# WELCOME!

We would like to extend a very warm welcome to everyone in attendance at the UTS Stadium this afternoon for this important PITCHING-IN NPL East Division game.

Our opponents today are LIVERSEDGE FC who arrive at the UTS Stadium after their long journey from West Yorkshire. The two Clubs haven't met for two seasons following Liversedge's well deserved promotion to the Premier Division of the NPL at the end of the 2021-2022 season. They had enjoyed an outstanding season during that campaign, losing only one League game and pipping Marske United to the League Title. They had a powerful and skillful side who played a dominant style of football with players who coniuered up some

memorable victories in their first season at the NLS Level 4. "The Sedge" found life in the Premier Division a little harder last season, competing at the higher level. Coming up against the likes of full-time South Shields, Warrington Town, Bamber Bridge and other top sides they finished in the bottom four and were relegated along with Belper Town, Stalybridge Celtic and Nantwich Town despite a very strong finish to their campaign.

Manager Jonathan Rimmington has retained most of his experienced playing squad for this season and has added some very promising younger players who have all come through the Academies at League Clubs in an attempt to emulate their superb promotion at the end of 2021-2022 season. They will provide a stern test for Dunston today.

# WELCOME!

We also extend a warm welcome to our Match Officials this afternoon. Referee Glen Hart makes the journey from Darlington and he is joined by his Assistant Referees Barry Tones from Chester-le-Street and John Davison from Houghton-le-Spring.

Supporters old and new are very well appreciated and we hope you enjoy your visit to the UTS Stadium this afternoon. If you require any help or information about the Club and facilities, please do not hesitate to contact any Management Committee Member. Details of Season Tickets, Executive Package, Club Merchandise, Concessions and Sponsorship Opportunities can be obtained from any Club Official or at the Club Office.

Let's look forward to a competitive match. Enjoy the game.

## BILLY MONTAGUE – CLUB SECRETARY

# **DUNSTON FC – CLUB HISTORY**

The Club first saw light of day in 1975 as the Football Section of a Print Works Sports & Social Club. Long-serving Club stalwart John Thompson, along with some of his fellow workmates at Her Majesty's Stationery Office Gateshead, formed the team and joined the Newcastle City Amateur League playing at the Civil Service Sports Ground, Longbenton, Newcastle.

Early success inspired John to develop the Club and it moved to a new base, The Bay Horse public house in Wickham. The Club name was changed to Wickham Sports FC. Playing on a public parks pitch in Dunston, the Club entered the Northern Amateur League. Numerous successes were achieved at this level including League Championships and League Cup wins.

In 1980 the Club joined the Northern Combination League. Further League and Cup triumphs followed and a move to a base nearer the home ground seemed logical. The Club moved to a new base at the Dunston Mechanics Social Club and became known as Dunston Mechanics FC. As the club progressed, land in the locality was leased from Gateshead MBC and the management committee began to develop the present ground.

At this stage an approach was made to the Federation Brewery for sponsorship to assist in the progress of the Club. When they kindly agreed to become the Club's main sponsors, the name was changed to Dunston Federation Brewery F.C. After finishing as League Champions and League Cup Winners in 1987, the Club left the Northern Combination League and joined the Wearside League. Following a period of four seasons in the Wearside League – being League Champions twice and League Cup Winners once – the club felt a

# DUNSTON FC – CLUB HISTORY

need to seek new opportunities and an application was made to join the prestigious Northern Football League.

During their time in the Wearside League, the club had made considerable improvements to Federation Park with progress to a higher status of football in mind, and their application to join the Northern League was successful. The Club had now realised one of its main ambitions and so entered the National Pyramid of Non-League Football.

In its second season in the Northern League, the Club won the Second Division Title and was promoted to the First Division. That season also saw the Club reach the last eight of the national FA Vase competition.

The Club was now an established Northern League Club having won the League Challenge Cup three years in succession from 1998 to 2000. Dunston also won the J. R. Cleator Cup in 1999/2000 and 2000/2001. Season 2003/2004 was one to remember when the club won the Northern League Championship for the first time and also lifted the League Challenge Cup. They also reached the final qualifying round of the F.A. Cup – the furthest they have ever reached in that competition.

After such a magnificent season in 2003/2004, the club went one better the following season when they repeated the Northern League Championship and Challenge Cup Double and also lifted the J. R. Cleator Cup once more.

In 2009, having been without a main sponsor for the previous three seasons, Mr. Shaun Sadler of UTS Engineering kindly agreed to provide a generous sponsorship package and it was agreed that the

# DUNSTON FC – CLUB HISTORY

Club be known as Dunston UTS Football Club. The name of the ground was changed from Federation Park to The UTS Stadium.

