## WELCOME!

We would like to extend a very warm welcome to our visitors this evening as TADCASTER ALBION FC provide the opposition for this Pitching-In Northern Premier League N/West Division Match. The Players, Team Management, Officials and supporters of our opponents are most welcome after making the journey from North Yorkshire.

The two Clubs met twice last season before the cancellation of proceedings and Dunston were fortunate enough to run out winners in both games. In the first match at the UTS Stadium, a single goal by Jack Elliott was enough to claim the points in a very close encounter. The return game at Tadcaster was equally tight and produced an end-to-end thriller for the spectators. Dunston carried some good fortune to win by three goals to two with Scott Heslop, Callum Elliott and Liam Marrs grabbing the glory.

Our visitors did wonderfully well to overcome the disaster of a badly flooded Stadium during the terrible weather that swept the country last season. Thankfully they have repaired all of the damage caused to their facilities. Their determination to beat all the odds speaks volumes for their will to continue despite adversity.

We also extend a warm welcome to our Match Officials this evening, Darren Williams who travels from Newcastle and his Assistant Referees Danny Markham from Washington and Thomas Lishman who also comes from Newcastle. Our FA Match Observer is Ted Ilderton from Whitley Bay.

Let's all remember the Covid-19 Regulations. Keep a safe distance from each other so that we can ensure the safety of everyone.

Supporters old and new are very well appreciated and we hope you enjoy your visit to the UTS Stadium this afternoon. If you require any help or information about the Club and facilities, please do not hesitate to contact any Management Committee Member. Details of Season Tickets, Executive Package, Club Merchandise, Concessions and Sponsorship Opportunities can be obtained by visiting [www.dunstonutsfc.co.uk/Sponsorship](http://www.dunstonutsfc.co.uk/Sponsorship) or from any Club Official or at the Club Office. Let's look forward to a competitive match. Enjoy the game.

## Notes from Dunston FC Club Chairman Mr Malcolm James

Tonight sees the switch on of our new floodlights which have been installed with the help of grant aid from the Football Foundation and Football Stadia Improvement Fund.

On promotion to the Northern Premier League the club were required to do several ground improvements in order to attain the Ground Grading requirement required to play at Step 4 level within the Non-League Pyramid. Increasing the Lux level of our floodlights was one of these requirements and tonight is what you could say is "The big switch on".

Other ground improvements are ongoing and will hopefully be completed in the next couple of weeks. Weather permitting.

I would like to take this opportunity to thank all those who have continued to support us during these challenging times and to those who remain absent for whatever reason - we miss you. Take care and hopefully we will soon be back to normal.

A special thank you to those supporters who have travelled away under their own steam to support their team. Unfortunately due to passenger restrictions on the coach we have been unable to provide any places for fans but hopefully we will soon be back to providing some places on the club coach.

## Dunston Football Club History

The club first saw the light of day in 1975 as a humble works outfit when former Chairman, John Thompson, with some of his colleagues at HMSO on the Team Valley Trading Estate, decided to form a football team. The club joined the Newcastle City Amateur League playing at the Civil Service Sports Ground, Longbenton.

Early success inspired the club to progress and a piece of land was leased from Gateshead M.B.C. and the committee began to develop what is now the UTS Stadium.

The club were now gaining much success in the Northern Combination and with aspirations to progress further they approached the Federation Brewery to become the club's main sponsor. With the Federation Brewery as their main sponsor the club joined the Wearside League in 1987 and after another period of success the club felt a need to seek new opportunities and an application was made to join the prestigious Northern League. The club had now realised one of its main ambitions and entered the National Pyramid of Non-League Football. In its second season in the Northern League the club won the Second Division and was promoted to the First Division.

Since joining the Northern League the club has won the Second Division, been First Division Champions twice, League Cup winners on five occasions and JR Cleator Cup winners on five occasions. Included in these successes were back to back First Division title winners and League Cup winners in seasons 2003/2004 and 2004/2005. A magnificent achievement.

Season 2007/2008 had seen the club lose the word Brewery from its name as sadly it lost the main sponsor. After a period of 18 years of continuous sponsorship the Federation Brewery was taken over by Scottish and Newcastle Breweries who continued to sponsor the club for a further two seasons and after a period of twenty years the club had lost its main sponsor and had no association with a brewery. In our hour of need two new companies became involved with the club to partially compensate for the loss of our main sponsor.

