to two result.

It seems a very long time ago that Dunston travelled to The Global Stadium, Tadcaster on a sunny Tuesday evening at the end of August for the corresponding League fixture. On an immaculate playing surface, the hosts took a first-half lead through a superb free-kick but a goal from Michael Pearson pulled the scores level before a very late winner was scored by Dan Capewell to give Dunston a rather fortunate win.

Just a few weeks after that, the current Tadcaster Team Management duo of the experienced John Deacey and his Assistant Andy Monkhouse were appointed and set about improving the playing squad and whole approach to matches. They have brought in some very experienced additions and improved several of their promising younger players.

We also extend a warm welcome to our Match Officials this afternoon. Referee Glen Hart travels from Darlington and he is joined by his Assistant Referees Kierran Corrigan from Northallerton and Barry Brooks from Catterick Garrison.

Let's all remember the Covid-19 Guidance. Keep a safe distance from each other so that we can ensure the safety of everyone.

Supporters old and new are very well appreciated and we hope you enjoy your visit to the UTS Stadium this evening. If you require any help or information about the Club and facilities, please do not hesitate to contact any Management Committee Member.

Finally we'd like welcome today's match day sponsors INCOGNITO and we thank them for their continued support this season.

Club Merchandise can be purchased or ordered from The Club Shop within the ground.

Let's look forward to a competitive match. Enjoy the game.

DUNSTON FC

Club history

The club first saw the light of day in 1975 as a humble works outfit when former Chairman, John Thompson, with some of his colleagues at HMSO on the Team Valley Trading Estate, decided to form a football team. The club joined the Newcastle City Amateur League playing at the Civil Service Sports Ground, Longbenton.

Early success inspired the club to progress and a piece of land was leased from Gateshead M.B.C. and the committee began to develop what is now the UTS Stadium. Hello The club were now gaining much success in the Northern Combination and with aspirations to progress further they approached the Federation Brewery to become the club's main sponsor.

With the Federation Brewery as their main sponsor the club joined the Wearside League in 1987 and after another period of success the club felt a need to seek new opportunities and an application was made to join the prestigious Northern League. The club had now realised one of its main ambitions and entered the National Pyramid of Non-League Football.

In its second season in the Northern League the club won the Second Division and was promoted to the First Division.

Since joining the Northern League the club has won the Second Division, been First Division Champions twice, League Cup winners on five occasions and JR Cleator Cup winners on five occasions. Included in these successes were back to back Northern League doubles in 2003/2004 and 2004/2005. A magnificent achievement.

Season 2007/2008 had seen the club lose the word Brewery from its name as sadly it lost the main sponsor. After a period of 18 years of continuous sponsorship the Federation Brewery was taken over by Scottish and Newcastle Breweries who continued to sponsor the club for a further two seasons and after a period of twenty years the club had lost its main sponsor and had no association with a brewery. In our hour of need two new companies became involved with the club to partially compensate for the loss of our main sponsor.

Dunston Van and Truck Centre became our home shirt sponsor and continue to be some to this day.

At the start of the 2008/2009 season UTS Engineering (Utility Technology Services), became involved by sponsoring the player's travel and training kit and during the close season of 2009/2010 they kindly agreed to become the club's principal sponsor.

The club name was changed from Dunston Federation F.C. to Dunston UTS F.C, the name of the ground was changed to the UTS Stadium and company owner, Mr. Shaun Sadler became Club President.

Arguably one of Dunston UTS FC's greatest achievements came in The FA Vase Final of 2012. In front of a crowd of 5,126 at Wembley Stadium, under the guidance of then Manager Billy Irwin, an Andrew Bulford brace ensured a 2-0 victory over Northern League rivals West Auckland Town.

On the 2nd April 2016 Dunston UTS celebrated their 1000th Northern League game. Prior to kick off on behalf of the club Malcolm James received an engraved plate from Northern League President George Courtney.

Building on the new-found momentum, Dunston continued in the same vein in the following season with a great run in the FA Cup, going out in the final Qualifying Round to National League neighbours Gateshead in front of a record crowd of 2,525 at the UTS Stadium.

The Club finished the 2018/2019 season as convincing Champions of the Northern League First Division, seventeen points ahead of their nearest rivals. Promotion ensued to the Northern Premier N/West Division but FA Regulations dictated that the Club Playing Name must not include any reference to a sponsor so the "UTS" was reluctantly dropped from the Club title before the new season.