The Club enjoyed a momentous season in 2011-2012 when, under the Management duo of Billy Irwin and Tony Harrison, they finished third in the Northern League and achieved the greatest success in their history. After a memorable run in the FA Vase, the side reached the Final at Wembley Stadium and went on to lift the trophy with a superb 2-0 victory over West Auckland Town.

After a few barren years, the Club sprang back to life again at the end of the 2017-2018 season when finishing as Runners-Up in the Durham Challenge Cup Final and going one better with victory in the Brooks Mileson Memorial League Cup Final. Building on the new-found momentum, Dunston continued in the same vein in the following season with a great run in the FA Cup, going out in the final Qualifying Round to National League neighbours Gateshead in front of a record crowd of 2,525 at the UTS Stadium.

The Club finished the 2018-2019 season as convincing Champions of the Northern League First Division, seventeen points ahead of their nearest rivals. Promotion ensued to the BetVictor Northern Premier North West Division but FA Regulations dictated that the “Club Playing Name” must not include any reference to a sponsor so the “UTS” was reluctantly dropped from the Club Title before the new season commenced. Shaun Sadler showed remarkable understanding of the situation and agreed to continue his wonderful sponsorship of the Club. With the aid of a generous grant from the FSIF, improvements were completed to bring the ground up to NPL standards.

# DUNSTON FC – CLUB HISTORY

The step up proved more difficult than expected in the NPL North West Division and it wasn't until the turn of the year that the team achieved any real consistency. The early cancellation of League proceedings due to Covid-19 in March 2020 saw the Club finish in mid-table.

After yet another early curtailment in 2020-21, Dunston started the 21-22 season in the newly formed NPL East Division much stronger and finished in sixth-place, just missing out on the end-of-season Play-Offs. Last Season saw yet another upgrade in playing strength and more stadium improvements but the same disappointing final finish of sixth from top.

In a very competitive Division, we will have to go that extra step in the 2023-24 season if we are to achieve our aim of promotion but under the guidance of our new Team Manager Jon McDonald and his Coaches we will do our best!

## Welcome, Josh King!

Dunston FC are delighted to announce the one-month loan signing of highly rated young defender, Josh King, from Morpeth Town.

The former York City man played a key role in their promotion to the National League a couple of seasons ago and will provide Jon McDonald with another option for the backline due to injuries in the squad.

Dunston FC Manager Jon McDonald has said:

“Josh is a good, young centre back. He’s got good calibre having been at York City as a professional.

“With injuries and unavailability, this is a great loan move for us. A big thank you to Morpeth and Lynchy for helping us to arrange the deal.”

Welcome to Dunston, Josh!

A move to his hometown club South Shields 2018 saw Turnbull continue his good form. He has been key to the recent playing success at South Shields but with the club moving to full time Chris Swailes wasted no time in bringing the vastly experienced and talented midfielder to the UTS Stadium.

He scooped a number of awards at the end of the 2022/23 season following a superb season, including the Fred Foulis Committee Player of the Season award.

# REPORT | BRIGHOUSE (A)

**Brighouse Town 0-2 Dunston FC (25/09/23)**

**Maskell brace gets Dunston back to winning ways.**

It was another long away trip for the boys in blue as Dunston travelled 111 miles to the Heffernan Utilities Stadium to take on Brighouse Town, just two days after making the incredibly long trip to Nantwich Town.

The hosts began with a couple of half chances, as Jack Normanton and Jack Crook had shots on goal within the first few minutes, but neither troubled Dunston shot stopper Dan Staples.

Despite the early shots, Dunston contrasted their recent performances by starting the game strongly. This was rewarded with twelve minutes on the clock, as recent returnee to the squad Jack Maskell beautifully finished his chance off the back of a Luke Carr through ball. On his second league start of the season, this was the 19-year-old's third goal of the campaign.

The home side did have the ball in the back of the net mid-way through the first forty-five, however a foul on Staples kept Dunston's lead intact.

Dunston should have doubled their advantage a few minutes later, as goalscorer Maskell somehow failed to score from a few yards out, after Luke Carr's delicious cross met him in the box.

There was a good chance for either side before the close of the half, as Dunston debutant Josh King almost grabbed a debut goal with a header that was narrowly wide, and Dan Staples was brought into action down the other end denying Mohammad Quasim.

# REPORT | BRIGHOUSE (A)

## Continued...

The second-half continued Dunston's strong performance, as eleven minutes after the break Dunston came very close to a second goal, as Chris McDonald whipped a super cross in for Sado Djalo in the mixer, but his header agonisingly clattered the post.

Dunston played the fixture in one of the worst kit combinations you will ever see, as the hosts requested red socks to be worn alongside the grey shirt and shorts. However, this didn't bother any of the Dunston faithful when Maskell buried his second of the game from close range, after an unbelievable cross from Sado Djalo.