Dunston Van and Truck Centre became our home shirt sponsor and Astley Signs became our away shirt sponsor. Both companies are still with us at the present time. Season 2008/2009 a company, UTS Engineering (Utility Technology Services), became involved by sponsoring the player's travel and training kit and during the close season of 2009/2010 they kindly agreed to become the club's principal sponsor. The club name was changed from Dunston Federation F.C. to Dunston UTS F.C., the name of the ground was changed to the UTS Stadium and company owner, Mr. Shaun Sadler became Club President.

On the 2nd April 2016 Dunston UTS celebrated their 1000th Northern League game. Prior to kick off on behalf of the club Malcolm James received an engraved plate from Northern League President George Courtney.

Building on the new-found momentum, Dunston continued in the same vein in the following season with a great run in the FA Cup, going out in the final Qualifying Round to National League neighbours Gateshead in front of a record crowd of 2,525 at the UTS Stadium.

The Club finished the 2018/2019 season as convincing Champions of the Northern League First Division, seventeen points ahead of their nearest rivals. Promotion ensued to the Northern Premier N/West Division but FA Regulations dictated that the Club Playing Name must not include any reference to a sponsor so the "UTS" was reluctantly dropped from the Club title before the new season.

Over the years the club has always recognised that success on the field must be coupled with success and hard work off the field and the efforts of the people behind the scenes at the UTS Stadium has ensured that the stadium is a credit to the club. Many of the committee of the club have been involved since it was founded in 1975, some as former players and some as management on the playing side.

It is a tribute to their commitment and hard work that the club has become one of the most successful in the North East.

# MATCH REPORT

## From 5th October 1996

### Seaham Red Star v Dunston

#### Northern League Division One

### “Super Mac sets up Fed”

Dunston returned to league duty with a victory after missing out on a fixture last weekend due to the FA Cup ties. Ex-players Kevin Wolfe and Gary McDonald lined up against their former club. The Visitors were quickly into their stride and Cockburn had a shot blocked after just 5 minutes.

Seaham were finding it tough to get out of their own half in the opening quarter of an hour against a determined Fed side who forced a stream of corners. It was no surprise when Dunston went 1-0 up after 20 minutes, Lee Boyle played a perfect through ball to McDonald and the striker lobbed the onrushing goalkeeper to record his 16th goal of the season.

Seaham may have feared they were in for a drubbing after the goal and Bainbridge should have increased the lead but his header was easily saved by Wright in the Seaham goal.

McDonald had another good opportunity to add to his impressive tally for the season he raced down the left and cut inside but his shot rolled just wide of the upright after beating Wright.

The second half started on the same note as the first with the Fed once again applying most of the pressure. Andy Elliott broke into the Red Star penalty area and after lining up to shoot he opted to feed McDonald, McDonald possibly surprised in getting the opportunity to score shot tamely at the goalkeeper when it looked easier to score.

Dunston's long awaited second came on the hour when a cross from the left was intercepted by a Seaham defender but Gary Forbes dived in bravely to score.

Seaham set up a tense finish to the match when John Grady converted a Willie Ferry cross with 15 minutes left.

Dunston were forced to batten down the hatches as the hosts swarmed forward to snatch a draw.

The Daniel Wilkinson Foundation is a charity set up in memory of Daniel Wilkinson who died in 2016 aged 24, while playing the game he loved, from an underlying heart condition called Arrhythmogenic Right Ventricular Cardiomyopathy (ARVC).

Dan played football from an early age and joined Hull City AFC when he was 10, earning a professional contract aged 18. Loughborough University followed where he completed a degree in Accounting and Financial Management while playing non-league football. He was an athlete who enjoyed the gym and took his health and nutrition very seriously. He lived life to the full and had so much ahead of him.

Other than feeling light-headed on a few occasions in the month before he died, he had no symptoms!

## SUDDEN CARDIAC DEATH IN THE YOUNG (SCD)

- SCD is the leading cause of death in young athletes during sport and the majority of deaths occur with NO SYMPTOMS or family history.
- ARVC can be found in one in every 1,000 to 5,000 young adults - IF IT IS LOOKED FOR.
- Warning signs may include light-headedness, fainting, palpitations, swollen legs, breathlessness.
- Every week in the UK, 12 apparently fit and healthy young people (aged 35 and under) die from previously undiagnosed heart conditions.
- In Italy, where screening is mandatory for all young people engaged in organised sport, they have reduced the incidence of young sudden cardiac death by 89%.