Over the years the club has always recognised that success on the field must be coupled with success and hard work off the field and the efforts of the people behind the scenes at the UTS Stadium has ensured that the stadium is a credit to the club. Many of the committee of the club have been involved since it was founded in 1975, some as former players and some as management on

It is a tribute to their commitment and hard work that the club has become one of the most successful in the North East

Player Interview – Michael Fowler

Michael Fowler has given Dunston a massive lift since his arrival earlier in the season, and his goal tally shows his class and quality that he brings to the side. The youngster, who has experience at Fleetwood Town, FC United of Manchester and came through the ranks at Burnley, grabbed a goal in Saturdays defeat to Stocksbridge Park Steels and currently sits on 12 goals with 4 games still remaining.

We sat down with him to discuss the season so far, Saturdays defeat and the final 4 games of the season.

You've really hit the ground running at Dunston since your arrival, how would you assess the season personally for yourself and also as a team?

As a team since coming in we have been excellent from front to back. There has been times we have let ourselves down in which maybe the reason we aren't in a higher position in the league but we have tried to rectify these issues on the training pitch and in the next game. Personally I've settled in well, the lads have been a big part of that and can only thank them and the staff for the constant support. I have hit the ground running in terms of goals however still demand more from myself as always.

After the last few seasons have been disrupted, as a footballer and playing within a team you must be happy to see out a full season finally?

Yeah it's been nice to get back to a free season if you like without any disruption. It's not the position we would like to be in in regard to the table however there are many positives to take out of every game

Before the Stocksbridge game you had gone 3 without scoring, but got back in on the goals with a superb finish on Saturday. How as a striker do keep mentally focused to make sure you get back to scoring goals when going through a dry spell?

Goals are important to me as they are to any striker as well as they are what win games at the end of the day. Although it's frustrating not to, trying to score and trying to force it doesn't work. If I wasn't getting the chances then I'd be worried but I've had them. I know what I'm good at and just stick to that and I go into every game believing I'm going to score.

Saturday was a disappointing result, but there were some certainly positives to take. We dominated the game for large parts of the second half, do you feel on another day it could have been a different result?

Saturday was a game of 2 halves in my opinion. We know we weren't good enough from front to back in the second half and that cost us. It has cost us too many times this season but that's something we have to work on in concentration. The lads have been great all season so no one can fault them however like mentioned we all know we have to improve from games like Saturday

There's still 4 games to go, I'm sure the atmosphere in the changing room is that there is more than enough quality there to write the wrongs of Saturday and grab 4 wins?

Like I mentioned, we know what we are capable of by previous performances and it's something we are looking forward to rectifying in these last 4 games.

LEWIS BLACK (PHYSIOTHERAPIST)

The 22 year old joined Chris Swailes' back room staff in July 2021 having completed 3 years of studying at Newcastle College University Centre, graduating with a First-Class Honours Degree in Exercise & Sport Rehabilitation. Alongside his studies he completed a three year placement at Park View Academy of Sport and was able to develop his skills as a practitioner. Following on, he then became sports therapist for Chester-le-Street United.

The Daniel Wilkinson Foundation is a charity set up in memory of Daniel Wilkinson who died in 2016 aged 24, while playing the game he loved, from an underlying heart condition called Arrhythmogenic Right Ventricular Cardiomyopathy (ARVC).

Dan played football from an early age and joined Hull City AFC when he was 10, earning a professional contract aged 18. Loughborough University followed where he completed a degree in Accounting and Financial Management while playing non-league football. He was an athlete who enjoyed the gym and took his health and nutrition very seriously. He lived life to the full and had so much ahead of him.

Other than feeling light-headed on a few occasions in the month before he died, he had no symptoms!

SUDDEN CARDIAC DEATH IN THE YOUNG (SCD)

- SCD is the leading cause of death in young athletes during sport and the majority of deaths occur with NO SYMPTOMS or family history.
- ARVC can be found in one in every 1,000 to 5,000 young adults - IF IT IS LOOKED FOR.
- Warning signs may include light-headedness, fainting, palpitations, swollen legs, breathlessness.
- Every week in the UK, 12 apparently fit and healthy young people (aged 35 and under) die from previously undiagnosed heart conditions.
- In Italy, where screening is mandatory for all young people engaged in organised sport, they have reduced the incidence of young sudden cardiac death by 89%.

OUR MISSION

The Daniel Wilkinson Foundation has been set up to raise awareness of SCD and to provide funding towards heart screening, defibrillators and CPR/defibrillator training primarily for grass-roots sporting teams.