Two goals ahead, Dunston were cruising and almost made it three, as Luke Carr hit a free kick beating everyone, but it was brilliantly tipped around the post by Michael Roxburgh.

And the final chance for number three came through Carr again, as the ball was pulled back to him twelve yards out, but his effort smashed against the crossbar.

The final chance of the game was Brighouse's best, as Mohammad Qasim missed the target from close range, a massive let off for Dunston's clean sheet.

Full-time came around and Dunston returned to winning ways, rising to fifth in the league. Outstanding performances from new boy Josh King, skipper Michael Pearson and scorer of a brace Jack Maskell secured all three points.

# LIVERSEDGE HISTORY

Liversedge Football Club was founded in 1910 following the demise of the old Liversedge Rugby Club. Liversedge FC started in the Bradford League for three years and won it in the 1920/21 season.

The club was a founder member of the West Riding County Amateur League in season 1922/23 and went on to be the most successful club in the League's infancy, taking the league title in the first three seasons (1923/24, 1925/26, 1926/27) and again in 1964/65 and 1965/66.

The long association with the County Amateur League was maintained until the early 1970s when the club won again in 1968/69. The decision was taken to apply for membership in the Yorkshire League, and the club's acceptance for season 1972/73 was followed by immediate promotion from Division Three.

Whilst not winning trophies this time, success did come the club's way as promotion to Yorkshire League Division One was achieved before the amalgamation of the Midland and Yorkshire League to form the Northern Counties East League in 1982. The early years in the new set-up saw Liversedge struggle on and off the pitch, but good strides were made in the late 1980s.

After finishing as runners-up in NCEL Division 2 in 1988/89, they were promoted to NCEL Division One. However, a lack of floodlights the following season saw them miss out on promotion to the Premier Division after finishing runners-up in Division One again.

A great club effort the following season by players, officials and supporters alike saw them promoted to the Premier Division after finishing third. The disappointment of missing out the previous season had been tempered by winning the West Riding County Cup for the first time in the club's history.

Life in the topflight brought fluctuating fortunes, but Liversedge is still proud of their record of never being relegated despite flirting with it a couple of times. Sedge started to find stability and achieved sixth-placed finishes in 1999/2000 and 2004/05.

The high point of the 2004/05 season was undoubtedly a fine FA Cup run to the Fourth Qualifying Round, beating three higher-ranked opponents, losing out to Coalville in the replay.

The 2005/06 season saw a new look to Sedge's ground, as the famous Clayborn slope was removed. The club's epic FA Cup run enabled it to finance, with the help of The FA, the levelling of the playing area, a fitting reminder of their FA Cup exploits.

# LIVERSEEDGE HISTORY

Success also came on the field in 2005/06 by way of winning the NCEL League Cup for the first time and Sedge's highest-ever runner-place in the Premier Division behind Buxton.

Unfortunately, Sedge was not granted promotion as the changing rooms were not to satisfactory size for the next step.

After two highly successful seasons, 2006/07 was one of instability with an indifferent start leading to manager changes as the club continued to push towards the Unibond NPL League. In June 2007, Steve Newton was appointed to spearhead that push and, with the help of a new committee strengthened by our junior club colleagues, now putting together plans and resources for a new clubhouse, which was to be built in phases, and a high team spirit all around Clayborn, 2007/08 saw Liversedge win the NCEL Presidents Cup.

Liversedge returned to stable, and sometimes struggling, in the NCEL over the following few years, with managers coming and going after some flirting with relegation. At the end of the 2014/15 season, Jonathan Rimmington stepped up to the hot seat from the U19s and successfully kept the club in the NCEL Premier Division.

At the end of the 2017/18 season, Liversedge reached the League Cup Final against AFC Mansfield, but the game was not played due to unforeseen circumstances. 2018/19 saw a new Chairman in former Ossett Town, Wakefield, Nostell, and Ossett Albion's Simon Turfrey join the Club. At the end of the season, Liversedge again reached the League Cup Final, losing out 3-1 to Worksop Town.

Pre-season 2019/20 saw lots of off-field progression with new changing rooms, club and tea bar extensions, and new faces football-wise. These developments showed an ambitious new vision for the club's future. On the field, Liversedge was well on course for possible promotion to the Northern Premier League with two games in hand and 2nd position.

Covid-19 struck, and the rest of the season's matches were cancelled, with the season decided void by the FA.

The 2020/21 season was again curtailed early due to an escalating COVID situation, with Sedge on course again for promotion and achieving their best FA Vase run to the Fourth Round. This time, the FA came to the solution to ensure the excellent work of ambitious clubs did not go to waste and award promotion on a points-per-game basis based on the previous two curtailed seasons.

# LIVERSEEDGE HISTORY

Sedge hit the ground running in their first-ever Northern Premier League season, winning the league following a tight title battle with Marske United, losing only one league game all season, and gaining promotion to the NPL Premier Division at Step 3.