## OUR MISSION

The Daniel Wilkinson Foundation has been set up to raise awareness of SCD and to provide funding towards heart screening, defibrillators and CPR/defibrillator training primarily for grass-roots sporting teams.

Tragedies can be prevented through cardiac screening. It is vital that young people are identified and treated.

Dunston faced their second trip to Yorkshire in the space of a week, following on from an impressive 2-0 win at Ossett Utd on Tuesday night, Chris Swailes' side made it 3 wins from 4 games thanks a 1-0 win at Pickering Town.

A Mark Fitzpatrick goal on 30 minutes was enough to separate the two sides, the forward composed himself to bring down a pinpoint Liam Thear delivery to the back post, Fitzzy elegantly driving his shot across Pickering keeper into the bottom corner.

The score line failed to reflect the visitor's dominance of the game. In truth Dunston were the better side from start to finish, rarely did Pickering seriously trouble an indomitable Dunston defence, apart from a nervy last gasp header from a corner which was calmly taken by Liam Connell, the hosts were outplayed throughout.

Time after time Dunston's midfield picked off loose balls, misplaced passes and commanded the game both physically and technically. Despite the adverse weather conditions, a slope on a pitch that would excite Alberto Tomba and a constant stream of fine Yorkshire rain throughout; Dunston ran the show.

Pickering had the wood work to thank just after half time; an exquisite ball from Galbraith picking out Dan Halliday who teed up Fitzpatrick, the in-form striker curling his effort from the edge of the box only for it to cannon off the upright.

*Mark Fitzpatrick (Pictured above centre) his goal on 30 minutes enough to secure the win, the forward now taking his tally so far to 3 goals for the season.*

Substitute Jack Elliott seen an almost certain goal cleared off the line, his pace seeing him burst through the middle of the park, as Dunston counter attacked Elliott rode tackles, rounded the keeper and with the ball almost running beyond him due to the slick pitch, he sent his effort goal-bound from an acute angle only for Pickering's Dave Merris to appear, as if by magic, to hook the ball away.

Speaking to Manager Chris Swailes after the game: "I thought we dictated the game, especially early doors, the score-line flatters them if I'm being totally honest. We created a lot in the final 3rd and if the ball and quality of the delivery had of been a bit better, we would've scored a few more goals, but a win's a win".

He added "The fact that we've kept a clean sheet as well, that's two clean sheets and two wins on our travels, it's great and we've got two home games to come".

"The way we're playing, defensively we look solid, midfield wise we're creating a lot and the front lads have always got a goal in them, so I'm chuffed to ribbons at the minute and long may it continue"

This result now sees Dunston move up 2nd in the table, level on points with Ramsbottom Utd and Colne as Dunston look to continue their bright start to the season with Tadcaster Albion the visitors to The UTS Stadium on Tuesday night.

**Jake Rose**

**Midfield**

**Born 1997 Yorkshire**

Jake is a combative tough-tackling midfielder who has been blighted with injuries in his short career. However, the player has regained full fitness and has been instrumental to our success last season with his skill and commitment. Jake is happy to play behind the front line or to bolster the defence. Always gives 110%

**Jack Vann**

**Midfielder**

**Born Doncaster 1998**

Jack was part of the Leeds United Academy for eleven years before being released with 'Taddy' favourite Billy Whitehouse two years ago. The midfielder, who can also play in the back four, had short spells with Gainsborough, Harrogate and ourselves before linking up with Paul Quinn at Ossett United. He signed for 'Taddy' in November 2019. Jack represented England at Under 16 level

**Andy Milne**

**Defender /Midfield**

**Born 1990 York**

Vastly experienced Andy was signed up for the Leeds United Academy at just nine years of age and went on to represent Scotland under 18s in 2007. His football career has also seen him at Darlington, Barrow, FC Halifax, Ossett Town and Scarborough. He was our Player of the Season in 2014. Last season Andy has been a rock in central defence striking up a partnership with loan Evans which continues to this campaign

**Ioan Evans**

**Defender**

**Born 1997 Wales**

The former Welsh international at Under 16 and 19 level, he comes with vast experience for somebody still so young. Ioan is dominant in the air, comfortable on the ball and reads the game really well. Has scored important goals for us when they matter most

Having come through the Newport County Academy, Ioan joined Sheffield United in 2015 before a loan spell at National North Boston United. He was transferred to Gainsborough Trinity in 2016.