Tragedies can be prevented through cardiac screening. It is vital that young people are identified and treated.

Management

John Deacey Manager

John joined us in September and has a wealth of experience managing at the top of the non-league pyramid with clubs such as Farsley Celtic, Scarborough Athletic and Bradford Park Avenue where he was in the hot seat for eight consecutive years.

As a footballer he played for 25 years in both league and non-league for teams which included Middleborough, Chesterfield, Harrogate Town, Bishop Auckland, Farsley Celtic and North Ferriby. The Brewers are very much his local team and he has always had a great passion for the Club.

He is well known for his teams playing attractive passing football and still with an undiminished hunger to win, is looking forward to bringing this exciting brand of football to the Global Stadium and entertaining the fans.

Andy Monkhouse Assistant Manager

Andy was officially appointed at the same time as John Deacey. He began his career with Rotherham United as a trainee. An eight-year spell and a couple of long-term injuries saw him leave the Millers in 2006. After a year with Swindon Town he joined Hartlepool United where over seven years he wrote himself into the history books; he was named in the PFA League Two Team of the Year for 2006–07 as Pools went on to finish 2nd to secure promotion to League One and is one of only 16 players to make over 300 appearances for them. He holds a UEFA A Licence and his first stint in non-league management was the shortened 2020/21 season with Pontefract Collieries

Richard Leeming Kit Manager

York based Richard has a long history of managing local football teams and was asked by Nelly Sanderson last season if he would like to help out at Taddy. Richard jumped at the opportunity and was delighted to succeed his old friend in the role.

Richard's knowledge of the game has quickly made him an integral and valuable part of the management team.

David Allpress Physio

David Allpress joined the Club as its Team Physiotherapist just in time for the home match against Stocksbridge Park Steels. Born in Dewsbury, David is in his third and final year at Leeds Beckett University studying for a BSc in Physiotherapy. He has previously fulfilled a similar role for a local Rugby League team and is a very welcome addition to John Deacey's bench.

Tadcaster Albion AFC

Player profiles

Simon Russell – (Midfield) Born 1985 (Hull)

Club Captain Thirty-Six-year-old Simon began his career as a trainee at Hull City before four seasons at Kidderminster, eventually joining his hometown club, York City with whom he played in the 2009 FA Trophy Final at Wembley. Spells at Cambridge United, Lincoln City and Alfreton Town followed before he moved on for several years at Gainsborough whom he captained. In his 19-year career, Simon has played well over 500 senior matches scoring upwards of 50 goals in the process. A high energy midfielder who is calm on the ball and an inspiration to other team members

Corey Roper (Midfield) Born 1996 (Doncaster)

Our Vice-Captain is a previous player of the season and returned to Tadcaster last summer having left the Brewers at the end of the 2018/19 season when an offer to test himself at Northern Premier League Whitby Town, proved irresistible. However, Increased work commitments and associated travelling were our good fortune. He joined Leeds United as a junior at the age of seven, going on to play for their Under 18 and Under 21 teams. In 2014 he joined Wrexham for three seasons. Corey is a high energy attacking midfielder and a dead ball specialist A tough midfield dynamo who leads by example

Dan Hartley (Defence) Born 2002 (York)

Dan started with us towards the end of the 2019/20 season and we have seen him develop consistently to become a first team regular. He shows commitment and tenacity far beyond his years. Dan attended the UFCA in Leeds and Evolution Sports Academy before joining Harrogate Town Under 23's, which he captained. Although a natural central defender, Dan is equally adept on either side and his ability to get down the flanks is a bonus, as are his throws. Calm on the ball and a rock in defence.

Jack Crook (Defence /Midfield) Born 2001 (Doncaster)

Twenty-year-old Jack was an integral member of Harrogate Town Under 23's with Dan Hartley, having started out with Northern Counties East Rossington Main and Albion Sports. His ideal position is centre-midfield but he is happy either side or in the back four. He also is more than capable to mix it up front and can be lethal in front of goal. Light on his feet for such a tall player.

Romario Vieira (Attacking Midfield) Born 1998 (Guinea-Bissau)

Former Leeds United midfielder Romario Vieira re-joined the club in October 2020. He came through i2i before a short spell with us in 2016. At that stage he joined his brother, Ronaldo Vieira, who was already a first team player at Elland Road but was released two years later. The attacking midfielder has represented his native Guinea-Bissau national team, and holds Portuguese and English nationality. Likes to play just behind the frontmen. Creative player who gives 110%.