Jonathan Rimmington's side made it a League and Cup 'double' with a 3-1 West Riding County Cup Final win against local rivals Brighouse Town. The 2021/22 season will be remembered as the Club's best, with records broken on and off the field.

Sedge had it rough in 2022/23 in the NPL Premier Division. Still, the spirits were high throughout, putting in a good run towards the back end of the season. Unfortunately, Sedge was relegated but learnt much in a higher division, hoping to return there soon.

Sedge has made some crucial appointments behind the scenes to build the foundations of a great community club; one of them is ex-Premier League footballer Ross McCormack, who joined in 2023/24 as a player/director of football.

## The Daniel Wilkinson Foundation

*Providing Screening and Defibrillators to prevent Sudden Cardiac Death in the young*

The Daniel Wilkinson Foundation is a charity set up in memory of Daniel Wilkinson who died in 2016 aged 24, while playing the game he loved, from an underlying heart condition called Arrhythmogenic Right Ventricular Cardiomyopathy (ARVC).

Dan played football from an early age and joined Hull City AFC when he was 10, earning a professional contract aged 18. Loughborough University followed where he completed a degree in Accounting and Financial Management while playing non-league football. He was an athlete who enjoyed the gym and took his health and nutrition very seriously. He lived life to the full and had so much ahead of him.

Other than feeling light-headed on a few occasions in the month before he died, he had no symptoms!

## SUDDEN CARDIAC DEATH IN THE YOUNG (SCD)

- SCD is the leading cause of death in young athletes during sport and the majority of deaths occur with NO SYMPTOMS or family history.
- ARVC can be found in one in every 1,000 to 5,000 young adults - IF IT IS LOOKED FOR.
- Warning signs may include light-headedness, fainting, palpitations, swollen legs, breathlessness.
- Every week in the UK, 12 apparently fit and healthy young people (aged 35 and under) die from previously undiagnosed heart conditions.
- In Italy, where screening is mandatory for all young people engaged in organised sport, they have reduced the incidence of young sudden cardiac death by 89%.

## OUR MISSION

The Daniel Wilkinson Foundation has been set up to raise awareness of SCD and to provide funding towards heart screening, defibrillators and CPR/defibrillator training primarily for grass-roots sporting teams.

Tragedies can be prevented through cardiac screening. It is vital that young people are identified and treated.

# INTERVIEW | LIAM THEAR – 200 CLUB

We sat down with club legend, Liam 'Scrappy' Thear, after the Dunston legend reached 200 league games for club a couple of weeks ago.

Q: What does this achievement mean to you?

LT: *I'm over the moon to get to 200 league games for the club. From my first season at the club, I settled in very easily and I loved everything about it. I knew even then; this was somewhere I could see myself playing for a long time.*

Q: Over your many years at the club, which players would you say you've enjoyed playing with the most?

LT: *We've always had quality in the squad while I've been here. Over the years, I'd say now, it's at the highest level since I've been here. Personally, I'd think of players that I played a lot of games with that really helped me when I was younger like Dale Burrell and Dan Halliday. They are two that stand out straight away.*

Q: Do you have a particular game that stands out the most?

LT: *Absolutely. The 4-3 win against Chester in the FA Cup a few years back, absolutely belter game. I can't remember exactly how it went, I just remember the goals going in left, right and centre. Fitzy wrapping it up with the last kick of the game. We enjoyed that one after!*

# INTERVIEW | LIAM THEAR – 200 CLUB

**Q:** Focusing on this season, after a couple of frustrating games for us recently, what was your take on Monday's win at Brighouse?

**LT:** *Aye, this season has been a decent start, but also slightly frustrating. You can see the way we are trying to play and the improvements we've made but, for whatever reason, a few results haven't gone our way. Brighouse on Monday was an unreal performance and I feel like we all knew that was coming so we're very happy with the result. Hopefully we can kick on now and build some momentum.*

**Q:** You recently returned from injury however, you've picked up another injury. What's happened regarding that?

**LT:** *Aye, it's a very frustrating one for me because I've been training well and I'm desperate to get out there and help the lads but, I've just had a slight setback on Saturday at Nantwich. I don't think it's anything major, we'll just have to reassess slightly. It shouldn't keep me out for too long though.*

**Q:** With the strength and depth we have in the squad this season, how much are you looking forward to the challenge of getting fit as quick as possible and forcing your way back into the starting XI?

**LT:** *I'm really looking forward to being back and getting back to full fitness. The strength of the squad that we have, along with the way Jon [McDonald] and the coaching staff are asking us to play, is made for us attackers who want to be on the ball. It's even more frustrating because I just want to be out there and involved. Hopefully it won't be too long until I'm back to 100% and I can help the lads achieve our goals this season.*