**Aaron Burn**

**Goalkeeper**

The promising young stopper has been a regular feature for the club's U21s side as well as representing York City and North Yorkshire whilst coming through the i2i Football Academy. Has decided to continue as understudy to Michael Ingham for another term

**Kevin dos Santos**

**Attacking Midfielder**

**Born 1999 Portugal**

The Portuguese midfielder has featured for pro clubs Setubal Vitoria and Vila Franquense and signed for Tadcaster early last season. He made his first appearance against Prescot Cables and looked impressive tucking in behind the front runners. He has blistering pace down either flank, two very good feet and is lethal in front of goal. Never gives less than 100%

**Mitchell Pattinson**

**Central Defence**

**Born 1997 Leeds**

Another player in his second season with the senior squad, having been plucked from lower league football. Mitchell has impressed at right back, has a good turn of pace and is quite happy to move up to midfield when necessary. A bad hamstring injury meant he missed the second half of the previous campaign but his is now fully fit and has never looked better.

**Rinor Ejupi**

**Midfield**

**Born 2000**

Ejupi made his debut in the away match at Kendal last season having joined Tadcaster from Horsforth St Margaret's, a community club that runs over 75 teams. Paul Quinn was alerted to his progress and after training with us for a short period was given the chance to play in the first team which he took with both hands.

**Kain Rogerson**

**(Defence / Midfield)**

**Born 2000 Yorkshire**

After a couple of years playing for the i2i Football Academy, Kain made the step up into Non-League Football last season. The cultured leftie can operate in several different positions including attacking midfield, central midfield and left-back. His corners and free kicks have become a speciality. He spent the second half of the last campaign with Selby Town, returning to the Brewers just before lock down

**Dan Hartley**

**(Defence)**

**Born 2002 Yorkshire**

Dan joined towards the end of last season when injuries to the back four were causing problems. This was a dual registration with Harrogate Town with whom he played in their Under 23s. Although a natural central defender, Dan is equally adept on either side or his ability to get down the flanks is a bonus. His time last season with us was very impressive and he has demonstrated in pre-season a growing maturity and pace regardless of the position he has been asked to play.

**Bailey Thompson**

**Striker**

**Born 2000 Lancashire**

The six-foot four striker joined us during the summer from Tranmere Rovers where he had been a regular member of the senior squad, although mostly on the bench last season. Bailey represented Bury and Accrington Stanley before turning out for Blackburn Rovers under 15s. At the age of sixteen he joined Everton's Academy but quickly moved on a two-year scholarship to Tranmere where he played for the Under 18's. Bailey has a devastating finish and is equally dangerous in the air.

**Marco Basic**

**Midfield**

**Born 2000 Bingley**

20-year-old is an attacking Midfielder who scored several key goals last season for Ossett United. Marco likes to play behind the front men but is more than capable of notching his fair share of goals. He trialed at Bradford City and it was there that he caught the eye of National League Halifax Town who offered him an eighteen-month scholarship. He was part of their Under 19 squad which lifted the Football Conference Youth Alliance Trophy in 2017. A one year deal with the 'Shaymen' followed before he signed a two-year contract at Ossett United where he first met Paul Quinn.

**Ifi Ofoegbu**

**Striker**

**Born 2000 Nigeria**

Ifi can play on either wing and is just as happy up front or in attacking midfield. He came to England from Nigeria when he was just four years old and now lives in Sheffield. His footballing career started with Huddersfield Town's Under 16s from where he joined Chesterfield, making his senior debut against Accrington Stanley in October 2016 when he was just 16 – in fact, he is the fifth youngest player to play in the 'Spireites' first team. He is a natural target man with strength, speed and skill.