Eddie Church (Striker) Born 2000 (Halifax)

Twenty-one-year-old 6' 1" Eddie can play anywhere in attack with a preference for the centre of the park. As a youngster he was on the books of Bradford City between the ages of 9 – 14. His first senior club was Ossett Albion and on its merger with Town played for Ossett United. He has been with Brighouse Town for the last two seasons but feels the need for a new challenge and signed for The Brewers during the summer. He gives everything during the 90 minutes, leading the attack. An exciting player.

Kesi Omolokun (Defence) Born 1997 (Bradford)

Kesi was on the books at Bradford City from the age of ten but after a loan spell at Scarborough Athletic joined the Aberdeen Development Squad on a one-year deal in 2016. On his return to Yorkshire, he felt he had lost his love of the games and over recent seasons has only managed a few outings for local Bradford teams such as Eccleshill United and Albion Sports. Having been persuaded to trial with Tadcaster his desire to continue his playing career has been restored. Now fully fit he can play anywhere in the back four and is more than happy to get up front when appropriate.

Kieran Burton (Defender) Born 2003 (York)

Kieran has lived close to and was educated in Tadcaster all his life. He played for the Tadcaster under 7's and by the age of 15 was with Tadcaster Magnets. He has also turned out for Selby Town and Knaresborough Town AFC. For the last two years he has been with the Barnsley Development Squad, making regular U19's appearances. He attended our open trial back in June. 6' 2" tall, he is a centre-back but quite capable of filling in at left back or wing back where his pace on a run has been exceptional.

Des Amponsah (Winger) Born 2000 (Kumasi, Ghana)

Des was born in Kumasi, the second biggest city in Ghana. His early junior football was initially in France but having arrived in the UK he joined Hunslet Juniors and then onto Morley Glen Juniors before he enlisted at the Ultimate Football Coaching Academy, during which time he trialled for Bradford City. He went onto the Barnsley Shadow squad but a long injury put things on hold. Last season he was with Wakefield as he got himself back into shape after the layoff. Des has a remarkable turn of pace and energy - a great combination.

Mark Ferguson (Striker) Born 1996 (Leeds)

26-year-old Mark signed earlier this year from North West Counties Champion AFC, where he had already hit fourteen goals this season. The 6' 1" Leeds born Mark joined Champion at the start of the current season having spent two years at Glasshoughton and Garforth before that.

He has already proved to be very adaptable and is comfortable on either flank, as well as midfield, although up-front is where he is most at home. Quickly amongst the goals after signing for Taddy.

Donald Chimalilo (Attack) Born 1998 (Zambia)

Donald has recently returned to us having been instrumental in our success two seasons ago. A product of the i2i Academy he joined us from Barton FC and attracted much attention in his time with Taddy, trialling with Doncaster Rovers, Mansfield Town and the Under23's at Hull City before eventually joining Scarborough Athletic last season. Unfortunately, he was injured before the start of that campaign and with Covid 19 decimating fixture lists, he never made his debut with Boro. He can operate in any role up front and has a blistering turn of speed.

Jordan Deacey (Attacking Midfield) Born 1994

The experienced 27-year-old attacking midfielder joined Taddy from league rivals Pickering Town. Jordan has an extensive record in non-league having played for Bradford Park Avenue, AFC Telford United, Farsley Celtic, Boston United, Shaw Lane AFC, North Ferriby United and Ossett Town amongst his other former clubs. He signed for Scarborough Athletic from Belper Town in 2019 before spells at Brighouse and Pickering Town. Jordan was part of BPA squad that won promotion to the National North in 2012 and Farsley's 2017 NPL Division One North play-off final triumph.

Jack Carr (Attacking Midfield) Born 1998 (Leeds)

Fast attacking midfielder Jack joined us from Knaresborough Town where he was a regular member of the squad during last season. His first game was away to Sheffield where he displayed all the skill and enthusiasm that has initially impressed manager John Deacey. He is happy to play wide or through the middle. He had scored seven goals for the “Boro” during the current campaign and opened his account for Taddy with a sensational volley against Ossett in the last game of 2021. Loves nothing more than running at defences.

Chris Howarth (Defender) Born 1983 (Dewsbury)

The experienced defender/midfielder, Chris Howarth re-joined Tadcaster in January from Liversedge. His first stint with the Brewers started in the 2017/18 season and he turned out for us for two seasons. He has played for John Deacey on three occasions previously (Farsley Celtic, Bradford Park Avenue and most recently Scarborough Athletic). He started his career in 2003 at Harrogate Railway, before he eventually moved on to Bradford Park Avenue where he made over 100 appearances in what is now the National North League.

Harry Fisk (Goal Keeper) Born 2002 (Cottingham, Hull)

Harry Fisk joined the Hull City Academy at Under-14s level and featured regularly for the Under-18s in the 2020/21 season. One of his most notable performances that season came in the FA Youth Cup first round, producing a string of impressive saves to keep a clean sheet against Crewe Alexandra in a 2-0 victory. He signed his first professional contract with the club in May 2021 and spent part of the 2021/22 season on loan at Spalding United. He started his loan with us earlier this year and has put in some outstanding performances.

Ally Hughes (Goal Keeper)

Ally joined us towards the end of the summer recess as our number 2 shot-stopper. He has a commanding presence in the area and has quickly gained experience having been thrown in at the deep end on several occasions. He also plays for Leeds Beckett University.

Tadcaster Albion AFC – Club History

The club is believed to have been formed in 1892 as John Smith's FC. It was not until 1923 that the Tadcaster Albion AFC name was adopted. In the early years, the club played in the local York Leagues. Tadcaster Albion moved one hundred yards up-river to its present home in 1960.

In 1973 Taddy joined the Yorkshire League Division 3 and was promoted in 1975 & 1977 to reach Division 1. In 1982/83 they became a founding member of the Northern Counties East League, originally in the NCEL Division Two North before league reorganisations led them to Division One in 1991. They rarely finished in the top half of the league in the 1990's and finished bottom in 2001/02 & 2003/04.

At the start of 2004/05, Jim Collis became manager and at this point fortunes on the pitch started to improve dramatically. In his first season, Albion finished fifth in the league, the following year a third place finish meant promotion was missed by one point. Jimmy Reid took over as manager in 2006, but his time was blighted by off the field problems - An attempted hostile takeover by dissident committee and in Nov 2007, an attempted arson attack on the clubhouse caused much damage.

Paul Marshall took over at the start of 2008/09 playing mostly local players as the team struggled and finished 17th. In 2009/10, with an influx of some new key players, Albion won the NCEL Division One title. In 2010, Rob Northfield, took over as Chairman of Tadcaster Albion (2010) Ltd, and the club became a company limited by guarantee. Albion finished fourth in their first season in the NCEL Premier Division and won the NCEL President's Cup, beating Farsley AFC 5-1 in the final. In the 2013/14 season i2i Sports Ltd agreed to take effective control of the club and company, with Matthew Gore becoming the new chairman.

In 2014/2015 an excellent run in the FA Vase saw Tad make history by making it through to the Quarter Final of the FA Vase where they drew a record - breaking crowd of 1,307 but were narrowly beaten by Highworth Town. At the end of the season manager Paul Marshall left and former Harrogate Railway boss Billy Miller was unveiled as his replacement.

In 2015/2016 the Brewers lead the NCEL Premier for the season once again, but this time they held their nerve and finished Champions with a 2-1 home win over Armthorpe Welfare. They also made it to the West Riding FA League Cup Final but were beaten in a thrilling 3-2 game against Cleethorpes Town.

In 2016/2017 the Brewers finished 19th in their first season in the Northern Premier First Division North which spelt the end of the Billy Miller's management team with Michael Morton and Simon Collins taking over.

2017/18 season saw the team quickly finding its feet as the fortunes took a turn for the better after the new year with Michael & Simon steering the club to its highest ever finish reaching the play-offs after a dramatic final day. This once again brought massive excitement amongst the club and town but unfortunately it ended in semi-final defeat 2-1 at Bamber Bridge despite taking the lead and putting in a valiant performance.

The 2018/19 season saw the Brewers move into the Northern Premier East Division after the league switched from a North/South divide to an East/West split. It was another positive one for the club finishing just outside the play-off places in seventh having been in the top six for most of the season. At the end of this campaign Manager Simon Collins decided to step down and several players moved onto new clubs.

2019 / 20 Former professional footballer and boxer, Curtis Woodhouse took charge, initially having only four players on the books. He built a new squad and for the first 3 months of the season we began to look like promotion contenders. Curtis left the club at the end of October and Paul Quinn inherited the mantle with Steve Waide as his assistant. The second half of the season was overshadowed by four devastating floods at the Stadium, before Covid 19 brought everything to an impromptu finish.