**Corey Roper**

**Midfield**

**Born 1996 Doncaster**

Holding midfielder and a previous Player of the Season, 25 year old Corey Roper returned to Tadcaster this summer having left the Brewers at the end of the 2019/19 season when an offer to test himself at Northern Premier League Whitby Town, proved irresistible. Increased work commitments and associated travelling have resulted in him coming home to Tadcaster. He joined Leeds United as a junior at the age of seven, going onto play for their Under 18 and Under 21 teams. In 2014 he joined Wrexham for three seasons

**Junayd Casius-Gill**

**Striker**

He then had a year at Pontefract Collieries playing in the Northern Alliance under 19 League. During that time he was offered a trial with Leicester City where he scored on his debut but broke his foot in the next match which was effectively the end of his season. Junayd can play in any position up front. Strong skilled and determined

**Simon Russell**

**Midfield**

**Born 1985 Hull Yorkshire**

Thirty-Five-year-old Simon began his career as a trainee at Hull City before four seasons at Kidderminster, eventually joining his hometown club, York City with whom he played in the 2009 FA Trophy Final at Wembley. Spells at Cambridge United, Lincoln City and Alfreton Town followed before he moved on for three years at Gainsborough whom he captained last season.

In his 18-year career, Simon has played more than 500 senior matches scoring over 50 goals in the process. A high energy mid fielder who is calm on the ball

**Derick Ngwana**

**Striker**

**Born 1994 Cameroon**

Derick joined the Club during the long recess of 2020. He came to England some 15 years ago and spent last season with Goole Town where he played up front as a striker. Derick is also happy to play on the wing of in centre midfield. He has impressed during pre-season on the left flank both defensively and linking with the front men. A solid pacey player.

**Rafael Cunha Marques Ferreira Striker/Attacking Midfield**

**Born 2002 Lisbon, Portugal**

“Rafa” arrived in England five years ago and won an Academy place with Guiseley AFC. Last season he was the top scorer for their Under 19s side who were in the running for the league title when everything was abandoned in March. At that time he was also the joint top scorer in the National League Football Academy North. An exciting and instinctive goal scorer.

**Matty Swift**

**Defender**

**Born 2002 Leeds**

At 17 years of age Matty played every game for the UFCA U23s league-winning side before signing for Hull City where last season he played for their Under 18's. He also trialed for Bradford City in 2018. A natural centre back he is comfortable on either side of the back line. He impressed during the pre-season matches where he played generally on the left flank. An adaptable young defender.

**Jack Crook**

**Defence /Midfield**

**Born 2001 Doncaster**

Nineteen year old Jack was an integral member of Harrogate Town under 23s last season having started out with Northern Counties East Rossington Main and Albion Sports. His ideal position is centre midfield, but he is happy either side or in the back four. He also is more than capable to mix it up front as witnessed by scoring a candidate for goal of the season against Huddersfield Town in a warm-up match us.

**James Nanje-Ngoe**

**Defender**

**Born 1994 Bradford**

James introduction to football started in 2005 when he spent almost six years with Huddersfield Town rising to the FA Premier Academy League. A year with the Bradford City reserves followed before he upped sticks for the USA and spent four years at the University of Alabama, Birmingham from where he graduated with a degree in Accounting and Finance whilst still representing their soccer team. A solid defender but one who likes nothing more than to overlap his way down the wings.

**Omar Sanyang**

**Attacking Midfield**

**Born 1999 Gambia**

Omar came to England as a youngster and was introduced to football when he joined the famous Hunslet club. More recently he has had spells with Doncaster Rovers under 18s and last season with Scunthorpe United Under 23s where he was a casualty of a mass release of players due to the financial implications of Covid 19. Right footed he likes to play just behind the front men and will bag his fair share of goals as well as assists.

**Haas Gorji**

**Striker**

**Born 1995 Leeds**

Haas has missed most of pre-season having picked up an injury early on, but he is now getting back to full fitness. He spent two years from 2017 -2019 with Lancaster City after the 'Dolly Blues' returned to the Northern Premier League. A transfer to Brighouse Town followed but Haas made no first team appearances.

## Tadcaster Albion AFC History

The club is believed to have been formed in 1892 as John wasn't until 1923 that the Tadcaster Albion AFC name the early years, the club played in the local York League in 1948. They continued competing in the York League and 60s.

Smith's FC. It was adopted. In which they won during the 1950s

Tadcaster Albion, in the early days, played home games cricket ground on Station Road, before moving to the Ings where the present Samuel Smith Brewery Packaging Block now stands.

on the site of the ground, near to

Changing facilities were in the town, at the rear of the Falcon Public House on Chapel Street, and it was a common Saturday afternoon sight to see nets, corner flags, buckets, oranges, players and officials trekking through the town.