2020/21. Paul and Steve reorganised the playing Management over the summer months and with a blend of experience and emerging talent the prospects were looking good for a play-off place when Covid struck again and the season was called to an early finish once more.

2021/22 With the unexpected departures of Paul Quinn and Steve Waide, the opening matches were a great disappointment. The experienced John Deacey was brought in to stem the tide with Andy Monkhouse as his Assistant. It has taken time but results have improved and there is a new spirit within the squad as it battles to stay in the Northern Premier League East.

Club Volunteer Interview – Kelvin Shell.

Non-League clubs cannot rely without volunteers. These individuals often go under the radar, but are pivotal to a club's success on and off the field. Dunston are no different, and our focus in this piece is on Kelvin Shell, the club's volunteer Official Club Photographer. Kelvin has been involved for three years now and is a regular at every game. His photography has allowed the club to grow its presence online via social media, and also across the region in newspapers.

Kelvin is just one of the people who commit hours of unpaid time to Dunston, and we sat down with him to get a sense of why he does it, and what the club means to him.

How did you first get involved with the club Kelvin?

I had been trying my hand at photography for a year when I noticed a Tweet. It was on Steve Wraith's Twitter that the club were looking for a photographer.

So I thought that I would come down to see if I could help, that was July 2019 and I'm still here. Definitely one of the better decisions I've made in life.

Why commit so much time as a volunteer? What do you get from it?

Some people will know this but some will not; I suffer with bad thoughts or depression if you like. Spending time with the club stops them.

You see it's not "just a non-league club" as I keep saying it's family.

When you join a family like Dunston you end up with an army of people who want to see you succeed. Both the committee and the player's have done things for me that have blown my mind.

So it's not really a commitment of time more of a better way to spend it, rather than waste it.

Being a photographer on such a fast moving sport must be challenging at times, how much practice goes into your role?

Since picking up my first camera which was a Nikon D40x in July 2018, I'm completely self-taught. So I'm often looking at videos on YouTube about my camera, lens, setting and hints & tips about shots. Could be reading articles to photographing the lads at different training facilities to test myself under different lighting, but I love it.

For those that aren't as familiar with you as say those who get to sit on the coach with you every week, can you take us through what a matchday looks like for you from the morning of to the next day!

I pack the camera bag the night before that way I can just get up and go in the morning for an away game I arrive at the coach to leave for say 11am, along with the committee, the players, other media volunteers (just like you chap), other club volunteers and supporters. We travel the two and a half hours, they watch it but I photograph it.

Now if the action is at the wrong end all game I will have 600 shots to process.

However if the action is at my end of the pitch all game then well over 1000 shots, then I wait till the coach leaves and travel back along with everyone else.

I have the shots transferred to Lightroom by the end of the journey back to Dunston so that way I can work on them when I get home.

If it gets too late then I will finish then the next day.

Having been involved with the club for a few years now, you've must've been involved in some great games. What are your personal highlights from your time at the club so far?

Getting to meet Mike Williamson has to be up there but then I have so many to choose from. But if I had to pick a single game that lives in my head rent free as they say, then there can only be one.

Droylsden away 09-11-2019 (as pictured above).

Not so much for the game but what happened afterwards. I'm not going to go into it but I'm fairly confident some of the players will remember it.... Oh my days....

To sum it up, what does this club mean to you?

The club have helped me see how I can be part of something and are helping me to see my worth. As I've said during this interview, this isn't just a club it's family and that is probably the best way I can describe it.

To say I love the place would be a massive understatement.

We look back on the last time the two sides met, with Dunston edging the game in dramatic fashion

Dunston came out on top in a full blooded encounter away to Tadcaster Albion last night, to claim their first league win of the season.

The hosts lead going into half-time, thanks to an outstanding Mario Basic free kick on 34 minutes.

As much as Tadcaster pushed to increase their lead, the game turned with the dismissal of Eddie Church on 65 minutes, the referee brandishing a straight red card for an over the top challenge.

With a 1 man advantage Dunston upped the pressure on their opponents.

Michael Pearson grabbed an equaliser with 5 minutes of the game to go. Rising well to connect with a Jack Elliott corner, he glanced his header beyond the reaches of Tadcaster keeper Harrison Davison-Hale.

A huge save from Harrison-Hale denied Dunston from taking the lead two minutes later. However, 2 minutes into stoppage time, Dan Capewell got on the end of a Craig Baxter delivery to seal the win in dramatic style.

Although early in the season, the win now sees Dunston climb up to 10th in the table and two points of the play-off positions.