Down the years the club has played in several leagues. In early times, Barkston Ash and later still, the Yorkshire and Northern Counties East Leagues.

Football continued on the Ings ground until 1960, when the club moved 100 yards up-river to its present home at the Park.

In 1973 the club joined the Yorkshire League Division Three and were promoted in 1975 and 1977 to reach Division One, relegation was to follow in 1979 and 1980.

In 1982/83 they became a founding member of the Northern Counties East League (NCEL), originally in the NCEL Division Two North before league reorganisations led them to Division One in 1991. They rarely finished in the top half of the league in the 1990s and finished bottom in 2001/02 and 2003/04.

At the start of 2004/05, Jim Collis became manager and at this point fortunes on the pitch started to improve dramatically. In his first season, Albion finished fifth in the league, the following year a third place finish meant promotion was missed by one point.

Jimmy Reid took over as manager in 2006, but his time was blighted by off the field problems. An attempted hostile takeover by dissident committee members took a massive amount of money to fight. Then in November 2007, an attempted arson attack on the clubhouse caused a lot of damage.

Paul Marshall took over at the start of 2008/09, in his first season he played mostly local players and the team struggled and finished seventeenth.

In 2009/10, with an influx of a few new key players, Albion won the NCEL Division One title. In 2010, Rob Northfield, took over as Chairman of Tadcaster Albion (2010) Ltd, and the club became a company limited by guarantee.

Albion finished fourth in their first season in the NCEL Premier Division and won the NCEL President's Cup, beating Farsley AFC 5-1 in the final. That was followed by an eighth place finish in 2011/12 and sixth in 2012/13.

In the 2013/14 season Rob Northfield resigned a few days before the start of the season and i2i Sports Ltd agreed to take effective control of the club and company, with Matthew Gore becoming the new chairman.

In 2014/15 the Brewers lead the NCEL Premier for most of the season, but a poor run of games in March led to them finally finishing in third. An excellent run in the FA Vase saw them make history by making it through to the Quarter-Final of the FA Vase where they drew a record breaking crowd of 1,307 but were

narrowly beaten by Highworth Town. At the end of the season manager Paul Marshall left and former Harrogate Railway boss Billy Miller was unveiled as his replacement.

In 2015/16 the Brewers lead the NCEL Premier for most of the season once again, but this time they held their nerve and finished Champions with a 2-1 home win over Armthorpe Welfare. They also made it to the League Cup Final but were beaten in a thrilling 3-2 game against Cleethorpes Town.

In 2016/17 the Brewers started their first ever season in the Northern Premier League (NPL) First Division North. Things were going well, and we were in the Play-off spots - then injury problems hit the team and the season seemed to run away from us. We finished nineteenth in the league which spelt the end of the management team with Michael Morton and Simon Collins taking over.

2017/18 season saw the team quickly finding its feet as the fortunes took a turn for the better after the new year with Michael and Simon steering the club to its highest ever finish reaching the Play-offs after a dramatic final day. This once again brought massive excitement amongst the club and town but unfortunately it ended in Semi-Final defeat 2-1 at Bamber Bridge despite taking the lead and putting in a valiant performance.

The 2018/19 season saw the Brewers move into the NPL East Division after the league switched from a North/South divide to an East/West split. It was another positive one for the club finishing just outside the Play-off places in seventh having been in the top six for most of the season. At the end of this campaign Manager Simon Collins decided to step down and several players moved onto new clubs.

2019/20 Former professional footballer and boxer, Curtis Woodhouse took charge, initially having only four players on the books. In a matter of weeks he built a new squad and for the first three months of the season we began to look like title contenders. Curtis left the club at the end of October and Paul Quinn inherited the mantle. Paul and assistant manager Steve Waide carried on the good work although a number of key players departed to enhance their careers at a higher level. The second half of the season was overshadowed by four devastating floods at the Stadium, before COVID 19 brought everything to an impromptu finish.

2020/21. Paul and Steve have completely boosted the playing Management over the summer months and we now have support teams to deal with the analytical side of things, with fitness and injuries and with emerging talent. Thirteen of last season's squad have renewed their contracts and six exciting new players have joined. It is a "New Era" for "Taddy" and there is an air of excitement around the Club again.
